Introduction

ABOUT THE MODEL ACOP

HOW TO USE THE MODEL ACOP

The model ACOP includes recommended language for each area in which the PHA has discretion or flexibility to adopt its own policies. To make the editing process easier, the model ACOP contains only one version of each policy – generally HUD’s safe harbor policy or the policy that seems to be common to most PHAs. This means that if the model policy language works for your PHA, no cutting and pasting is required.

HUD regulations and other requirements are described in detail in the model ACOP with appropriate citations. They are also summarized in the policy guide as needed to assist in making decisions.

The Policy Guide and Instructions

The policy guide is a decision-making tool for PHA policy makers. You can use the guide as a checklist for evaluating your compliance with HUD requirements and for making decisions about local policies. PHA decision points are identified throughout this document with this symbol:

☑

The policy guide provides recommended language and policy options and explains why the recommended language is used in the model ACOP.

• If you decide to adopt an alternative policy, you may edit or delete the NMA-provided language in the model ACOP, cut and paste another option from the policy guide, or develop and type in your own wording.

Before starting work on the revision, print out the Acrobat PDF files of the model ACOP pages and policy guide for each chapter. Read through the model policy and review the decision points in the policy guide to determine if you want to make any changes to the model ACOP. After you have edited the model ACOP, print out the revised chapter to update your hard copy and, edit the table of contents (TOC) file if necessary to update the TOC for your ACOP.

Working with the Computer Files

On your hard drive or network drive, set up a subdirectory (such as ACOPrev) for the ACOP revision in your ACOP or other directory in which you keep your documents. Copy the files for the policy document and the guide chapters from the CD-ROM into that directory and use them as your working files. Store your CD-ROM in a safe place.
ABOUT THE MODEL ACOP AND THE PUBLIC HOUSING LEASE

PHA policy must be consistent with the public housing lease and any policy documents provided to tenants, and the lease and policy documents must comply with federal and state law.

The model ACOP contains policies that reflect the terms of your public housing lease. Policies on a particular topic may be included in the public housing lease, or may be a separate document incorporated in the lease by reference, such as a pet policy or transfer policy.

Because of variations in state and local landlord-tenant law, and because HUD affords PHAs wide discretion in some areas, a broad range of policies could be acceptable. Only a few of these compliant policies can be listed in the model ACOP.

If you are assured that your current Board-approved public housing lease or separate policy document is up-to-date and is compliant with HUD requirements and with federal, state, and local laws, then it is neither necessary nor advisable to revise the terms of your lease or policy document to match default policies in the model ACOP. Instead, you should edit the model ACOP to match the terms of your existing public housing lease.

REFERENCES CITED IN THE MODEL ACOP

Authority for PHA policies is derived from many sources. Primary among these sources are regulations and guidance issued by HUD. State law also directs PHA policy. State law must be followed where such law exists and does not conflict with federal regulations. In the absence of legal requirements or HUD guidance, industry practice may lead to PHA policy. Finally, the public housing lease will affect PHA policy and therefore must be consistent with federal and state laws and regulations.

HUD

HUD provides the primary source of PHA policy through federal regulations, HUD Notices and handbooks. Compliance with federal regulations, current HUD Notices and HUD handbooks is mandatory.

HUD provides nonmandatory guidance to PHAs through HUD published guidebooks. Expired HUD Notices and handbooks also provide guidance for PHA policy. Following HUD guidance is optional, as long as PHA policies comply with federal law, federal regulations and mandatory policy. Because HUD has already determined that the guidance it provides is consistent with mandatory policies, PHA reliance on HUD guidance provides the PHA with a “safe harbor.”

Content contained on the HUD website can provide further clarification of HUD policies. For example, FAQs on the HUD website can provide direction on the application of federal regulations to a specific pattern.
State Law
Where there is no mandatory federal guidance, PHAs must comply with state law, if it exists. Where state law is more restrictive than federal law, but does not conflict with it, the PHA should follow the state law.

Industry Practice
Where no law or HUD authority exists on a particular subject, industry practice may support PHA policy. An industry practice is a way of doing things that is followed by most housing authorities.

RESOURCES CITED IN THE MODEL ACOP
The model ACOP cites several documents. Where a document or resource is cited frequently, it may be abbreviated. Where it is cited only once or twice, the model ACOP may contain the entire name of the document or resource. Following is a key to abbreviations used for various sources that are frequently cited in the ACOP, and a list of references and document locations that are referenced in the model ACOP or that may be helpful to you.

Chapter 1

OVERVIEW OF THE PROGRAM AND PLAN

INTRODUCTION
The PHA receives its operating subsidy for the public housing program from the Department of Housing and Urban Development. The PHA is not a federal department or agency. A public housing agency (PHA) is a governmental or public body, created and authorized by state law to develop and operate housing and housing programs for low-income families. The PHA enters into an Annual Contributions Contract with HUD to administer the public housing program. The PHA must ensure compliance with federal laws, regulations and notices and must establish policies and procedures to clarify federal requirements and to ensure consistency in program operation.

This chapter contains information about the PHA and its programs with emphasis on the public housing program. It also contains information about the purpose, intent and use of the plan and guide.

There are three parts to this chapter:

Part I: The Public Housing Agency (PHA). This part includes a description of the PHA, its jurisdiction, its programs, and its mission and intent.

Part II: The Public Housing Program. This part contains information about public housing operation, roles and responsibilities, and partnerships.

Part III: The Admissions and Continued Occupancy Policy (ACOP). This part discusses the purpose and organization of the plan and its revision requirements.

PART I: THE PHA

1-I.A. OVERVIEW
This part describes the PHA’s creation and authorization, the general structure of the organization, and the relationship between the PHA Board and staff.
1-I.B. ORGANIZATION AND STRUCTURE OF THE PHA

Public housing is funded by the federal government and administered by the Housing Authority of the City of Boulder doing business as Boulder Housing Partners (BHP) for the jurisdiction of City of Boulder.

PHAs are governed by a board of officials that are generally called “commissioners.” Although some PHAs may use a different title for their officials, this document will hitherto refer to the “board of commissioners” or the “board” when discussing the board of governing officials.

Commissioners are appointed in accordance with state housing law and generally serve in the same capacity as the directors of a corporation. The board of commissioners establishes policies under which the PHA conducts business, and ensures that those policies are followed by PHA staff. The board is responsible for preserving and expanding the agency’s resources and assuring the agency’s continued viability and success.

Formal actions of the PHA are taken through written resolutions, adopted by the board and entered into the official records of the PHA.

The principal staff member of the PHA is the executive director (ED), who is selected and hired by the board. The ED oversees the day to day operations of the PHA and is directly responsible for carrying out the policies established by the commissioners. The ED’s duties include hiring, training, and supervising the PHA’s staff, as well as budgeting and financial planning for the agency. Additionally, the ED is charged with ensuring compliance with federal and state laws, and program mandates. In some PHAs, the ED is known by another title, such as chief executive officer or president.

1-I.C. PHA MISSION

The purpose of a mission statement is to communicate the purpose of the agency to people inside and outside of the agency. It provides the basis for strategy development, identification of critical success factors, resource allocation decisions, as well as ensuring client and stakeholder satisfaction.

**BHP Policy**

**Mission:**
Our primary mission is to provide quality, affordable housing, developed and managed with respect for the dignity of all involved. We also seek to create a sense of community strength and spirit that supports resident efforts to realize success in their lives.

**Motto:**
Providing homes – Creating community – Changing Lives

**Vision:**
- Affordable housing is one of the most fundamental of all human needs.
- Housing that is affordable provides the foundation from which full personal and community potential is accessed and the economic and cultural diversity of Boulder is strengthened and protected.
BHP will engage with the community in the creation of affordable housing solutions and in the enrichment of the lives of our residents.

We envision a time when affordable housing is welcomed and integrated into Boulder neighborhoods.

We join with other organizations in on-going partnerships in order to achieve common affordable housing goals.

Through this active community support, we will achieve long-term fiscal, social and environmental responsibility.

1-I.D. THE PHA’S COMMITMENT TO ETHICS AND SERVICE

As a public service agency, the PHA is committed to providing excellent service to all public housing applicants, residents, and the public. In order to provide superior service, the PHA resolves to:

- Administer applicable federal and state laws and regulations to achieve high ratings in compliance measurement indicators while maintaining efficiency in program operation to ensure fair and consistent treatment of clients served.

- Provide decent, safe, and sanitary housing in good repair – in compliance with program uniform physical condition standards – for very low- and low-income families.

- Achieve a healthy mix of incomes in its public housing developments by attracting and retaining higher income families and by working toward deconcentration of poverty goals.

- Encourage self-sufficiency of participant families and assist in the expansion of family opportunities which address educational, socio-economic, recreational and other human services needs.

- Promote fair housing and the opportunity for very low- and low-income families of all races, ethnicities, national origins, religions, ethnic backgrounds, and with all types of disabilities, to participate in the public housing program and its services.

- Create positive public awareness and expand the level of family and community support in accomplishing the PHA’s mission.

- Attain and maintain a high level of standards and professionalism in day-to-day management of all program components.

- Administer an efficient, high-performing agency through continuous improvement of the PHA’s support systems and commitment to our employees and their development.

The PHA will make every effort to keep residents informed of program rules and regulations, and to advise participants of how the program rules affect them.
PART II: THE PUBLIC HOUSING PROGRAM

1-II.A. OVERVIEW AND HISTORY OF THE PROGRAM

The intent of this section is to provide the public and staff an overview of the history and operation of public housing.

The United States Housing Act of 1937 (the “Act”) is responsible for the birth of federal housing program initiatives, known as public housing. The Act was intended to provide financial assistance to states and cities for public works projects, slum clearance and the development of affordable housing for low-income residents. There have been many changes to the program since its inception in 1937.

The Housing Act of 1965 established the availability of federal assistance, administered through local public agencies, to provide rehabilitation grants for home repairs and rehabilitation. This act also created the federal Department of Housing and Urban Development (HUD).

The Housing Act of 1969 created an operating subsidy for the public housing program for the first time. Until that time, public housing was a self-sustaining program.

In 1998, the Quality Housing and Work Responsibility Act (QHWRA) – also known as the Public Housing Reform Act or Housing Act of 1998 – was signed into law. Its purpose was to provide more private sector management guidelines to the public housing program and provide residents with greater choices. It also allowed PHAs more remedies to replace or revitalize severely distressed public housing developments. Highlights of the Reform Act include: the establishment of flat rents; the requirement for PHAs to develop five-year and annual plans; income targeting, a requirement that 40% of all new admissions in public housing during any given fiscal year be reserved for extremely low-income families; and resident self-sufficiency incentives.

In 2011, Boulder Housing Partners applied and was accepted into the Moving to Work (MTW) Demonstration Program through HUD. MTW is a demonstration program for public housing authorities (PHAs) that provides them the opportunity to design and test innovative, locally-designed strategies that use Federal dollars more efficiently, help residents find employment and become self-sufficient, and increase housing choices for low-income families. MTW gives PHAs exemptions from many existing public housing and voucher rules and more flexibility with how they use their Federal funds. MTW PHAs are expected to use the opportunities presented by MTW to inform HUD about ways to better address local community needs.

The three primary goals of the program are to:
1. Use federal dollars more effectively
2. Create incentives for families to work, seek work or prepare for work
3. Increase housing choices for low-income households

BHP is required to write an Annual Plan, which is subject to public review and HUD approval, and includes all initiatives and strategies that BHP is using to meet the three primary goals of the MTW program. Initiatives that change federal regulations and policies are clearly noted throughout this Admissions and Continued Occupancy Policy.
For more information on the MTW Program, please visit the HUD website at www.hud.gov or at our website at www.boulderhousingpartners.org

1-II.B. PUBLIC HOUSING PROGRAM BASICS

HUD writes and publishes regulations in order to implement public housing laws enacted by Congress. HUD contracts with the PHA to administer programs in accordance with HUD regulations and provides an operating subsidy to the PHA. The PHA must create written policies that are consistent with HUD regulations and MTW changes. Among these policies is the PHA’s Admissions and Continued Occupancy Policy (ACOP). The ACOP must be approved by the board of commissioners of the PHA.

The job of the PHA pursuant to HUD regulations is to provide decent, safe, and sanitary housing, in good repair, to low-income families at an affordable rent. The PHA screens applicants for public housing and, if they are determined eligible for the program, the PHA makes an offer of a unit. If the applicant accepts the offer, the PHA and the applicant will enter into a written lease agreement. At this point, the applicant becomes a tenant in the public housing program.

In the context of the public housing program, a tenant is defined as the adult person(s) (other than a live-in aide) who (1) executed the lease with the PHA as lessee of the dwelling unit, or, if no such person now resides in the unit, (2) who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit. [24 CFR 966.53]. The Public Housing Occupancy Guidebook refers to tenants as “residents.” The terms “tenant” and “resident” are used interchangeably in this policy. Additionally, this policy uses the term “family” or “families” for residents or applicants, depending on context.

Since the PHA owns the public housing development, the PHA is the landlord. The PHA must comply with all of the legal and management responsibilities of a landlord in addition to administering the program in accordance with HUD regulations and PHA policy.

1-II.C. PUBLIC HOUSING PARTNERSHIPS

To administer the public housing program, the PHA must enter into an Annual Contributions Contract (ACC) with HUD. The PHA also enters into a contractual relationship with the tenant through the public housing lease. These contracts define and describe the roles and responsibilities of each party.

In addition to the ACC, the PHA and family must also comply with federal regulations and other HUD publications and directives. For the program to work and be successful, all parties involved – HUD, the PHA, and the tenant – play an important role.

The chart on the following page illustrates key aspects of these relationships.
The Public Housing Relationships

Family (Tenant)
What does HUD do?
Federal law is the source of HUD responsibilities. HUD has the following major responsibilities:

• Develop regulations, requirements, handbooks, notices and other guidance to implement housing legislation passed by Congress
• Allocate operating subsidies to PHAs
• Allocate capital funding to PHAs
• Provide technical assistance to PHAs on interpreting and applying program requirements
• Monitor PHA compliance with program requirements and PHA performance in program administration.

What does the PHA do?
The PHA’s responsibilities originate in federal regulations and the ACC. The PHA owns and manages public housing developments, administers the program under contract with HUD and has the following major responsibilities:

• Ensure compliance with all non-discrimination, equal opportunity, and fair housing laws, and ensure that the program is accessible to persons with disabilities
• Establish local policies and procedures for operating the program
• Accept applications from interested applicant families and determine whether they are income eligible for the program
• Maintain waiting list and select families for admission
• Screen applicant families for suitability as renters
• Maintain housing units by making any necessary repairs in a timely manner
• Make unit offers to families (minimize vacancies without overcrowding)
• Maintain properties to the standard of decent, safe, sanitary, and in good repair (including assuring compliance with uniform physical conditions standards)
• Make sure the PHA has adequate financial resources to maintain its housing stock
• Perform regular reexaminations of family income and composition in accordance with HUD requirements and MTW Activities
• Collect rent due from the assisted family and comply with and enforce provisions of the lease
• Ensure that families comply with program rules
• Provide families with prompt and professional service
• Comply with HUD regulations and requirements, the Annual Contributions Contract, HUD-approved applications for funding, the PHA’s ACOP, and other applicable federal, state and local laws.
What does the tenant do?
The tenant’s responsibilities are articulated in the public housing lease. The tenant has the following broad responsibilities:

- Comply with the terms of the lease and PHA house rules, as applicable
- Provide the PHA with complete and accurate information, determined by the PHA to be necessary for administration of the program
- Cooperate in attending all appointments scheduled by the PHA
- Allow the PHA to inspect the unit at reasonable times and after reasonable notice
- Take responsibility for care of the housing unit, including any violations of uniform physical condition standards caused by the family
- Not engage in drug-related or violent criminal activity
- Notify the PHA before moving or termination of the lease
- Use the assisted unit only for residence and as the sole residence of the family. Not sublet the unit or assign the lease
- Promptly notify the PHA of any changes in family composition
- Not commit fraud, bribery, or any other corrupt or criminal act in connection with any housing programs
- Take care of the housing unit and report maintenance problems to the PHA promptly

If all parties fulfill their obligations in a professional and timely manner, the program responsibilities will be fulfilled in an effective manner.

1-II.D. APPLICABLE REGULATIONS
Applicable regulations include:

- 24 CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 902: Public Housing Assessment System
- 24 CFR Part 903: Public Housing Agency Plans
- 24 CFR Part 945: Designated Housing
- 24 CFR Part 960: Admission and Occupancy Policies
- 24 CFR Part 966: Lease and Grievance Procedures
PART III: THE ADMISSIONS AND CONTINUED OCCUPANCY POLICY

1-III.A. OVERVIEW AND PURPOSE OF THE POLICY

The ACOP is the PHA’s written statement of policies used to carry out the housing program in accordance with federal law and regulations, HUD requirements, and the MTW Standard Agreement and all attachments. The ACOP is required by HUD and it must be available for public review [CFR 24 Part 903]. The ACOP also contains policies that support the objectives contained in the PHA’s MTW Annual Plan.

All issues related to public housing not addressed in this ACOP are governed by federal regulations, HUD handbooks and guidebooks, notices, applicable state and local laws, and the MTW Standard Agreement. The policies in this ACOP have been designed to ensure compliance with the consolidated ACC, MTW Standard Agreement and all HUD-approved applications for program funding. The PHA is responsible for complying with all changes in HUD regulations pertaining to public housing. If such changes conflict with this plan, HUD regulations will have precedence.

1-III.B. CONTENTS OF THE POLICY

Unlike the housing choice voucher program, HUD regulations for public housing do not contain a list of what must be included in the ACOP. However, individual regulations contain requirements of inclusion in the PHA’s written policy. At a minimum, the ACOP plan should cover PHA policies on these subjects:

- The organization of the waiting list and how families are selected and offered available units, including any PHA admission preferences, procedures for removing applicant names from the waiting list, and procedures for closing and reopening the PHA waiting list (Chapters 4 and 5)
- Transfer policies and the circumstances under which a transfer would take precedence over an admission (Chapter 12)
- Standards for determining eligibility, suitability for tenancy, and the size and type of the unit needed (Chapters 3 and 5)
- Procedures for verifying the information the family has provided (Chapter 7)
- The method for achieving deconcentration of poverty and income-mixing of public housing developments (Chapter 4)
- Grievance procedures (Chapter 14)
- Policies concerning payment by a family to the PHA of amounts the family owes the PHA (Chapter 15 and 16)
- Interim redeterminations of family income and composition (Chapter 9)
- Policies regarding community service requirements (Chapter 11)
- Polices and rules about safety and ownership of pets in public housing (Chapter 10)
New Approach to Policy Development

HUD has developed an approach to monitoring PHAs that emphasizes the importance of consistency in operation and decision-making. The ACOP supports that goal by clearly setting forth the PHA’s operating policies.

A primary focus of HUD’s Rental Integrity Monitoring (RIM) program has been consistency in how PHAs conduct their business and in how HUD monitors PHA activities. Referring to and following the ACOP is essential to maintaining consistency in applying PHA policy.

HUD makes a distinction between mandatory policies and non-mandatory policies:

- **Mandatory policies**: those driven by legislation, regulations, current handbooks, current PIH notices, and legal opinions from the Office of General Counsel, and
- **Optional, non-binding guidance** includes guidebooks, FAQs, PIH notices that have expired and recommendations from individual HUD staff.

HUD expects PHAs to adopt local policies and procedures that are consistent with mandatory policies and to in areas where HUD gives the PHA discretion. The Admissions and Continued Occupancy Policy (ACOP) is comprised of mandatory policies and optional PHA policy. HUD’s new direction adds additional emphasis to the need for a clearly written and comprehensive ACOP to guide staff in the clear and consistent application of policy.

HUD suggestions, recommendations, written issuances and guidance are consistent with mandatory federal policy. Therefore, using HUD guidance in the preparation of PHA policy, even though it is not mandatory, provides a PHA with a “safe harbor.” If a PHA adopts its own optional policy, it must make its own determination that such policy is consistent with legislation, regulations, and other mandatory requirements. There may be very good reasons for adopting a policy or procedure that is different than that suggested by HUD, but PHAs should carefully think through those decisions and be able to articulate how their policy is consistent with federal laws, regulations and mandatory policy.

1-III.C. UPDATING AND REVISING THE POLICY

The PHA will revise this ACOP as needed to comply with changes in HUD regulations. The original policy and any changes must be approved by the board of commissioners of the PHA, the pertinent sections included in the Agency Plan, and a copy provided to HUD.

**BHP Policy**

The PHA will review and update the ACOP as needed, to reflect changes in MTW Annual Plans, regulations, PHA operations, or when needed to ensure staff consistency in operation.
Chapter 2

FAIR HOUSING AND EQUAL OPPORTUNITY

INTRODUCTION

This chapter explains the laws and HUD regulations requiring PHAs to affirmatively further civil rights and fair housing in all federally-assisted housing programs. The letter and spirit of these laws are implemented through consistent policy and procedures. The responsibility to further nondiscrimination pertains to all areas of the PHA’s public housing operations.

This chapter describes HUD regulations and PHA policies related to these topics in three parts:

Part I: Nondiscrimination. This part presents the body of laws and regulations governing the responsibilities of the PHA regarding nondiscrimination.

Part II: Policies Related to Persons with Disabilities. This part discusses the rules and policies of the public housing program related to reasonable accommodation for persons with disabilities. These rules and policies are based on the Fair Housing Act (42.U.S.C.) and Section 504 of the Rehabilitation Act of 1973, and incorporate guidance from the Joint Statement of the Department of Housing and Urban Development and the Department of Justice (DOJ), issued May 17, 2004.

PART I: NONDISCRIMINATION

2-I.A. OVERVIEW

Federal laws require PHAs to treat all applicants and tenant families equally, providing the same opportunity to access services, regardless of family characteristics and background. Federal law prohibits discrimination in housing on the basis of race, color, religion, sex, national origin, age, familial status, and disability. In addition, HUD regulations provide for additional protections regarding sexual orientation, gender identity, and marital status. The PHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- The Fair Housing Act
- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- The Violence against Women Act of 2005 (VAWA)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the Federal Register February 3, 2012

When more than one civil rights law applies to a situation, the laws will be read and applied together.

Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted will also apply.

BHP Policy

All state or local nondiscrimination laws or ordinances apply.
2-I.B. NONDISCRIMINATION

Federal regulations prohibit discrimination against certain protected classes and other groups of people. State and local requirements, as well as PHA policies, can prohibit discrimination based on other factors.

The PHA shall not discriminate because of race, color, sex, religion, familial status, age, disability or national origin (called “protected classes”).

Familial status includes children under the age of 18 living with parents or legal custodians, pregnant women, and people securing custody of children under the age of 18.

The PHA will not discriminate on the basis of marital status, gender identity, or sexual orientation [FR Notice 02/03/2012].

**BHP Policy**

The PHA will not discriminate on the basis of creed, political affiliation, pregnancy, parenthood or military status.

The PHA will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the public housing program
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
- Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- Treat a person differently in determining eligibility or other requirements for admission
- Steer an applicant or tenant toward or away from a particular area based on any of these factors
- Deny anyone access to the same level of services
- Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- Discriminate in the provision of residential real estate transactions
- Discriminate against someone because they are related to or associated with a member of a protected class
- Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class
Providing Information to Families

The PHA must take steps to ensure that families are fully aware of all applicable civil rights laws. As part of the public housing orientation process, the PHA will provide information to public housing applicant families about civil rights requirements.

Discrimination Complaints

If an applicant or tenant family believes that any family member has been discriminated against by the PHA, the family should advise the PHA. HUD requires the PHA to make every reasonable attempt to determine whether the applicant’s or tenant family’s assertions have merit and take any warranted corrective action.

BHP Policy

Applicants or tenant families who believe that they have been subject to unlawful discrimination may notify the PHA either orally or in writing.

The PHA will attempt to remedy discrimination complaints made against the PHA.

The PHA will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD’s Office of Fair Housing and Equal Opportunity (FHEO).
PART II: POLICIES RELATED TO PERSONS WITH DISABILITIES

2-II.A. OVERVIEW

One type of disability discrimination prohibited by the Fair Housing Act is the refusal to make reasonable accommodation in rules, policies, practices, or services when such accommodation may be necessary to afford a person with a disability the equal opportunity to use and enjoy a program or dwelling under the program.

The PHA must ensure that persons with disabilities have full access to the PHA’s programs and services. This responsibility begins with the first contact by an interested family and continues through every aspect of the program [24 CFR 8].

The PHA must provide a notice to each tenant that the tenant may, at any time during the tenancy, request reasonable accommodation of a handicap of a household member, including reasonable accommodation so that the tenant can meet lease requirements or other requirements of tenancy [24 CFR 966.7(b)].

BHP Policy

The PHA will ask all applicants and resident families if they require any type of accommodations, in writing, on the intake application, reexamination documents, and notices of adverse action by the PHA, by including the following language:

“If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the housing authority.”

A specific position and phone number will be provided as the contact person for requests for accommodation for persons with disabilities.

The PHA will display posters and other housing information and signage in locations throughout the PHA’s office in such a manner as to be easily readable from a wheelchair.

In the case of notices of adverse actions by the PHA, the following language will be included:

“If your lease violations are the result of a disability, you have the right to request a reasonable accommodation. An accommodation is a plan or perhaps a change in policies, procedures, or processes that may help you meet the terms of your lease.”

2-II.B. DEFINITION OF REASONABLE ACCOMMODATION

A “reasonable accommodation” is a change, exception, or adjustment to a policy, practice or service that may be necessary for a person with a disability to have an equal opportunity to use and enjoy a dwelling, including public and common use spaces. Since policies and services may have a different effect on persons with disabilities than on other persons, treating persons with disabilities exactly the same as others will sometimes deny them an equal opportunity to use and enjoy a dwelling. [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]
Federal regulations stipulate that requests for accommodations will be considered reasonable if they do not create an "undue financial and administrative burden" for the PHA, or result in a “fundamental alteration” in the nature of the program or service offered. A fundamental alteration is a modification that alters the essential nature of a provider’s operations.

**Types of Reasonable Accommodations**

When it is reasonable (see definition above and Section 2-II.E), the PHA will modify normal procedures to accommodate the needs of a person with disabilities. Examples include but are not limited to:

- Permitting applications and reexaminations to be completed by mail
- Providing “large-print” forms
- Conducting home visits
- Permitting a higher utility allowance for the unit if a person with disabilities requires the use of specialized equipment related to the disability
- Modifying or altering a unit or physical system if such a modification or alteration is necessary to provide equal access to a person with a disability
- Installing a ramp into a dwelling or building
- Installing grab bars in a bathroom
- Installing visual fire alarms for hearing impaired persons
- Allowing a PHA-approved live-in aide to reside in the unit if that person is determined to be essential to the care of a person with disabilities, is not obligated for the support of the person with disabilities, and would not be otherwise living in the unit.
- Providing a designated handicapped-accessible parking space
- Allowing an assistance animal
- Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with PHA staff

**2-II.C. REQUEST FOR AN ACCOMMODATION**

If an applicant or participant indicates that an exception, change, or adjustment to a rule, policy, practice, or service is needed because of a disability, HUD requires that the PHA treat the information as a request for a reasonable accommodation, even if no formal request is made [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

The family must explain what type of accommodation is needed to provide the person with the disability full access to the PHA’s programs and services. In order to show that a requested accommodation may be necessary, there must be an identifiable relationship, or nexus, between the requested accommodation and the individual’s disability.

If the need for the accommodation is not readily apparent or known to the PHA, the family must explain the relationship between the requested accommodation and the disability. There must be
an identifiable connection, or nexus, between the requested accommodation and the individual’s disability.

**BHP Policy**

The PHA will encourage the family to make its request in writing using a reasonable accommodation request form. However, the PHA will consider the accommodation any time the family indicates that an accommodation is needed whether or not a formal written request is submitted.

**2-II.D. VERIFICATION OF DISABILITY**

The regulatory civil rights definition for persons with disabilities is provided in Exhibit 2-1 at the end of this chapter. The definition of a person with a disability for the purpose of obtaining a reasonable accommodation is much broader than the HUD definition of disability which is used for waiting list preferences and income allowances.

Before providing an accommodation, the PHA must determine that the person meets the definition of a person with a disability, and that the accommodation will enhance the family’s access to the PHA’s programs and services.

If a person’s disability is obvious or otherwise known to the PHA, and if the need for the requested accommodation is also readily apparent or known, no further verification will be required [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act].

If a family indicates that an accommodation is required for a disability that is not obvious or otherwise known to the PHA, the PHA must verify that the person meets the definition of a person with a disability, and that the limitations imposed by the disability require the requested accommodation.

When verifying a disability, the PHA will follow the verification policies provided in Chapter 7. All information related to a person’s disability will be treated in accordance with the confidentiality policies provided in Chapter 16 (Program Administration). In addition to the general requirements that govern all verification efforts, the following requirements apply when verifying a disability:

- Third-party verification must be obtained from an individual identified by the family who is competent to make the determination. A doctor or other medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual’s disability may provide verification of a disability [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act]. Verification of disability does not necessarily verify the relationship between the requested accommodation and the disability.

- The PHA must request only information that is necessary to evaluate the disability-related need for the accommodation. The PHA may not inquire about the nature or extent of any disability.

- Medical records will not be accepted or retained in the participant file.

- In the event that the PHA does receive confidential information about a person’s specific
diagnosis, treatment, or the nature or severity of the disability, the PHA will dispose of it. In place of the information, the PHA will note in the file that the disability and other requested information have been verified, the date the verification was received, and the name and address of the knowledgeable professional who sent the information [Notice PIH 2010-26].

2-II.E. APPROVAL/DENIAL OF A REQUESTED ACCOMMODATION [Joint Statement of the Departments of HUD and Justice: Reasonable Accommodations under the Fair Housing Act, Notice PIH 2010-26]

The PHA must approve a request for an accommodation if the following three conditions are met.

- The request was made by or on behalf of a person with a disability.
- There is a disability-related need for the accommodation.
- The requested accommodation is reasonable, meaning it would not impose an undue financial and administrative burden on the PHA, or fundamentally alter the nature of the PHA’s operations.

Requests for accommodations must be assessed on a case-by-case basis. The determination of undue financial and administrative burden must be made on a case-by-case basis involving various factors, such as the overall size of the PHA’s program with respect to the number of employees, type of facilities and size of budget, type of operation including composition and structure of workforce, the nature and cost of the requested accommodation, and the availability of alternative accommodations that would effectively meet the family’s disability-related needs.

Before making a determination whether to approve the request, the PHA may enter into discussion and negotiation with the family, request more information from the family, or may require the family to sign a consent form so that the PHA may verify the need for the requested accommodation.

**BHP Policy**

The PHA has an accommodation team that meets once per month to discuss all requests. Once the request has been discussed and a decision made by the team, the PHA will respond, in writing, within 10 business days.

If the PHA denies a request for an accommodation because there is no relationship, or nexus, found between the disability and the requested accommodation, the notice will inform the family of the right to appeal the PHA’s decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).

If the PHA denies a request for an accommodation because it is not reasonable (it would impose an undue financial and administrative burden or fundamentally alter the nature of the PHA’s operations), the PHA will discuss with the family whether an alternative accommodation could effectively address the family’s disability-related needs without a fundamental alteration to the public housing program and without imposing an undue financial and administrative burden.

If the PHA believes that the family has failed to identify a reasonable alternative
accommodation after interactive discussion and negotiation, the PHA will notify the family, in writing, of its determination within 10 business days from the date of the most recent discussion or communication with the family. The notice will inform the family of the right to appeal the PHA’s decision through an informal hearing (if applicable) or the grievance process (see Chapter 14).

2-II.F. PROGRAM ACCESSIBILITY FOR PERSONS WITH HEARING OR VISION IMPAIRMENTS

HUD regulations require the PHA to take reasonable steps to ensure that persons with disabilities related to hearing and vision have reasonable access to the PHA's programs and services [24 CFR 8.6].

At the initial point of contact with each applicant, the PHA shall inform all applicants of alternative forms of communication that can be used other than plain language paperwork.

**BHP Policy**

To meet the needs of persons with hearing impairments, TTD/TTY (text telephone display / teletype) communication will be available.

To meet the needs of persons with vision impairments, large-print and audio versions of key program documents will be made available upon request. When visual aids are used in public meetings or presentations, or in meetings with PHA staff, one-on-one assistance will be provided upon request.

Additional examples of alternative forms of communication are sign language interpretation; having material explained orally by staff; or having a third party representative (a friend, relative or advocate, named by the applicant) to receive, interpret and explain housing materials and be present at all meetings.

2-II.G. PHYSICAL ACCESSIBILITY

The PHA must comply with a variety of regulations pertaining to physical accessibility, including the following.

- Notice PIH 2010-26
- Section 504 of the Rehabilitation Act of 1973
- The Americans with Disabilities Act of 1990
- The Architectural Barriers Act of 1968
- The Fair Housing Act of 1988

The PHA’s policies concerning physical accessibility must be readily available to applicants and resident families. They can be found in three key documents.

- This policy, the Admissions and Continued Occupancy Policy, describes the key policies that govern the PHA’s responsibilities with regard to physical accessibility.
- Notice PIH 2010-26 summarizes the information about pertinent laws and implementing regulations related to non-discrimination and accessibility in federally-funded housing
The PHA Plan provides information about self-evaluation, needs assessment, and transition plans.

The design, construction, or alteration of PHA facilities must conform to the Uniform Federal Accessibility Standards (UFAS). Notice PIH 2010-26 contains specific information calculating the percentage of units for meeting UFAS requirements. Newly-constructed facilities must be designed to be readily accessible to and usable by persons with disabilities. Alterations to existing facilities must be accessible to the maximum extent feasible, defined as not imposing an undue financial and administrative burden on the operations of the public housing program.

2-II.H. DENIAL OR TERMINATION OF ASSISTANCE

A PHA’s decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation [24 CFR 966.7].

When applicants with disabilities are denied assistance, the notice of denial must inform them of their right to request an informal hearing [24 CFR 960.208(a)]. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal hearing process.

When a family’s lease is terminated, the notice of termination must inform the family of their right to request a hearing in accordance with the PHA’s grievance process [24 CFR 966.4(l)(3)(ii)].

When reviewing reasonable accommodation requests, the PHA must consider whether reasonable accommodation will allow the family to overcome the problem that led to the PHA’s decision to deny or terminate assistance. If a reasonable accommodation will allow the family to meet the requirements, the PHA must make the accommodation [24 CFR 966.7].

In addition, the PHA must provide reasonable accommodation for persons with disabilities to participate in the hearing process [24 CFR 966.56(h)].
PART III: IMPROVING ACCESS TO SERVICES FOR PERSONS WITH LIMITED ENGLISH PROFICIENCY (LEP)

2-III.A. OVERVIEW

Language for Limited English Proficiency Persons (LEP) can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the public housing program. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin. This part incorporates the Final Guidance to Federal Assistance Recipients Regarding Title VI Prohibition against National Origin Discrimination Affecting Limited English Proficient Persons, published January 22, 2007 in the Federal Register.

The PHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).

LEP persons are defined as persons who do not speak English as their primary language and who have a limited ability to read, write, speak or understand English. For the purposes of this Admissions and Continued Occupancy Policy, LEP persons are public housing applicants and resident families, and parents and family members of applicants and resident families.

In order to determine the level of access needed by LEP persons, the PHA will balance the following four factors: (1) the number or proportion of LEP persons eligible to be served or likely to be encountered by the public housing program; (2) the frequency with which LEP persons come into contact with the program; (3) the nature and importance of the program, activity, or service provided by the program to people’s lives; and (4) the resources available to the PHA and costs. Balancing these four factors will ensure meaningful access by LEP persons to critical services while not imposing undue burdens on the PHA.

2-III.B. ORAL INTERPRETATION

In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the PHA will generally offer, or ensure that the family is offered through other sources, competent interpretation services free of charge to the LEP person.

**BHP Policy**

The PHA will analyze the various kinds of contacts it has with the public, to assess language needs and decide what reasonable steps should be taken. “Reasonable steps” may not be reasonable where the costs imposed substantially exceed the benefits.

Where feasible, the PHA will train and hire bilingual staff to be available to act as interpreters and translators, will pool resources with other PHAs, and will standardize documents. Where feasible and possible, the PHA will encourage the use of qualified community volunteers.
Where LEP persons desire, they will be permitted to use, at their own expense, an interpreter of their own choosing, in place of or as a supplement to the free language services offered by the PHA. The interpreter may be a family member or friend.

2-III.C. WRITTEN TRANSLATION
Translation is the replacement of a written text from one language into an equivalent written text in another language.

BHP Policy
In order to comply with written-translation obligations, the PHA will take the following steps:

The PHA will provide written translations of vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

If there are fewer than 50 persons in a language group that reaches the 5 percent trigger, the PHA may not translate vital written materials, but will provide written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.

2-III.D. IMPLEMENTATION PLAN
After completing the four-factor analysis and deciding what language assistance services are appropriate, the PHA shall determine whether it is necessary to develop a written implementation plan to address the identified needs of the LEP populations it serves.

If the PHA determines that it is not necessary to develop a written implementation plan, the absence of a written plan does not obviate the underlying obligation to ensure meaningful access by LEP persons to the PHA’s public housing program and services.

BHP Policy
If it is determined that the PHA serves very few LEP persons, and the PHA has very limited resources, the PHA will not develop a written LEP plan, but will consider alternative ways to articulate in a reasonable manner a plan for providing meaningful access. Entities having significant contact with LEP persons, such as schools, grassroots and faith-based organizations, community groups, and groups working with new immigrants will be contacted for input into the process.

If the PHA determines it is appropriate to develop a written LEP plan, the following five steps will be taken: (1) Identifying LEP individuals who need language assistance; (2) identifying language assistance measures; (3) training staff; (4) providing notice to LEP persons; and (5) monitoring and updating the LEP plan.
EXHIBIT 2-1: DEFINITION OF A PERSON WITH A DISABILITY UNDER FEDERAL CIVIL RIGHTS LAWS [24 CFR Parts 8.3 and 100.201]

A person with a disability, as defined under federal civil rights laws, is any person who:

- Has a physical or mental impairment that substantially limits one or more of the major life activities of an individual, or
- Has a record of such impairment, or
- Is regarded as having such impairment

The phrase “physical or mental impairment” includes:

- Any physiological disorder or condition, cosmetic or disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or
- Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to: such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

“Major life activities” includes, but is not limited to, caring for oneself, performing manual tasks, walking, seeing, hearing, breathing, learning, and/or working.

“Has a record of such impairment” means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

“Is regarded as having an impairment” is defined as having a physical or mental impairment that does not substantially limit one or more major life activities but is treated by a public entity (such as the PHA) as constituting such a limitation; has none of the impairments defined in this section but is treated by a public entity as having such an impairment; or has a physical or mental impairment that substantially limits one or more major life activities, only as a result of the attitudes of others toward that impairment.

The definition of a person with disabilities does not include:

- Current illegal drug users
- People whose alcohol use interferes with the rights of others
- Persons who objectively pose a direct threat or substantial risk of harm to others that cannot be controlled with a reasonable accommodation under the public housing program

The above definition of disability determines whether an applicant or participant is entitled to any of the protections of federal disability civil rights laws. Thus, a person who does not meet this definition of disability is not entitled to a reasonable accommodation under federal civil rights laws.
and fair housing laws and regulations.

The HUD definition of a person with a disability is much narrower than the civil rights definition of disability. The HUD definition of a person with a disability is used for purposes of receiving the disabled family preference, the $400 elderly/disabled household deduction, the allowance for medical expenses, or the allowance for disability assistance expenses.

The definition of a person with a disability for purposes of granting a reasonable accommodation request is much broader than the HUD definition of disability. Many people will not qualify as a disabled person under the public housing program, yet an accommodation is needed to provide equal opportunity.
Chapter 3

ELIGIBILITY

INTRODUCTION

The PHA is responsible for ensuring that every individual and family admitted to the public housing program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. The family must provide any information needed by the PHA to confirm eligibility and determine the level of the family’s assistance.

To be eligible for the public housing program:

• The applicant family must:
  − Qualify as a family as defined by HUD and the PHA.
  − Have income at or below HUD-specified income limits.
  − Qualify on the basis of citizenship or the eligible immigrant status of family members.
  − Provide social security number information for household members as required.
  − Consent to the PHA’s collection and use of family information as provided for in PHA-provided consent forms.

• The PHA must determine that the current or past behavior of household members does not include activities that are prohibited by HUD or the PHA.

This chapter contains three parts:

  Part I: Definitions of Family and Household Members. This part contains HUD and PHA definitions of family and household members and explains initial and ongoing eligibility issues related to these members.

  Part II: Basic Eligibility Criteria. This part discusses income eligibility, and rules regarding citizenship, social security numbers, and family consent.

  Part III: Denial of Admission. This part covers factors related to an applicant’s past or current conduct (e.g. criminal activity) that can cause the PHA to deny admission.
PART I: DEFINITIONS OF FAMILY AND HOUSEHOLD MEMBERS

3-I.A. OVERVIEW
Some eligibility criteria and program rules vary depending upon the composition of the family requesting assistance. In addition, some requirements apply to the family as a whole and others apply to individual persons who will live in the public housing unit. This part provides information that is needed to correctly identify family and household members, and explain HUD's eligibility rules.

3-I.B. FAMILY AND HOUSEHOLD [24 CFR 5.403 and HUD-50058 IB, p. 13, FR Notice 02/03/12]
The terms family and household have different meanings in the public housing program.

**Family**
To be eligible for admission, an applicant must qualify as a family. Family as defined by HUD includes but is not limited to the following, regardless of actual or perceived sexual orientation, gender identity, or marital status, a single person, who may be an elderly person, disabled person, near-elderly person, or any other single person; or a group of persons residing together. Such group includes, but is not limited to a family with or without children (a child who is temporarily away from the home because of placement in foster care is considered a member of the family), an elderly family, a near-elderly family, a disabled family, a displaced family, or the remaining member of a tenant family. The PHA has the discretion to determine if any other group of persons qualifies as a family.

**Gender Identity** means actual or perceived gender characteristics.

**Sexual orientation** means homosexuality, heterosexuality, or bisexuality.

**BHP Policy**
A family also includes two or more individuals who are not related legally by marriage or civil union or common law, but claim to be in a marriage partnership.

Each family must identify the individuals to be included in the family at the time of application, and must notify the PHA if the family’s composition changes.

A household consisting exclusively of one or more full-time college students does not qualify as a family unless each individual in the household satisfies the following conditions:

The individual either must have established a household separate from his/her parents or legal guardians for at least one year prior to application for admission or must meet the U.S. Department of Education’s definition of independent student. They must be at least one of the following criteria:

- Be at least 24 years old by December 31 of the award year for which aid is sought
- Be married
• Have a child or other dependents that receive more than half their support from the student and also live with the student
• Be enrolled as a graduate or professional student (e.g. medicine, dentistry, law)
• Be a veteran of the U.S. military
• Be an orphan or ward of the court through age 18

The individual must not be claimed as a dependent by his/her parents or legal guardians pursuant to Internal Revenue Service (IRS) guidelines.

**Household**

*Household* is a broader term that includes additional people who, with the PHA’s permission, live in a public housing unit, such as live-in aides, foster children, and foster adults.

**3-I.C. FAMILY BREAK-UP AND REMAINING MEMBER OF TENANT FAMILY**

**Family Break-up**

**BHP Policy**

When a family on the waiting list breaks up into two otherwise eligible families, only one of the new families may retain the original application date. Other former family members may submit a new application with a new application date if the waiting list is open.

If a family breaks up into two otherwise eligible families while living in public housing, only one of the new families will retain occupancy of the unit.

If a court determines the disposition of property between members of an applicant or resident family as a part of a divorce or separation decree, the PHA will abide by the court's determination.

In the absence of a judicial decision or an agreement among the original family members, the PHA will determine which family will retain their placement on the waiting list, or continue in occupancy. In making its determination, the PHA will take into consideration the following factors: (1) the interest of any minor children, including custody arrangements, (2) the interest of any ill, elderly, or disabled family members, (3) the interest of any family member who is or has been the victim of domestic violence, dating violence, or stalking and provide documentation in accordance with Section 16-VII.D of this ACOP; (4) any possible risks to family members as a result of domestic violence or criminal activity, and (5) the recommendations of social service professionals.

**Remaining Member of a Tenant Family [24 CFR 5.403]**

The HUD definition of family includes the *remaining member of a tenant family*, which is a member of a resident family who remains in the unit when other members of the family have left the unit [PH Occupancy Guide, p. 26]. Household members such as live-in aides, foster children, and foster adults do not qualify as remaining members of a family. Remaining family members must qualify for the program.
If dependents are the only “remaining members of a tenant family” and there is no family member able to assume the responsibilities of the head of household, see Chapter 6, Section 6-I.B, for the policy on “Caretakers for a Child.”

3-I.D. HEAD OF HOUSEHOLD [24 CFR 5.504(b)]

*Head of household* means the adult member of the family who is considered the head for purposes of determining income eligibility and rent. The head of household is responsible for ensuring that the family fulfills all of its responsibilities under the program, alone or in conjunction with a cohead or spouse.

**BHP Policy**

The family may designate any qualified family member as the head of household.

The head of household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as head of household.

3-I.E. SPOUSE, COHEAD, AND OTHER ADULT

A family may have a spouse or cohead, but not both [HUD-50058 IB, p. 13].

*Spouse* means the marriage partner of the head of household.

**BHP Policy**

A *marriage partner* includes the partner in a "common law" marriage as defined in state law. The term “spouse” does not apply to friends, roommates, or significant others who are not marriage partners. A minor who is emancipated under state law and who is a marriage partner may be designated as a spouse.

*A cohead* is an individual in the household who is equally responsible with the head of household for ensuring that the family fulfills all of its responsibilities under the program, but who is not a spouse. A family can have only one cohead.

**BHP Policy**

Minors who are emancipated under state law may be designated as a cohead.

*Other adult* means a family member, other than the head, spouse, or cohead, who is 18 years of age or older. Foster adults and live-in aides are not considered other adults [HUD-50058 IB, p. 14].

3-I.F. DEPENDENT [24 CFR 5.603]

A *dependent* is a family member who is under 18 years of age or a person of any age who is a person with a disability or a full-time student, except that the following persons can never be dependents: the head of household, spouse, cohead, foster children/adults and live-in aides.
Joint Custody of Dependents

BHP Policy

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or resident family 50 percent or more of the time.

When more than one applicant or assisted family (regardless of program) are claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, an IRS income tax return showing which family has claimed the child for income tax purposes, school records, or other credible documentation.

3-I.G. FULL-TIME STUDENT [24 CFR 5.603]

A full-time student (FTS) is a person who is attending school or vocational training on a full-time basis. The time commitment or subject load that is needed to determine if attendance is full-time is defined by the educational institution.

Identifying each FTS is important because the earned income of such an FTS is treated differently from the income of other family members.

3-I.H. ELDERLY AND NEAR-ELDERLY PERSONS, AND ELDERLY FAMILY [24 CFR 5.100, 5.403, 945.105, and FR Notice 02/03/12]

Elderly Persons

An elderly person is a person who is at least 62 years of age.

Near-Elderly Persons

A near-elderly person is a person who is 50-61 years of age.

Elderly Family

An elderly family is one in which the head, spouse, cohead, or sole member is an elderly person. Identifying elderly families is important because these families may qualify for a particular type of development as noted in Chapter 4.

3-I.I. PERSONS WITH DISABILITIES AND DISABLED FAMILY [24 CFR 5.403, FR Notice 02/03/12]

Persons with Disabilities

Under the public housing program, special rules apply to persons with disabilities and to any family whose head, spouse, or cohead is a person with disabilities. The technical definitions of individual with handicaps and persons with disabilities are provided in Exhibit 3-1 at the end of this chapter. These definitions are used for a number of purposes including ensuring that persons with disabilities are not discriminated against based upon disability.
As discussed in Chapter 2, the PHA must make all aspects of the public housing program accessible to persons with disabilities and consider requests for reasonable accommodations when a person’s disability limits their full access to the unit, the program, or the PHA’s services.

**Disabled Family**

A disabled family is one in which the head, spouse, or cohead is a person with disabilities. Identifying disabled families is important because these families may qualify for a particular type of development as noted in Chapter 4.

Even though persons with drug or alcohol dependencies are considered persons with disabilities, this does not prevent the PHA from denying admission or taking action under the lease for reasons related to alcohol and drug abuse in accordance with the policies found in Part III of this chapter and in Chapter 13.

**3-I.J. GUESTS [24 CFR 5.100]**

A guest is defined as a person temporarily staying in the unit with the consent of a tenant or other member of the household who has expressed or implied authority to so consent on behalf of the tenant.

The lease must provide that the tenant has the right to exclusive use and occupancy of the leased unit by the members of the household authorized to reside in the unit in accordance with the lease, including reasonable accommodation of their guests [24 CFR 966.4(d)]. The head of household is responsible for the conduct of visitors and guests, inside the unit as well as anywhere on or near PHA premises [24 CFR 966.4(f)].

**BHP Policy**

A resident family must notify the PHA when overnight guests will be staying in the unit for more than 3 days. A guest can remain in the unit no longer than 14 consecutive days or a total of 28 cumulative calendar days during any 6 month period. The total of 28 cumulative calendar days applies to the total number of occurrences of guests staying overnight.

A family may request an exception to this policy for valid reasons (e.g., care of a relative recovering from a medical procedure expected to last 20 consecutive days). An exception will not be made unless the family can identify and provide documentation of the residence to which the guest will return.

Children who are subject to a joint custody arrangement or for whom a family has visitation privileges, that are not included as a family member because they live outside of the public housing unit more than 50 percent of the time, are not subject to the time limitations of guests as described above.

Former residents who have been evicted are not permitted as overnight guests.

Guests who represent the public housing unit address as their residence address or address of record for receipt of benefits or any other purposes will be considered unauthorized occupants. In addition, guests who remain in the unit beyond the allowable time limit will be considered to be unauthorized occupants, and their presence constitutes violation of the lease.
BHP reserves the right to ask guests to leave if they have a known criminal history, including but not limited to a felony charge, sex offense charge, no trespass order, restraining order, etc.

3-I.K. FOSTER CHILDREN AND FOSTER ADULTS

Foster adults are usually persons with disabilities, unrelated to the tenant family, who are unable to live alone [24 CFR 5.609(c)(2)].

The term foster child is not specifically defined by the regulations.

Foster children and foster adults who are living with an applicant or who have been approved by the PHA to live with a resident family are considered household members but not family members. The income of foster children/adults is not counted in family annual income [24 CFR 5.603 and HUD-50058 IB, pp. 13-14].

BHP Policy

A foster child is a child that is in the legal guardianship or custody of a state, county, or private adoption or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.

Children that are temporarily absent from the home as a result of placement in foster care are discussed in Section 3-I.L.

3-I.L. ABSENT FAMILY MEMBERS

Individually may be temporarily or permanently absent from the unit, for a variety of reasons including educational activities, placement in foster care, employment, and illness.

Definitions of Temporarily and Permanently Absent

BHP Policy

Generally an individual who is or is expected to be absent from the public housing unit for 90 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the public housing unit for more than 90 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

Absent Students

BHP Policy

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

Absences Due to Placement in Foster Care [24 CFR 5.403]

Children temporarily absent from the home as a result of placement in foster care are considered members of the family.
BHP Policy

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.

Absent Head, Spouse, or Cohead

BHP Policy

An employed head, spouse, or cohead absent from the unit more than 90 consecutive days due to employment will continue to be considered a family member.

Individuals Confined for Medical Reasons

BHP Policy

An individual confined to a nursing home or hospital on a permanent basis is not considered a family member.

The PHA will request verification of the family’s member permanent absence from a medical professional. If the responsible medical professional cannot provide a determination, the person will be considered temporarily absent. If the family certifies that the family member is confined on a permanent basis, they may present, and the PHA will consider, any additional documentation or evidence. An individual may be out of the house for more than 90 days and remain a member of the household, as long as a plan to return home has been communicated by a third-party.

Return of Permanently Absent Family Members

BHP Policy

The family must request PHA approval for the return of any adult family members that the PHA has previously determined to be permanently absent. The individual is subject to the eligibility and screening requirements discussed in this chapter.

3-I.M. LIVE-IN AIDE

A live-in aide is a person who resides with one or more elderly persons, or near-elderly persons, or persons with disabilities, and who: (1) is determined to be essential to the care and well-being of the person(s), (2) is not obligated for the support of the person(s), and (3) would not be living in the unit except to provide the necessary supportive services [24 CFR 5.403].

The PHA must approve a live-in aide if needed as a reasonable accommodation for a person with disabilities in accordance with 24 CFR 8.

A live-in aide is considered a household member, but not a family member. The income of the live-in aide is not counted in determining the annual income of the family[24 CFR 5.609(c)(5)]. Relatives may be approved as live-in aides if they meet all of the criteria defining a live-in aide. Because live-in aides are not family members, a relative who serves as a live-in aide would not be considered a remaining member of a tenant family.
BHP Policy

A family’s request for a live-in aide must be made in writing. The PHA will verify the need for a live-in aide with a reliable, knowledgeable professional provided by the family, such as a doctor, social worker, or case worker. For continued approval, the family must submit a new, written request—subject to PHA verification—at each regularly scheduled reexamination.

In addition, the family and live-in aide will be required to submit a certification stating that the live-in aide is (1) not obligated for the support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.

The PHA has the discretion not to approve a particular person as a live-in aide, and may withdraw such approval, if [24 CFR 966.4(d)(3)(i)]:

- The person commits fraud, bribery or any other corrupt or criminal act in connection with any federal housing program;
- The person has a history of drug-related criminal activity or violent criminal activity; or
- The person currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

The PHA will notify the family of its decision in writing within 10 business days of receiving a request for a live-in aide, including all required documentation related to the request.
PART II: BASIC ELIGIBILITY CRITERIA

3-II.A. INCOME ELIGIBILITY AND TARGETING

Income Limits

HUD establishes income limits for all areas of the country and publishes them annually in the Federal Register. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

Definitions of the Income Limits [24 CFR 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed 30 percent of the median income for the area, adjusted for family size. (Used for income targeting only, not program eligibility.)

HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR 960.201]

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. In order to be income eligible, an applicant's annual income must be within the low-income limit.

Using Income Limits for Targeting [24 CFR 960.202(b)]

At least 40 percent of the families admitted from the PHA waiting list to the public housing program during a PHA fiscal year must be extremely low-income families. This is called the “basic targeting requirement”.

If admissions of extremely low-income families to the PHA’s housing choice voucher program during a PHA fiscal year exceed the 75 percent minimum targeting requirement for that program, such excess shall be credited against the PHA’s public housing basic targeting requirement for the same fiscal year.

The fiscal year credit for housing choice voucher program admissions that exceed the minimum voucher program targeting requirement must not exceed the lower of:

- Ten percent of public housing waiting list admissions during the PHA fiscal year
- Ten percent of waiting list admission to the PHA’s housing choice voucher program during the PHA fiscal year
- The number of qualifying low-income families who commence occupancy during the fiscal year of public housing units located in census tracts with a poverty rate of 30 percent or
more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

For discussion of how income targeting is used in tenant selection, see Chapter 4.

3-II.B. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5, Subpart E]

Housing assistance is available only to individuals who are U.S. citizens, U.S. nationals (herein referred to as citizens and nationals), or noncitizens that have eligible immigration status. At least one family member must be a citizen, national, or noncitizen with eligible immigration status in order for the family to qualify for any level of assistance.

All applicant families must be notified of the requirement to submit evidence of their citizenship status when they apply. Where feasible, and in accordance with the PHA’s Limited English Proficiency Plan, the notice must be in a language that is understood by the individual if the individual is not proficient in English.

Declaration [24 CFR 5.508]

HUD requires each family member to declare whether the individual is a citizen, a national, or an eligible noncitizen, except those members who elect not to contend that they have eligible immigration status. Those who elect not to contend their status are considered to be ineligible noncitizens. For citizens, nationals and eligible noncitizens the declaration must be signed personally by the head, spouse, cohead, and any other family member 18 or older, and by a parent or guardian for minors. The family must identify in writing any family members who elect not to contend their immigration status (see Ineligible Noncitizens below). No declaration is required for live-in aides, foster children, or foster adults.

U.S. Citizens and Nationals

In general, citizens and nationals are required to submit only a signed declaration as verification of their status. However, HUD regulations permit the PHA to request additional documentation of their status, such as a passport.

**BHP Policy**

Family members who declare citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual’s declaration may not be accurate.

**Eligible Noncitizens**

In addition to providing a signed declaration, those declaring eligible noncitizen status must sign a verification consent form and cooperate with PHA efforts to verify their immigration status as described in Chapter 7. The documentation required for establishing eligible noncitizen status varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, the person’s age, and the date on which the family began receiving HUD-funded assistance.

Lawful residents of the Marshall Islands, the Federated States of Micronesia, and Palau, together known as the Freely Associated States, or FAS, are eligible for housing assistance under section 141 of the Compacts of Free Association between the U.S. Government and the Governments of the FAS [Public Law 106-504].
**Ineligible Noncitizens**

Those noncitizens who do not wish to contend their immigration status are required to have their names listed on a noncontending family members listing, signed by the head, spouse, or cohead (regardless of citizenship status), indicating their ineligible immigration status. The PHA is not required to verify a family member’s ineligible status and is not required to report an individual’s unlawful presence in the U.S. to the United States Citizenship and Immigration Services (USCIS).

Providing housing assistance to noncitizen students is prohibited [24 CFR 5.522]. This prohibition extends to the noncitizen spouse of a noncitizen student as well as to minor children who accompany or follow to join the noncitizen student. Such prohibition does not extend to the citizen spouse of a noncitizen student or to the children of the citizen spouse and noncitizen student. Such a family is eligible for prorated assistance as a mixed family.

**Mixed Families**

A family is eligible for admission as long as at least one member is a citizen, national, or eligible noncitizen. Families that include eligible and ineligible individuals are considered *mixed families*. Such families will be given notice that their assistance will be calculated differently based on MTW Activity 2014-2, and that they may request a hearing if they contest this determination. See Chapter 6 for a discussion of how rents are calculated, and Chapter 14 for a discussion of informal hearing procedures.

**Ineligible Families [24 CFR 5.514(d), (e), and (f)]**

A PHA may elect to provide assistance to a family before the verification of the eligibility of the individual or one family member [24 CFR 5.512(b)]. Otherwise, no individual or family may be assisted prior to the affirmative establishment by the PHA that the individual or at least one family member is eligible [24 CFR 5.512(a)].

**BHP Policy**

The PHA will not provide assistance to a family before the verification of at least one family member as a citizen, national, or eligible noncitizen.

When a PHA determines that an applicant family does not include any citizens, nationals, or eligible noncitizens, following the verification process, the family will be sent a written notice within 10 business days of the determination.

The notice will explain the reasons for the denial of assistance and will advise the family of its right to request an appeal to the United States Citizenship and Immigration Services (USCIS), or to request an informal hearing with the PHA. The informal hearing with the PHA may be requested in lieu of the USCIS appeal, or at the conclusion of the USCIS appeal process. The notice must also inform the applicant family that assistance may not be delayed until the conclusion of the USCIS appeal process, but that it may be delayed pending the completion of the informal hearing process.

Informal hearing procedures are contained in Chapter 14.

**Timeframe for Determination of Citizenship Status [24 CFR 5.508(g)]**

For new occupants joining the resident family the PHA must verify status at the first interim or regular reexamination following the person’s occupancy, whichever comes first.
If an individual qualifies for a time extension for the submission of required documents, the PHA must grant such an extension for no more than 30 days [24 CFR 5.508(h)].

Each family member is required to submit evidence of eligible status only one time during continuous occupancy.

**BHP Policy**

The PHA will verify the citizenship status of applicants at the time other eligibility factors are determined.

3-II.C. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and 5.218, Notice PIH 2012-10]

The applicant and all members of the applicant’s household family must provide documentation of a valid Social Security Number (SSN) or a certification stating that no SSN has been issued. If a household member who is required to execute a certification is less than 18 years old, the certification must be executed by the individual’s parent or guardian [24 CFR 5.216(j)]. Assistance cannot be provided to a family until all SSN documentation requirements are met. A detailed discussion of acceptable documentation is provided in Chapter 7.

If a new member is added to the family, the new member’s SSN documentation must be submitted at the household’s next interim or regular reexamination, whichever comes first. If any member of the household obtains a previously undisclosed SSN, or has been assigned a new SSN, the documentation must be submitted at the family’s next regularly scheduled reexamination.

The PHA must deny assistance to an applicant family if they do not meet the SSN disclosure, documentation and verification, and certification requirements contained in 24 CFR 5.216.

3-II.D. FAMILY CONSENT TO RELEASE OF INFORMATION [24 CFR 5.230]

HUD requires each adult family member, and the head of household, spouse, or cohead, regardless of age, to sign form HUD-9886, Authorization for the Release of Information/Privacy Act Notice, and other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance. Chapter 7 provides detailed information concerning the consent forms and verification requirements.

The PHA must deny admission to the program if any member of the applicant family fails to sign and submit consent forms which allow the PHA to obtain information that the PHA has determined is necessary in administration of the public housing program [24 CFR 960.259(a) and (b)].
PART III: DENIAL OF ADMISSION

3-III.A. OVERVIEW
A family that does not meet the eligibility criteria discussed in Parts I and II, must be denied admission.

In addition, HUD requires or permits the PHA to deny admission based on certain types of current or past behaviors of family members as discussed in this part. The PHA’s authority in this area is limited by the Violence against Women Reauthorization Act of 2005 (VAWA), which expressly prohibits the denial of admission to an otherwise qualified applicant on the basis that the applicant is or has been the victim of domestic violence, dating violence, or stalking. [24 CFR 5.2005]

This part covers the following topics:
- Required denial of admission
- Other permitted reasons for denial of admission
- Screening
- Criteria for deciding to deny admission
- Prohibition against denial of admission to victims of domestic violence, dating violence, or stalking
- Notice of eligibility or denial

3-III.B. REQUIRED DENIAL OF ADMISSION [24 CFR 960.204]

PHAs are required to establish standards that prohibit admission of an applicant to the public housing program if they have engaged in certain criminal activity or if the PHA has reasonable cause to believe that a household member’s current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

Where the statute requires that the PHA prohibit admission for a prescribed period of time after some disqualifying behavior or event, the PHA may choose to continue that prohibition for a longer period of time [24 CFR 960.203(c)(3)(ii)].

HUD requires the PHA to deny assistance in the following cases:
- Any member of the household has been evicted from federally-assisted housing in the last 5 years for drug-related criminal activity. HUD permits but does not require the PHA to admit an otherwise-eligible family if the household member has completed a PHA-approved drug rehabilitation program or the circumstances which led to eviction no longer exist (e.g. the person involved in the criminal activity no longer lives in the household).

  BHP Policy

  The PHA will admit an otherwise-eligible family who was evicted from federally-assisted housing within the past 5 years for drug-related criminal activity, if the PHA is able to verify that the household member who engaged in the criminal activity has
completed a supervised drug rehabilitation program approved by the PHA, or the person who committed the crime is no longer living in the household.

- The PHA determines that any household member is currently engaged in the use of illegal drugs. *Drug* means a controlled substance as defined in section 102 of the Controlled Substances Act [21 U.S.C. 802]. *Currently engaged in the illegal use of a drug* means a person has engaged in the behavior recently enough to justify a reasonable belief that there is continuing illegal drug use by a household member [24 CFR 960.205(b)(1)].

**BHP Policy**

*Currently engaged in* is defined as any use of illegal drugs during the previous six months.

- The PHA has reasonable cause to believe that any household member's current use or pattern of use of illegal drugs, or current abuse or pattern of abuse of alcohol, may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

**BHP Policy**

In determining reasonable cause, the PHA will consider all credible evidence, including but not limited to, any record of convictions, arrests, or evictions of household members related to the use of illegal drugs or the abuse of alcohol. A conviction will be given more weight than an arrest. The PHA will also consider evidence from treatment providers or community-based organizations providing services to household members.

- Any household member has ever been convicted of drug-related criminal activity for the production or manufacture of methamphetamine in any location, not just federally assisted housing.

- Any household member is subject to a lifetime registration requirement under a state sex offender registration program.

**BHP Policy**

As long as a sex offender is required to be registered on any state list, the applicant will be denied housing.

### 3-III.C. OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION

HUD permits, but does not require the PHA to deny admission for the reasons discussed in this section.

**Criminal Activity [24 CFR 960.203 (c)]**

The PHA is responsible for screening family behavior and suitability for tenancy. In doing so, the PHA may consider an applicant’s history of criminal activity involving crimes of physical violence to persons or property and other criminal acts which would adversely affect the health, safety or welfare of other tenants.

**BHP Policy**

If any household member is currently engaged in, or has engaged in any of the following criminal activities, within the past five years, the family will be denied admission.
Drug-related criminal activity, defined by HUD as the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug [24 CFR 5.100].

Violent criminal activity, defined by HUD as any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage [24 CFR 5.100].

Criminal activity that may threaten the health, safety, or welfare of other tenants [24 CFR 960.203(c)(3)].

Criminal activity that may threaten the health or safety of PHA staff, contractors, subcontractors, or agents.

Criminal sexual conduct, including but not limited to sexual assault, incest, open and gross lewdness, or child abuse.

Evidence of such criminal activity includes, but is not limited to:

- Any conviction for drug-related or violent criminal activity within the past 5 years.
- Any arrests for drug-related or violent criminal activity within the past 5 years.
- Any record of eviction from public or privately-owned housing as a result of criminal activity within the past 5 years.

A conviction for drug-related or violent criminal activity will be given more weight than an arrest for such activity. In making its decision to deny assistance, the PHA will consider the factors discussed in Sections 3-III.E and 3-III.F. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny assistance.

Previous Behavior [960.203(c) and (d) and PH Occ GB, p. 48]

HUD authorizes the PHA to deny admission based on relevant information pertaining to the family’s previous behavior and suitability for tenancy.

In the event of the receipt of unfavorable information with respect to an applicant, the PHA must consider the time, nature, and extent of the applicant’s conduct (including the seriousness of the offense). As discussed in Section 3-III.F, the PHA may also need to consider whether the cause of the unfavorable information may be that the applicant is the victim of domestic violence, dating violence, or stalking.

BHP Policy

The PHA will deny admission to an applicant family if the PHA determines that the family:

- Has not provided information that the PHA or HUD determines is necessary in the administration of the program.
- Has not provided complete and true information to the PHA
- Has a pattern of unsuitable past performance in meeting financial obligations, including rent within the past five years
Has a pattern of disturbance of neighbors, destruction of property, or living or housekeeping habits at prior residences within the past five years which may adversely affect the health, safety, or welfare of other tenants

Has evicted from housing or termination from residential programs within the past five years (considering relevant circumstances)

Owes rent or other amounts to this or any other PHA or owner in connection with any assisted housing program or any other landlord

Misrepresented or does not provide complete information related to eligibility, including income, award of preferences for admission, expenses, family composition or rent

Has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program

Has engaged in or threatened violent or abusive behavior toward PHA personnel

*Abusive or violent behavior towards PHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.

*Threatening* refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

Has been incarcerated for the previous five years

The family is currently being housed in another federally subsidized program through BHP and has not completed the first 12-month lease in that program.

The household’s total assets are more than $50,000. (MTW Activity 2012-4). If the household meets all of the following criteria, they may qualify for an exception:

- Household is elderly or a person with disabilities.
- They do not own a home or other real estate.
- Their assets only include money in a bank (savings, CDs, money market) account.
- They plan to use the asset for assisted living in future years.
- They are currently living on no income or a fixed income.

In making its decision to deny admission, the PHA will consider the factors discussed in Sections 3-III.E and 3-III.F. Upon consideration of such factors, the PHA may, on a case-by-case basis, decide not to deny admission.

The PHA will consider the existence of mitigating factors, such as loss of employment or other financial difficulties, before denying admission to an applicant based on the failure to meet prior financial obligations.
3-III.D. SCREENING

Screening for Eligibility

PHAs are authorized to obtain criminal conviction records from law enforcement agencies to screen applicants for admission to the public housing program. This authority assists the PHA in complying with HUD requirements and PHA policies to deny assistance to applicants who are engaging in or have engaged in certain criminal activities. In order to obtain access to the records the PHA must require every applicant family to submit a consent form signed by each adult household member [24 CFR 5.903].

The PHA may not pass along to the applicant the costs of a criminal records check [24 CFR 960.204(d)].

**BHP Policy**

The PHA will perform criminal background checks through local law enforcement for all adult household members.

If the results of the criminal background check indicate there may have been past criminal activity, but the results are inconclusive, the PHA may request a fingerprint card and may request information from the National Crime Information Center (NCIC).

PHAs are required to perform criminal background checks necessary to determine whether any household member is subject to a lifetime registration requirement under a state sex offender program in the state where the housing is located, as well as in any other state where a household member is known to have resided [24 CFR 960.204(a)(4)].

**BHP Policy**

The PHA will use the Dru Sjodin National Sex Offender database to screen applicants for admission.

Additionally, PHAs must ask whether the applicant, or any member of the applicant’s household, is subject to a lifetime registered sex offender registration requirement in any state [Notice PIH 2012-28].

If the PHA proposes to deny admission based on a criminal record or on lifetime sex offender registration information, the PHA must notify the household of the proposed action and must provide the subject of the record and the applicant a copy of the record and an opportunity to dispute the accuracy and relevance of the information prior to a denial of admission [24 CFR 5.903(f) and 5.905(d)].

**Obtaining Information from Drug Treatment Facilities [24 CFR 960.205]**

HUD authorizes PHAs to request and obtain information from drug abuse treatment facilities concerning applicants. Specifically, the PHA may require each applicant to submit for all household members who are at least 18 years of age, and for each family head, spouse, or cohead regardless of age, one or more consent forms signed by such household members that requests any drug abuse treatment facility to inform the PHA whether the drug abuse treatment facility has reasonable cause to believe that the household member is currently engaging in illegal drug use.
**Drug Abuse Treatment Facility** means an entity that holds itself out as providing, and provides, diagnosis, treatment, or referral for treatment with respect to the illegal drug use, and is either an identified unit within a general care facility, or an entity other than a general medical care facility.

**Currently engaging in illegal use of a drug** means illegal use of a drug that occurred recently enough to justify a reasonable belief that there is continuing illegal drug use by a household member.

Any consent form used for the purpose of obtaining information from a drug abuse treatment facility to determine whether a household member is currently engaging in illegal drug use must expire automatically after the PHA has made a final decision to either approve or deny the admission of such person.

Any charges incurred by the PHA for information provided from a drug abuse treatment facility may not be passed on to the applicant or tenant.

The PHA chooses to obtain such information from drug abuse treatment facilities; it has adopted the following policy.

The PHA must submit a request for information only for certain household members, whose criminal record indicates prior arrests or conviction for any criminal activity that may be a basis for denial of admission or whose prior tenancy records indicate that the proposed household member engaged in destruction of property or violent activity against another person, or they interfered with the right of peaceful enjoyment of the premises of other residents.

If the PHA chooses to obtain such information, it must abide by the HUD requirements for records management and confidentiality as described in 24 CFR 960.205(f).

**BHP Policy**

The PHA will obtain information from drug abuse treatment facilities to determine whether any applicant family’s household members are currently engaging in illegal drug activity only when the PHA has determined that the family will be denied admission based on a family member’s drug-related criminal activity, and the family claims that the culpable family member has successfully completed a supervised drug or alcohol rehabilitation program.

**Screening for Suitability as a Tenant [24 CFR 960.203(c)]**

The PHA is responsible for the screening and selection of families to occupy public housing units. The PHA may consider all relevant information. Screening is important to public housing communities and program integrity, and to ensure that assisted housing is provided to those families that will adhere to lease obligations.

**BHP Policy**

The PHA will consider the family’s history with respect to the following factors:

- Payment of rent and utilities
- Caring for a unit and premises
- Respecting the rights of other residents to the peaceful enjoyment of their housing
- Criminal activity that is a threat to the health, safety, or property of others
Behavior of all household members as related to the grounds for denial as detailed in Sections 3-III. B and C

Compliance with any other essential conditions of tenancy

**Resources Used to Check Applicant Suitability [PH Occ GB, pp. 47-56]**

PHAs have a variety of resources available to them for determination of the suitability of applicants. Generally, PHAs should reject applicants who have recent behavior that would warrant lease termination for a public housing resident.

**BHP Policy**

In order to determine the suitability of applicants the PHA will examine applicant history for the past five years. Such background checks may include:

*Past Performance in Meeting Financial Obligations, Especially Rent*

PHA and landlord references for the past two years, gathering information about past performance meeting rental obligations such as rent payment record, late payment record, whether the PHA/landlord ever began or completed lease termination for non-payment, and whether utilities were ever disconnected in the unit. PHAs and landlords will be asked if they would rent to the applicant family again.

Utility company references covering the monthly amount of utilities, late payment, disconnection, return of a utility deposit and whether the applicant can get utilities turned on in his/her name. (Use of this inquiry will be reserved for applicants applying for units where there are tenant-paid utilities.)

If an applicant has no rental payment history the PHA will check court records of eviction actions and other financial judgments, and credit reports. A lack of credit history will not disqualify someone from becoming a public housing resident, but a poor credit rating may.

Applicants with no rental payment history will also be asked to provide the PHA with personal references. The references will be requested to complete a verification of the applicant’s ability to pay rent if no other documentation of ability to meet financial obligations is available. The applicant may also be required to complete a checklist documenting their ability to meet financial obligations.

If previous landlords or the utility company do not respond to requests from the PHA, the applicant may either provide other documentation that demonstrates their ability to meet financial obligations (e.g. rent receipts, cancelled checks, etc.) or sign an affidavit outlining their ability to meet the financial obligations required of them.

*Disturbances of Neighbors, Destruction of Property or Living or Housekeeping Habits at Prior Residences that May Adversely Affect Health, Safety, or Welfare of Other Tenants, or Cause Damage to the Unit or the Development*
PHA and landlord references for the past two years, gathering information on whether the applicant kept a unit clean, safe and sanitary; whether they violated health or safety codes; whether any damage was done by the applicant to a current or previous unit or the development, and, if so, how much the repair of the damage cost; whether the applicant’s housekeeping caused insect or rodent infestation; and whether the neighbors complained about the applicant or whether the police were ever called because of disturbances.

Police and court records within the past five years will be used to check for any evidence of disturbance of neighbors or destruction of property that might have resulted in arrest or conviction.

A personal reference will be requested to complete a verification of the applicant’s ability to care for the unit and avoid disturbing neighbors if no other documentation is available. In these cases, the applicant will also be required to complete a checklist documenting their ability to care for the unit and to avoid disturbing neighbors.

Home visits may be used to determine the applicant’s ability to care for the unit.

3-III.E. CRITERIA FOR DECIDING TO DENY ADMISSION

Evidence

BHP Policy
The PHA will use the preponderance of the evidence as the standard for making all admission decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Consideration of Circumstances [24 CFR 960.203(c)(3) and (d)]

HUD authorizes the PHA to consider all relevant circumstances when deciding whether to deny admission based on a family’s past history except in the situations for which denial of admission is mandatory (see Section 3-III.B).

In the event the PHA receives unfavorable information with respect to an applicant, consideration must be given to the time, nature, and extent of the applicant’s conduct (including the seriousness of the offense). In a manner consistent with its policies, PHAs may give consideration to factors which might indicate a reasonable probability of favorable future conduct.

BHP Policy
The PHA will consider the following factors prior to making its decision:
The seriousness of the case, especially with respect to how it would affect other residents

The effects that denial of admission may have on other members of the family who were not involved in the action or failure

The extent of participation or culpability of individual family members, including whether the culpable family member is a minor or a person with disabilities, or (as discussed further in section 3-III.F) a victim of domestic violence, dating violence, or stalking.

The length of time since the violation occurred, the family’s recent history and the likelihood of favorable conduct in the future

Evidence of the applicant family’s participation in or willingness to participate in social service or other appropriate counseling service programs

In the case of drug or alcohol abuse, whether the culpable household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program or has otherwise been rehabilitated successfully

The PHA will require the applicant to submit evidence of the household member’s current participation in or successful completion of a supervised drug or alcohol rehabilitation program, or evidence of otherwise having been rehabilitated successfully.

**Removal of a Family Member's Name from the Application**

Should the PHA’s screening process reveal that an applicant’s household includes an individual subject to state lifetime registered sex offender registration; the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must deny admission to the family [Notice PIH 2012-28].

For other criminal activity, the PHA may permit the family to exclude the culpable family members as a condition of eligibility. [24 CFR 960.203(c)(3)(i)]. **BHP Policy**

As a condition of receiving assistance, a family may agree to remove the culpable family member from the application. In such instances, the head of household must certify that the family member will not be permitted to visit, stay as a guest, or reside in the public housing unit.

After admission to the program, the family must present evidence of the former family member’s current address upon PHA request.

**Reasonable Accommodation [PH Occ GB, pp. 58-60]**

If the family includes a person with disabilities, the PHA’s decision concerning denial of admission is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

**BHP Policy**

If the family indicates that the behavior of a family member with a disability is the reason for the proposed denial of admission, the PHA will determine whether the behavior is
related to the stated disability. If so, upon the family’s request, the PHA will determine whether admitting the family as a reasonable accommodation is appropriate. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed denial of admission. See Chapter 2 for a discussion of reasonable accommodation.
3-III.F. PROHIBITION AGAINST DENIAL OF ASSISTANCE TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING

The Violence against Women Act of 2005 (VAWA) and the HUD regulation at 24 CFR 5.2005(b) prohibit PHAs from denying admission to an otherwise qualified applicant on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking.

Definitions of key terms used in VAWA are provided in section 16-VII of this ACOP, where general VAWA requirements and policies pertaining to notification, documentation, and confidentiality are also located.

Notification

BHP Policy
The PHA acknowledges that a victim of domestic violence, dating violence, or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant denial under the PHA’s policies. Therefore, if the PHA makes a determination to deny admission to an applicant family, the PHA will include in its notice of denial information about the protection against denial provided by VAWA in accordance with section 16-VII.C of this ACOP and will request that an applicant wishing to claim this protection notify the PHA within 10 business days.

Documentation

Victim Documentation [24 CFR 5.2007]

BHP Policy
If an applicant claims the protection against denial of admission that VAWA provides to victims of domestic violence, dating violence, or stalking, the PHA will request in writing that the applicant provide documentation supporting the claim in accordance with section 16-VII.D of this ACOP.

Perpetrator Documentation

BHP Policy
If the perpetrator of the abuse is a member of the applicant family, the applicant must provide additional documentation consisting of one of the following:

A signed statement (1) requesting that the perpetrator be removed from the application and (2) certifying that the perpetrator will not be permitted to visit or to stay as a guest in the public housing unit

Documentation that the perpetrator has successfully completed, or is successfully undergoing, rehabilitation or treatment. The documentation must be signed by an employee or agent of a domestic violence service provider or by a medical or other knowledgeable professional from whom the perpetrator has sought or is receiving assistance in addressing the abuse. The signer must attest under penalty
of perjury to his or her belief that the rehabilitation was successfully completed or is progressing successfully. The victim and perpetrator must also sign or attest to the documentation.

3-III.G. NOTICE OF ELIGIBILITY OR DENIAL

The PHA will notify an applicant family of its final determination of eligibility in accordance with the policies in Section 4-III.E.

If the PHA determines that a family is not eligible for the program for any reason, the family must be notified promptly. The notice must describe: (1) the reasons for which assistance has been denied, (2) the family’s right to an informal review, and (3) the process for obtaining the informal review [24 CFR 982.554 (a)]. See Chapter 16, for informal review policies and procedures.

**BHP Policy**

The family will be notified of a decision to deny assistance in writing within 10 business days of the determination.

If a PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. In addition, a copy of the record must be provided to the subject of the record [24 CFR 5.903(f) and 5.905(d)].

**BHP Policy**

If, based on a criminal record or sex offender registration information an applicant family appears to be ineligible, the PHA will notify the family in writing of the proposed denial and provide a copy of the record to the applicant and to the subject of the record. The family will be given 10 business days to dispute the accuracy and relevance of the information. If the family does not contact the PHA to dispute the information within that 10 day period, the PHA will proceed with issuing the notice of denial of admission. A family that does not exercise their right to dispute the accuracy of the information prior to issuance of the official denial letter will still be given the opportunity to do so as part of the informal hearing process.

Notice requirements related to denying admission to noncitizens are contained in Section 3-II.B. Notice policies related to denying admission to applicants who may be victims of domestic violence, dating violence, or stalking are contained in Section 3-III.F.
EXHIBIT 3-1: DETAILED DEFINITIONS RELATED TO DISABILITIES

Person with Disabilities [24 CFR 5.403]

The term *person with disabilities* means a person who has any of the following types of conditions.

- Has a disability, as defined in 42 U.S.C. Section 423(d)(1)(A), which reads:
  
  Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than 12 months

  In the case of an individual who has attained the age of 55 and is blind (within the meaning of “blindness” as defined in section 416(i)(1) of this title), inability by reason of such blindness to engage in substantial gainful activity, requiring skills or ability comparable to those of any gainful activity in which he has previously engaged with some regularity and over a substantial period of time.

- Has a developmental disability as defined in the Developmental Disabilities Assistance and Bill of Rights Act of 2000 [42 U.S.C.15002(8)], which defines developmental disability in functional terms as follows:

  (A) IN GENERAL – The term *developmental disability* means a severe, chronic disability of an individual that-

  (i) is attributable to a mental or physical impairment or combination of mental and physical impairments;

  (ii) is manifested before the individual attains age 22;

  (iii) is likely to continue indefinitely;

  (iv) results in substantial functional limitations in 3 or more of the following areas of major life activity: (I) self-care, (II) receptive and expressive language, (III) learning, (IV) mobility, (V) self-direction, (VI) capacity for independent living, (VII) economic self-sufficiency; and

  (v) reflects the individual’s need for a combination and sequence of special, interdisciplinary, or generic services, individualized supports, or other forms of assistance that are of lifelong or extended duration and are individually planned and coordinated.

  (B) INFANTS AND YOUNG CHILDREN – An individual from birth to age 9, inclusive, who has a substantial developmental delay or specific congenital or acquired condition, may be considered to have a developmental disability without meeting 3 or more of the criteria described in clauses (i) through (v) of subparagraph (A) if the individual, without services and supports, has a high probability of meeting those criteria later in life.

- Has a physical, mental, or emotional impairment that is expected to be of long-continued and indefinite duration; substantially impedes his or her ability to live independently, and is of such a nature that the ability to live independently could be improved by more suitable housing conditions.
People with the acquired immunodeficiency syndrome (AIDS) or any conditions arising from the etiologic agent for AIDS are not excluded from this definition.

A person whose disability is based solely on any drug or alcohol dependence does not qualify as a person with disabilities for the purposes of this program.

For purposes of reasonable accommodation and program accessibility for persons with disabilities, the term person with disabilities refers to an individual with handicaps.

**Individual with Handicaps [24 CFR 8.3]**

*Individual with handicaps* means any person who has a physical or mental impairment that substantially limits one or more major life activities; has a record of such an impairment; or is regarded as having such an impairment. The term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

As used in this definition, the phrase:

1. **Physical or mental impairment includes:**
   
   (a) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine

   (b) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term physical or mental impairment includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

2. **Major life activities means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.**

3. **Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.**

4. **Is regarded as having an impairment means:**
   
   (a) Has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation

   (b) Has a physical or mental impairment that substantially limits one or more major life activities only as a result of the attitudes of others toward such impairment

   (c) Has none of the impairments defined in paragraph (a) of this section but is treated by a recipient as having such an impairment
INTRODUCTION

When a family wishes to reside in public housing, the family must submit an application that provides the PHA with the information needed to determine the family’s eligibility. HUD requires the PHA to place all eligible families that apply for public housing on a waiting list. When a unit becomes available, the PHA must select families from the waiting list in accordance with HUD requirements and PHA policies as stated in its Admissions and Continued Occupancy Policy (ACOP) and its annual plan.

The PHA is required to adopt clear policies and procedures for accepting applications, placing families on the waiting list, and selecting families from the waiting list, and must follow these policies and procedures consistently. The actual order in which families are selected from the waiting list can be affected if a family has certain characteristics designated by HUD or the PHA that justify their selection. Examples of this are the selection of families for income targeting and the selection of families that qualify for targeted funding.

HUD regulations require that the PHA comply with all equal opportunity requirements and it must affirmatively further fair housing goals in the administration of the program [24 CFR 960.103, PH Occ GB p. 13]. Adherence to the selection policies described in this chapter ensures that the PHA will be in compliance with all relevant fair housing requirements, as described in Chapter 2.

This chapter describes HUD and PHA policies for accepting applications, managing the waiting list and selecting families from the waiting list. The PHAs policies for assigning unit size and making unit offers are contained in Chapter 5. Together, Chapters 4 and 5 of the ACOP comprise the PHA’s Tenant Selection and Assignment Plan (TSAP).

The policies outlined in this chapter are organized into three sections, as follows:

Part I: The Application Process. This part provides an overview of the application process, and discusses how applicants can obtain and submit applications. It also specifies how the PHA will handle the applications it receives.

Part II: Managing the Waiting List. This part presents the policies that govern how the PHA’s waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for public housing. It also discusses the process the PHA will use to keep the waiting list current.

Part III: Tenant Selection. This part describes the policies that guide the PHA in selecting families from the waiting list as units become available. It also specifies how in-person interviews/briefings will be used to ensure that the PHA has the information needed to make a final eligibility determination.
PART I: THE APPLICATION PROCESS

4-I.A. OVERVIEW
This part describes the PHA policies for making applications available, accepting applications, making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes the PHA’s obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

4-I.B. APPLYING FOR ASSISTANCE
Any family that wishes to reside in public housing must apply for admission to the program [24 CFR 1.4(b)(2)(ii), 24 CFR 960.202(a)(2)(iv), and PH Occ GB, p. 68]. HUD permits the PHA to determine the format and content of its applications, as well as how such applications will be made available to interested families and how applications will be accepted by the PHA. The PHA must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of the PHA’s application [Notice PIH 2009-36].

BHP Policy
Using a two-step application process, the PHA initially will require families to provide only the information needed to make an initial assessment of the family’s eligibility, and to determine the family’s placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and the amount of rent the family will pay when selected from the waiting list.

The wait list for public housing is currently closed. The wait list will open when it has been determined that there are not enough applicants on the wait list with the highest preference. BHP reserves the right to open just a specific list. Any pre-application received while the wait list is closed will be returned to the applicant. When any or all wait lists open, a public notice will be posted in the newspaper, on BHP’s website (www.boulderhousing.org), and through social media.

When the wait lists are open, families may obtain application forms from the PHA’s office during normal business hours. Families may also request – by telephone or by mail – that an application form be mailed to them via first class mail. Applications will also be available on our website (www.boulderhousing.org). No application form will be given during the time the wait lists are closed.

Completed applications must be returned to the PHA prior to the closing time and date of the period during which the wait list is open by mail, by fax, or submitted in person during normal business hours. Applications must be filled out completely in order to be accepted by the PHA for processing. If an application is incomplete, the PHA will return the application to the family.

Beginning February 15, 2011, BHP will allow applicants who have successfully completed a transitional housing program through the Boulder Shelter for the Homeless, Emergency Family Assistance Association, or a similar transitional program within the city limits of Boulder to apply upon their graduation from such program. The application
must be accompanied by a letter from the agency showing successful completion of the program.

4-I.C. ACCESSIBILITY OF THE APPLICATION PROCESS

The PHA must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the standard PHA application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited English proficiency (LEP). The PHA must provide reasonable accommodation to the needs of individuals with disabilities. The application- and lottery-taking facility and the process must be fully accessible, or the PHA must provide an alternate approach that provides full access to the application process. Chapter 2 provides a full discussion of the PHA’s policies related to providing reasonable accommodations for people with disabilities.

Disabled Populations [24 CFR 8; PH Occ GB, p. 68]

The PHA must provide reasonable accommodation needed for persons with disabilities to make the application process fully accessible. The facility where applications are accepted and the application process must be fully accessible, or the PHA must provide an alternate approach that provides equal access to the program. Chapter 2 provides a full discussion of the PHA’s policies related to providing reasonable accommodations for people with disabilities.

Limited English Proficiency

PHAs are required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR 1]. Chapter 2 provides a full discussion on the PHA’s policies related to ensuring access to people with limited English proficiency (LEP).

4-I.D. PLACEMENT ON THE WAITING LIST

The PHA must review each completed application received and make a preliminary assessment of the family’s eligibility. Applicants for whom the waiting list is open must be placed on the waiting list unless the PHA determines the family to be ineligible. Where the family is determined to be ineligible, the PHA must notify the family in writing [24 CFR 960.208(a); PH Occ GB, p. 41].

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list.

Ineligible for Placement on the Waiting List

BHP Policy

If the PHA determines from the information provided that a family is ineligible for a specific project, the family will not be placed on the waiting list. When a family is determined to be ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of receipt of the completed application. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal hearing and explain the process for doing so (see Chapter 14).
Eligible for Placement on the Waiting List

BHP Policy

The PHA will provide applicants with a written receipt of pre-application within 10 business days of receiving a completed application. If applicable, the notice will also indicate the waiting list(s) for which the family has selected and for which the family appears to qualify.

Applicants will be placed on the waiting list according to PHA preference(s) and the date and time their complete application is received by the PHA.

The PHA will assign families on the waiting list according to the bedroom size for which a family qualifies as established in its occupancy standards (see Chapter 5). Families may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines (as long as the unit is not overcrowded according to PHA standards and local codes). However, in these cases, the family must agree not to request a transfer for two years after admission, unless they have a change in family size or composition.

Placement on the waiting list does not indicate that the family is, in fact, eligible for admission. When the family is selected from the waiting list, the PHA will verify any preference(s) claimed and determine eligibility and suitability for admission to the program.
PART II: MANAGING THE WAITING LIST

4-II.A. OVERVIEW

The PHA must have policies regarding the type of waiting list it will utilize as well as how the waiting list will be organized and managed. This includes policies on notifying the public on the opening and closing of the wait list to new applicants, updating family information, purging the list of families that are no longer interested in or eligible for public housing, and conducting outreach to ensure a sufficient number of applicants (see page 4-8).

In addition, HUD imposes requirements on how the PHA may structure its waiting list and how families must be treated if they apply for public housing at a PHA that administers more than one assisted housing program.

4-II.B. ORGANIZATION OF THE WAITING LIST

The PHA’s public housing waiting list must be organized in such a manner to allow the PHA to accurately identify and select families in the proper order, according to the admissions policies described in this ACOP.

BHP Policy

The waiting list will contain the following information for each applicant listed:

- Name and social security number of head of household
- Contact address and phone number
- Unit size required (number of family members)
- Amount and source of annual income
- Accessibility requirement, if any
- Date and time of application or application number
- Household type (family, elderly, disabled)
- Admission preference, if any
- Race and ethnicity of the head of household
- The specific site(s) selected (only if PHA offers site-based waiting lists)

The PHA may adopt one community-wide waiting list or site-based waiting lists. The PHA must obtain approval from HUD through submission of its Annual Plan before it may offer site-based waiting lists. Site-based waiting lists allow families to select the development where they wish to reside and must be consistent with all applicable civil rights and fair housing laws and regulations [24 CFR 903.7(b)(2)].

BHP Policy

The PHA will maintain a site-based waiting list system with separate waiting list for each of the following sites within the PHA’s public housing stock:

- Arapahoe Court
Northport
Walnut Place
Public Housing Family Sites

Applicants must indicate which list(s) they would like to apply for and be placed on.

The PHA’s site-based waiting lists policies are as follows:

Arapahoe Court – Eligible applicants for 9 of the units must be able to enter into a lease with, and receive supportive services from, the Center for People with Disabilities. This does not mean that they must be clients of CPWD in order to be applicants on the lease.

Northport – Program designation requires applicants to be elderly and/or disabled.

Walnut Place – Program designation requires applicants to be near-elderly, age 50 years of age or over, or elderly

Public Housing Family Sites – no limitations beyond the basic requirements for public housing.

HUD requires that public housing applicants must be offered the opportunity to be placed on the waiting list for any tenant-based or project-based voucher or moderate rehabilitation program that the PHA operates if 1) the other programs’ waiting lists are open, and 2) the family is qualified for the other programs [24 CFR 982.205(a)(2)(i)].

HUD permits, but does not require, that PHAs maintain a single merged waiting list for their public housing, Section 8, and other subsidized housing programs [24 CFR 982.205(a)(1)].

**BHP Policy**

The PHA will not merge the public housing waiting list with the waiting list for any other program the PHA operates.

4-II.C. OPENING AND CLOSING THE WAITING LIST

**Closing the Waiting List**

The PHA is permitted to close the waiting list, in whole or in part, if it has an adequate pool of families to fully lease units in all of its developments. The PHA may close the waiting list completely, or restrict intake by preference, type of project, or by size and type of dwelling unit. [PH Occ GB, p. 31].

**BHP Policy**

The PHA will maintain the waiting lists closed except when determined that the lists need to be open.

**Reopening the Waiting List**

If the waiting list has been closed, it may be reopened at any time. The PHA should publish a notice announcing the opening of the waiting list in local newspapers of general circulation, minority media, and other suitable media outlets. Such notice must comply with HUD fair
housing requirements. The PHA should specify who may apply, and where and when applications will be received.

**BHP Policy**

The PHA will announce the reopening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice. The notice will specify where, when, and how applications are to be received.

The PHA will give public notice by publishing the relevant information in suitable media outlets including, but not limited to:

*The Boulder Daily Camera*

The PHA will also post this information on their website at [www.boulderhousing.org](http://www.boulderhousing.org) and through social media, such as Facebook, Twitter, etc.

**4-II.D. FAMILY OUTREACH [24 CFR 903.2(d); 24 CFR 903.7(a) and (b)]**

The PHA should conduct outreach as necessary to ensure that the PHA has a sufficient number of applicants on the waiting list to fill anticipated vacancies and to assure that the PHA is affirmatively furthering fair housing and complying with the Fair Housing Act.

Because HUD requires the PHA to admit a specified percentage of extremely low income families to the program, the PHA may need to conduct special outreach to ensure that an adequate number of such families apply for public housing.

PHA outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

PHA outreach efforts must be designed to inform qualified families about the availability of units under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers advertising on BHP’s website ([www.boulderhousing.org](http://www.boulderhousing.org)) and through social media.
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

**BHP Policy**

The PHA will monitor the characteristics of the population being served and the characteristics of the population as a whole in the PHA’s jurisdiction. Targeted outreach
efforts will be undertaken if a comparison suggests that certain populations are being underserved.

4-II.E. REPORTING CHANGES IN FAMILY CIRCUMSTANCES

BHP Policy

While the family is on the waiting list, the family must inform the PHA, within 10 business days, of changes in family size or composition, preference status, or contact information, including current residence, mailing address, and phone number. The changes must be submitted in writing. If there is a change to the preference status giving the applicant a higher status than when they applied, the active date of the application will change to the date the applicant informed BHP of the change in preference.

Changes in an applicant’s circumstances while on the waiting list may affect the family's qualification for a particular bedroom size or entitlement to a preference. When an applicant reports a change that affects their placement on the waiting list, the waiting list will be updated accordingly.

4-II.F. UPDATING THE WAITING LIST

HUD requires the PHA to establish policies to that describe the circumstances under which applicants will be removed from the waiting list [24 CFR 960.202(a)(2)(iv)].

Purging the Waiting List

The decision to remove an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to the PHA’s request for information or updates because of the family member’s disability, the PHA must, upon the family’s request, reinstate the applicant family to their former position on the waiting list as a reasonable accommodation [24 CFR 8.4(a), 24 CFR 100.204(a), and PH Occ GB, p. 39 and 40]. See Chapter 2 for further information regarding reasonable accommodations.

BHP Policy

The waiting list will be updated as needed to ensure that all applicant information is current and timely.

To update the waiting list, the PHA will send an update request via first class mail to each family on the waiting list to determine whether the family continues to be interested in, and to qualify for, the program. This update request will be sent to the last address that the PHA has on record for the family. The update request will provide a deadline by which the family must respond and will state that failure to respond will result in the applicant’s name being removed from the waiting list.

The family’s response must be in writing and may be delivered in person, by mail, or by fax. Responses should be postmarked or received by the PHA not later than 15 business days from the date of the PHA letter.

If the family fails to respond within 15 business days, the family will be removed from the waiting list without further notice.

If the notice is returned by the post office with no forwarding address, the applicant will be removed from the waiting list without further notice.
If the notice is returned by the post office with a forwarding address, the notice will be re-sent to the address indicated. The family will have 15 business days to respond from the date the letter was re-sent. If the family fails to respond within this time frame, the family will be removed from the waiting list without further notice.

When a family is removed from the waiting list during the update process for failure to respond, no informal hearing will be offered. Such failures to act on the part of the applicant prevent the PHA from making an eligibility determination; therefore no informal hearing is required.

If a family is removed from the waiting list for failure to respond, the PHA may reinstate the family if the lack of response was due to PHA error, or to circumstances beyond the family’s control.

Removal from the Waiting List

BHP Policy

The PHA will remove an applicant from the waiting list upon request by the applicant family. In such cases no informal hearing is required.

If the PHA determines that the family is not eligible for admission (see Chapter 3) at any time while the family is on the waiting list the family will be removed from the waiting list.

If a family is removed from the waiting list because the PHA has determined the family is not eligible for admission, a notice will be sent to the family’s address of record as well as to any alternate address provided on the initial application. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal hearing regarding the PHA’s decision (see Chapter 14) [24 CFR 960.208(a)].
PART III: TENANT SELECTION

4-III.A. OVERVIEW
The PHA must establish tenant selection policies for families being admitted to public housing [24 CFR 960.201(a)]. The PHA must not require any specific income or racial quotas for any developments [24 CFR 903.2(d)]. The PHA must not assign persons to a particular section of a community or to a development or building based on race, color, religion, sex, disability, familial status or national origin for purposes of segregating populations [24 CFR 1.4(b)(1)(iii) and 24 CFR 903.2(d)(1)].

The order in which families will be selected from the waiting list depends on the selection method chosen by the PHA and is impacted in part by any selection preferences for which the family qualifies. The availability of units also may affect the order in which families are selected from the waiting list.

The PHA must maintain a clear record of all information required to verify that the family is selected from the waiting list according to the PHA’s selection policies [24 CFR 960.206(e)(2)]. The PHA’s policies must be posted any place where the PHA receives applications. The PHA must provide a copy of its tenant selection policies upon request to any applicant or tenant. The PHA may charge the family for providing a copy of its tenant selection policies [24 CFR 960.202(c)(2)].

BHP Policy
When an applicant or resident family requests a copy of the PHA’s tenant selection policies, the PHA will provide copies to them free of charge.

4-III.B. SELECTION METHOD
PHAs must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that the PHA will use.

Local Preferences [24 CFR 960.206]
PHAs are permitted to establish local preferences and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits the PHA to establish other local preferences, at its discretion. Any local preferences established must be consistent with the PHA plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources [24 CFR 960.206(a)].

BHP Policy
The PHA will use the following preferences:

Residency Preference
Applicants who are residents of, or work in, the city of Boulder receive priority on the waiting list. Students receiving work-study income are not considered employed for this priority. Regular employment is defined as a minimum of 20 hours per week.
Singles Preference
A single person who is elderly (62 years of age), or disabled will be admitted before other single person(s).

Disaster Emergency Preference
Beginning in February 2011, BHP will give a priority preference for families affected by a local natural disaster. Local disasters include fire, flood, hurricane, earthquake, or tornado causing the applicant’s current housing to be considered uninhabitable as verified by local, state, or federal authorities within the last six months. Local is defined as within the confines of Boulder County.

Priority for the Disaster Emergency Preference will be given in the following order:
First priority: current BHP resident affected by the disaster
Second priority: to others displaced by disaster (who also meet other eligibility requirements.)

Priority means those affected by the disaster will be allowed to apply for housing assistance even if the waiting lists/lottery are closed and receive this emergency preference. These families will have preference over the applicants on the current Section 8 lottery and will remain at the top of the list for assistance for a period of six months from the date of the disaster. If at the end of the six-month period, no assistance has become available, their application will be removed from the list. Assistance will be limited to availability of vouchers or unit in each of the programs and will reflect the nature and extent of the disaster. The Board of Commissioners will determine, at its next regular meeting following the disaster, or sooner if needed, the extent of housing assistance to be allocated to the victims. Based on the severity of the natural disaster and the number of families affected, the Board will have discretion to approve the number of families who would qualify for this preference.

A ranking will be awarded to applicants on the waiting list in the following manner and those applicants with the ranking of #1 will be given preference over all other rankings:

Ranking 1 applies to all elderly, disabled, and family applicants who live and/or work within the city limits of Boulder.
Ranking 2 applies to all elderly, disabled, and family applicants who live and/or work within Boulder County
Ranking 3 applies to all elderly, disabled, and family applicants who live and/or work outside of Boulder County
Ranking 4 applies to all single applicants who are not elderly or disabled who live and/or work within the city limits of Boulder
Ranking 5 applies to all single applicants who are not elderly or disabled who live and/or work within Boulder County
Ranking 6 applies to all single applicants who are not elderly or disabled who live and/or work outside Boulder County
Income Targeting Requirement [24 CFR 960.202(b)]

HUD requires that extremely low-income (ELI) families make up at least 40% of the families admitted to public housing during the PHA’s fiscal year. ELI families are those with annual incomes at or below 30% of the area median income. To ensure this requirement is met, the PHA may skip non-ELI families on the waiting list in order to select an ELI family.

If a PHA also operates a housing choice voucher (HCV) program, admissions of extremely low-income families to the PHA’s HCV program during a PHA fiscal year that exceed the 75% minimum target requirement for the voucher program, shall be credited against the PHA’s basic targeting requirement in the public housing program for the same fiscal year. However, under these circumstances the fiscal year credit to the public housing program must not exceed the lower of: (1) ten percent of public housing waiting list admissions during the PHA fiscal year; (2) ten percent of waiting list admissions to the PHA’s housing choice voucher program during the PHA fiscal year; or (3) the number of qualifying low-income families who commence occupancy during the fiscal year of PHA public housing units located in census tracts with a poverty rate of 30 percent or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

BHP Policy

The PHA will monitor progress in meeting the income targeting requirement throughout the fiscal year. ELI families will be selected ahead of other eligible families on an as-needed basis to ensure that the income targeting requirement is met.

A mixed population development is a public housing development or portion of a development that was reserved for elderly families and disabled families at its inception (and has retained that character) or the PHA at some point after its inception obtained HUD approval to give preference in tenant selection for all units in the development (or portion of a development) to elderly and disabled families [24 CFR 960.102]. Elderly family means a family whose head, spouse, cohead, or sole member is a person who is at least 62 years of age. Disabled family means a family whose head, spouse, cohead, or sole member is a person with disabilities [24 CFR 5.403]. The PHA must give elderly and disabled families equal preference in selecting these families for admission to mixed population developments. The PHA may not establish a limit on the number of elderly or disabled families that may occupy a mixed population development. In selecting elderly and disabled families to fill these units, the PHA must first offer the units that have accessibility features for families that include a person with a disability and require the accessibility features of such units. The PHA may not discriminate against elderly or disabled families that include children (Fair Housing Amendments Act of 1988).

Units Designated for Elderly or Disabled Families [24 CFR 945]

The PHA may designate projects or portions of a public housing project specifically for elderly or disabled families. The PHA must have a HUD-approved allocation plan before the designation may take place.

Among the designated developments, the PHA must also apply any preferences that it has established. If there are not enough elderly families to occupy the units in a designated elderly development, the PHA may allow near-elderly families to occupy the units [24 CFR
945.303(c)(1)]. Near-elderly family means a family whose head, spouse, or cohead is at least 50 years old, but is less than 62 [24 CFR 5.403].

If there are an insufficient number of elderly families and near-elderly families for the units in a development designated for elderly families, the PHA must make available to all other families any unit that is ready for re-rental and has been vacant for more than 60 consecutive days [24 CFR 945.303(c)(2)].

The decision of any disabled family or elderly family not to occupy or accept occupancy in designated housing shall not have an adverse affect on their admission or continued occupancy in public housing or their position on or placement on the waiting list. However, this protection does not apply to any family who refuses to occupy or accept occupancy in designated housing because of the race, color, religion, sex, disability, familial status, or national origin of the occupants of the designated housing or the surrounding area [24 CFR 945.303(d)(1) and (2)].

This protection does apply to an elderly family or disabled family that declines to accept occupancy, respectively, in a designated project for elderly families or for disabled families, and requests occupancy in a general occupancy project or in a mixed population project [24 CFR 945.303(d)(3)].

**BHP Policy**

The PHA has the following designated elderly or designated disabled housing at this time:

Arapahoe Court – disabled individuals or families only, limited to a maximum of 2 people per household due to apartment size.

Northport – elderly and/or disabled individuals or families only, limited to a maximum of 2 people per household due to apartment size.

Walnut Place – near elderly or elderly individuals or families only, meaning 50 years of age or older, limited to a maximum of 2 people per household due to apartment size.

**Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]**

The PHA's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of the PHA’s deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

The PHA’s deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as ‘covered developments’ and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements: developments operated by a PHA with fewer than 100 public housing units; mixed population developments or those designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].
Based on the fact that all of the properties/developments within BHP’s public housing program have less than 100 units, the Deconcentration rule does not apply.

Order of Selection [24 CFR 960.206(e)]

The PHA system of preferences may select families based on local preferences according to the date and time of application or by a random selection process.

Families will be selected from the waiting list based on preference. Among applicants with the same preference, families will be selected on a first-come, first-served basis according to the date and time their complete application is received by the PHA.

When selecting applicants from the waiting list the PHA will match the characteristics of the available unit (unit size, accessibility features, unit type) to the applicants on the waiting lists. The PHA will offer the unit to the highest ranking applicant who qualifies for that unit size or type, or that requires the accessibility features.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application or higher preference status.

Factors such as deconcentration or income mixing and income targeting will also be considered in accordance with HUD requirements and PHA policy.

Beginning May 15, 2010, BHP will select applicants out of order from the two- and three-bedroom public housing family wait lists based on the applicant families’ acceptance into the Family Self-Sufficiency (FSS) Program. All current applicants on the list will be notified of this opportunity. Selection out of order based on this target will occur until BHP has filled all 50% of its total 25 available PH FSS openings. This selection preference is pursuant to 24 CFR Part 984.203.

Beginning February 15, 2011, BHP will select applicants out of order for the public housing program if they have successfully completed a transitional housing program through the Boulder Shelter for the Homeless, Emergency Family Assistance Association, or a similar transitional program within the city limits of Boulder. This selection will apply to every third unit of each bedroom size.

4-III.C. NOTIFICATION OF SELECTION

When the family has been selected from the waiting list, the PHA must notify the family.

The PHA will notify the family by first class mail when it is selected from the waiting list. The notice will inform the family of the following:

- Date, time, and location of the scheduled application meeting, including any procedures for rescheduling the meeting
- Who is strongly encouraged to attend the meeting
All documents that must be provided at the meeting, including information about what constitutes acceptable documentation

Documents that must be provided at the meeting to document eligibility for a preference, if applicable

If the applicant chooses not to attend the meeting, the original invitation letter will include a deadline by which all required documentation must be submitted. If the documentation is not received by the deadline, the application will be inactivated and removed from the lottery and/or wait list.

If a notification letter is returned to the PHA with no forwarding address, the family will be removed from the waiting list without further notice. Such failure to act on the part of the applicant prevents the PHA from making an eligibility determination; therefore no informal hearing will be offered.

If a family does not respond to the notification letter and the letter was not returned to the PHA, the family will be removed from the wait list. Such failure to act on the part of the applicant prevents the PHA from making an eligibility determination; therefore no informal hearing will be offered.

4-III.D. THE APPLICATION INTERVIEW

HUD recommends that the PHA obtain the information and documentation needed to make an eligibility determination through a face-to-face interview with a PHA representative. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if the PHA determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by the PHA [Notice PIH 2012-10].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability [24 CFR 8.4(a) and 24 CFR 100.204(a)].

BHP Policy

Families selected from the waiting list are strongly encouraged to participate in an eligibility meeting.

If the applicant chooses not to attend the meeting, the letter will include a deadline by which all required documentation must be submitted. If the documentation is not received by the deadline, the application will be inactivated and removed from the lottery and/or wait list.

The head of household and the spouse/cohead will be strongly encouraged to attend the meeting together. However, either the head of household or the spouse/cohead may attend the meeting on behalf of the family. Verification of information pertaining to adult members of the household not present at the meeting will not begin until signed release forms are returned to the PHA.

The head of household or spouse/cohead must provide acceptable documentation of legal identity (Chapter 7 provides a discussion of proper documentation of legal identity). If
the family representative does not provide the required documentation at the time of the meeting, he or she will be required to provide it within 10 business days.

Pending disclosure and documentation of social security numbers, the PHA will allow the family to retain its place on the waiting list for 10 business days.

If the family is claiming a waiting list preference, the family must provide documentation to verify their eligibility for a preference (see Chapter 7). If the family is verified as eligible for the preference, the PHA will proceed with the meeting. If the PHA determines the family is not eligible for the preference, the meeting will not proceed and the family will be placed back on the waiting list according to the date and time of their application.

The family must provide the information necessary to establish the family’s eligibility, including suitability, and to determine the appropriate amount of rent the family will pay. The family must also complete required forms, provide required signatures, and submit required documentation. If any materials are missing and they have attended the meeting, the PHA will provide the family with a written list of items that must be submitted. If the documentation was submitted without attending the meeting, no checklist will be sent.

Any required documents or information that the family is unable to provide at the meeting must be provided within 10 business days of the meeting, which is the deadline stated in the invitation to the meeting (Chapter 7 provides details about longer submission deadlines for particular items, including documentation of Social Security numbers and eligible noncitizen status). If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial (see Chapter 3).

An advocate, interpreter, or other assistant may assist the family with the application and the meeting process.

Meetings will be conducted in English. For limited English proficient (LEP) applicants, the PHA will provide translation services in accordance with the PHA’s LEP plan.

If the family is unable to attend a scheduled meeting, the family should contact the PHA at least 24 hours in advance of the meeting to schedule a new appointment. BHP will only reschedule if contacted in advance by the family. Applicants who fail to attend the scheduled meeting(s) without PHA approval will have their applications made inactive based on the family’s failure to supply information needed to determine eligibility.

4-III.E. FINAL ELIGIBILITY DETERMINATION [24 CFR 960.208]

The PHA must verify all information provided by the family (see Chapter 7). Based on verified information related to the eligibility requirements, including PHA suitability standards, the PHA must make a final determination of eligibility (see Chapter 3).

When a determination is made that a family is eligible and satisfies all requirements for admission, including tenant selection criteria, the applicant must be notified of the approximate date of occupancy insofar as that date can be reasonably determined [24 CFR 960.208(b)].
BHP Policy
The PHA will notify a family in writing of their eligibility within 10 business days of the determination and will provide the approximate date of occupancy insofar as that date can be reasonably determined.

The PHA must promptly notify any family determined to be ineligible for admission of the basis for such determination, and must provide the applicant upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on such determination [24 CFR 960.208(a)].

BHP Policy
If the PHA determines that the family is ineligible, the PHA will send written notification of the ineligibility determination within 10 business days of the determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal hearing (see Chapter 14).

If the PHA uses a criminal record or sex offender registration information obtained under 24 CFR 5, Subpart J, as the basis of a denial, a copy of the record must precede the notice to deny, with an opportunity for the applicant to dispute the accuracy and relevance of the information before the PHA can move to deny the application. See Section 3-III.G for the PHA’s policy regarding such circumstances.
Chapter 5

OCCUPANCY STANDARDS AND UNIT OFFERS

INTRODUCTION

The PHA must establish policies governing occupancy of dwelling units and offering dwelling units to qualified families.

This chapter contains policies for assigning unit size and making unit offers. The PHA’s waiting list and selection policies are contained in Chapter 4. Together, Chapters 4 and 5 of the ACOP comprise the PHA’s Tenant Selection and Assignment Plan (TSAP).

Policies in this chapter are organized in two parts.

Part I: Occupancy Standards. This part contains the PHA’s standards for determining the appropriate unit size for families of different sizes, compositions, and types.

Part II: Unit Offers. This part contains the PHA’s policies for making unit offers, and describes actions to be taken when unit offers are refused.
PART I: OCCUPANCY STANDARDS

5-I.A. OVERVIEW
Occancy standards are established by the PHA to ensure that units are occupied by families of the appropriate size. This policy maintains the maximum usefulness of the units, while preserving them from underutilization or from excessive wear and tear due to overcrowding. Part I of this chapter explains the occupancy standards. These standards describe the methodology and factors the PHA will use to determine the size unit for which a family qualifies, and includes the identification of the minimum and maximum number of household members for each unit size. This part also identifies circumstances under which an exception to the occupancy standards may be approved.

5-I.B. DETERMINING UNIT SIZE
In selecting a family to occupy a particular unit, the PHA may match characteristics of the family with the type of unit available, for example, number of bedrooms [24 CFR 960.206(c)].

HUD does not specify the number of persons who may live in public housing units of various sizes. PHAs are permitted to develop appropriate occupancy standards as long as the standards do not have the effect of discriminating against families with children [PH Occ GB, p. 62].

Although the PHA does determine the size of unit the family qualifies for under the occupancy standards, the PHA does not determine who shares a bedroom/sleeping room.

The PHA’s occupancy standards for determining unit size must be applied in a manner consistent with fair housing requirements.

BHP Policy
The PHA will use the same occupancy standards for each of its developments.

The PHA’s occupancy standards are as follows:

The PHA will assign one bedroom for each two persons within the household, except in the following circumstances:

Persons of the opposite sex (other than spouses, and children under age 5) will not be required to share a bedroom.

Children two years of age and under may occupy the same bedroom with parent(s).

Persons of different generations will not be required to share a bedroom.

Live-in aides may be allocated a separate bedroom. No additional bedrooms will be provided for the live-in aide’s family.

Single person families will be allocated a zero or one bedroom.

Foster children will be included in determining unit size.

If the Head of Household loses custody of the minor child/children for more than six consecutive months, the unit size will be reduced to reflect the current household composition.
The PHA will reference the following standards in determining the appropriate unit bedroom size for a family:

5-1.C. EXCEPTIONS TO OCCUPANCY STANDARDS

Types of Exceptions

BHP Policy

The PHA will consider granting exceptions to the occupancy standards at the family’s request if the PHA determines the exception is justified by the relationship, age, sex, health or disability of family members, or other personal circumstances.

For example, an exception may be granted if a larger bedroom size is needed for medical equipment due to its size and/or function, or as a reasonable accommodation for a person with disabilities. An exception may also be granted for a smaller bedroom size in cases where the number of household members exceeds the maximum number of persons allowed for the unit size in which the family resides (according to the chart in Section 5-1.B) and the family does not want to transfer to a larger size unit.

When evaluating exception requests the PHA will consider the size and configuration of the unit. In no case will the PHA grant an exception that is in violation of local housing or occupancy codes, regulations or laws.

Requests from applicants to be placed on the waiting list for a unit size smaller than designated by the occupancy standards will be approved as long as the unit is not overcrowded according to local code, and the family agrees not to request a transfer for a period of two years from the date of admission, unless they have a subsequent change in family size or composition.

To prevent vacancies, the PHA may provide an applicant family with a larger unit than the occupancy standards permit. However, in these cases the family must agree to move to a suitable, smaller unit when another family qualifies for the larger unit and there is an appropriate size unit available for the family to transfer to.
Processing of Exceptions

BHP Policy

All requests for exceptions to the occupancy standards must be submitted in writing.

In the case of a request for exception as a reasonable accommodation, the PHA will encourage the resident to make the request in writing using a reasonable accommodation request form. However, the PHA will consider the exception request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

Requests for a larger size unit must explain the need or justification for the larger size unit, and must include appropriate documentation. Requests based on health-related reasons must be verified by a knowledgeable professional source, unless the disability and the disability-related request for accommodation is readily apparent or otherwise known.

The PHA will notify the family of its decision within 10 business days of receiving the family’s request.
PART II: UNIT OFFERS
24 CFR 1.4(b)(2)(ii); 24 CFR 960.208

5-II.A. OVERVIEW

The PHA must assign eligible applicants to dwelling units in accordance with a plan that is consistent with civil rights and nondiscrimination laws.

In filling an actual or expected vacancy, the PHA must offer the dwelling unit to an applicant in the appropriate offer sequence. The PHA will offer the unit until it is accepted. This section describes the PHA’s policies with regard to the number of unit offers that will be made to applicants selected from the waiting list. This section also describes the PHA’s policies for offering units with accessibility features.

**BHP Policy**

The PHA will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

5-II.B. NUMBER OF OFFERS

**BHP Policy**

The PHA has adopted a “one-to-two offer plan” for offering units to applicants. Under this plan, the PHA will determine how many locations within its jurisdiction have available units of suitable size and type in the appropriate type of project. The number of unit offers will be based on the distribution of vacancies. If a suitable unit is available in:

- **Two (2) locations:** The applicant will be offered a suitable unit in the location with the higher number of vacancies. If the offer is rejected, a final offer will be made at the other location. The offers will be made in sequence and the applicant must refuse the first offer before a second offer is made.

- **One (1) location:** The applicant will be offered a suitable unit in that location. If the offer is rejected, the applicant will be offered the next suitable unit that becomes available, whether it is at the same location as the first offer or at another location. The second unit offer will be the final offer, unless there is good cause for refusing the offer.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

5-II.C. TIME LIMIT FOR UNIT OFFER ACCEPTANCE OR REFUSAL

**BHP Policy**

Applicants must accept or refuse a unit offer within 3 business days of the date of the unit offer.

Offers made by telephone will be confirmed by letter.
5-II.D. REFUSALS OF UNIT OFFERS

**Good Cause for Unit Refusal**

An elderly or disabled family may decline an offer for designated housing. Such a refusal must not adversely affect the family's position on or placement on the public housing waiting list [24 CFR 945.303(d)].

**BHP Policy**

Applicants may refuse to accept a unit offer for "good cause." *Good cause* includes situations in which an applicant is willing to move but is unable to do so at the time of the unit offer, or the applicant demonstrates that acceptance of the offer would cause undue hardship not related to considerations of the applicant’s race, color, national origin, etc. [PH Occ GB, p. 104]. Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

The family demonstrates to the PHA’s satisfaction that accepting the unit offer will require an adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities.

The family demonstrates to the PHA’s satisfaction that accepting the offer will place a family member’s life, health or safety in jeopardy. The family should offer specific and compelling documentation such as restraining orders, other court orders, risk assessments related to witness protection from a law enforcement agency, or documentation of domestic violence, dating violence, or stalking in accordance with Section 16 VII.D of this ACOP. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.

A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on final application) or live-in aide necessary to the care of the principal household member.

The unit is inappropriate for the applicant’s disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

The unit has lead-based paint and the family includes children under the age of six.

In the case of a unit refusal for good cause the applicant will not be removed from the waiting list as described later in this section. The applicant will remain at the top of the waiting list until the family receives an offer for which they do not have good cause to refuse.

The PHA will require documentation of good cause for unit refusals.
Unit Refusal Without Good Cause

BHP Policy

When an applicant rejects the final unit offer without good cause, the PHA will remove the applicant’s name from the waiting list and send notice to the family of such removal. The notice will inform the family of their right to request an informal hearing and the process for doing so (see Chapter 14).

The applicant may reapply for assistance if the waiting list is open. If the waiting list is not open, the applicant must wait to reapply until the PHA opens the waiting list.

5-II.E. ACCESSIBLE UNITS [24 CFR 8.27]

PHAs must adopt suitable means to assure that information regarding the availability of accessible units reaches eligible individuals with disabilities, and take reasonable nondiscriminatory steps to maximize the utilization of such units by eligible individuals whose disability requires the accessibility features of a particular unit.

When an accessible unit becomes vacant, before offering such units to a non-disabled applicant the PHA must offer such units:

- First, to a current resident of another unit of the same development, or other public housing development under the PHA’s control, who has a disability that requires the special features of the vacant unit and is occupying a unit not having such features, or if no such occupant exists, then

- Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

When offering an accessible unit to an applicant not having a disability requiring the accessibility features of the unit, the PHA may require the applicant to agree (and may incorporate this agreement in the lease) to move to a non-accessible unit when available.

BHP Policy

Families requiring an accessible unit may be over-housed in such a unit if there are no resident or applicant families of the appropriate size who also require the accessible features of the unit.

When there are no resident or applicant families requiring the accessible features of the unit, including families who would be over-housed, the PHA will offer the unit to a non-disabled applicant.

When offering an accessible unit to a non-disabled applicant, the PHA will require the applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the non-disabled family. This requirement will be a provision of the lease agreement.
5-II.F. DESIGNATED HOUSING

When applicable, the PHA’s policies for offering units designated for elderly families only or for disabled families only are described in the PHA’s Designated Housing Plan.

INCOME AND RENT DETERMINATIONS

[24 CFR Part 5, Subparts E and F; 24 CFR 960, Subpart C]

INTRODUCTION

A family’s annual income is used to determine their income eligibility for the public housing program and is also used to calculate amount of the family’s rent payment. The PHA will use the policies and methods described in this chapter to ensure that only income-eligible families receive assistance and that no family pays more or less than is required under the regulations. This chapter describes HUD regulations and PHA policies related to these topics in three parts as follows:

**Part I: Annual Income.** HUD regulations specify the sources of income to include and exclude to arrive at a family’s annual income. These requirements and PHA policies for calculating annual income are found in Part I.

**Part II: Calculating Rent.** This part describes the statutory (per Federal Regulations and MTW Activities) formula for calculating total tenant payment (TTP), the use of utility allowances, and the methodology for determining family rent payment. Also included here are flat rents and the family’s choice in rents.
PART I: ANNUAL INCOME

6-I.A. OVERVIEW

The general regulatory definition of *annual income* shown below is from 24 CFR 5.609.

5.609 Annual income.
(a) Annual income means all amounts, monetary or not, which:
   (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or
   (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
   (3) Which are not specifically excluded in paragraph [5.609(c)].
   (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access. (Per MTW Activity 2012-4, income from assets that total less than $50,000 will be excluded from annual income.)

In addition to this general definition, HUD regulations establish policies for treating specific types of income and assets. The full texts of those portions of the regulations are provided in exhibits at the end of this chapter as follows:

- Annual Income Inclusions (Exhibit 6-1)
- Annual Income Exclusions (Exhibit 6-2)
- Treatment of Family Assets (Exhibit 6-3)
- The Effect of Welfare Benefit Reduction (Exhibit 6-4)

Sections 6-I.B and 6-I.C discuss general requirements and methods for calculating annual income. The rest of this section describes how each source of income is treated for the purposes of determining annual income. HUD regulations present income inclusions and exclusions separately [24 CFR 5.609(b) and 24 CFR 5.609(c)]. In this ACOP, however, the discussions of income inclusions and exclusions are integrated by topic (e.g., all policies affecting earned income are discussed together in section 6-I.D). Verification requirements for annual income are discussed in Chapter 7.

6-I.B. HOUSEHOLD COMPOSITION AND INCOME

Income received by all family members must be counted unless specifically excluded by the regulations. It is the responsibility of the head of household to report changes in family composition. The rules on which sources of income are counted vary somewhat by family member. The chart below summarizes how family composition affects income determinations.

### Temporarily Absent Family Members

The income of family members approved to live in the unit will be counted, even if the family member is temporarily absent from the unit [HCV GB, p. 5-18].

**BHP Policy**

Generally an individual who is or is expected to be absent from the assisted unit for 90 consecutive days or less is considered temporarily absent and continues to be considered a family member. Generally an individual who is or is expected to be absent from the assisted unit for more than 90 consecutive days is considered permanently absent and no longer a family member. Exceptions to this general policy are discussed below.

### Absent Students

**BHP Policy**

When someone who has been considered a family member attends school away from home, the person will continue to be considered a family member unless information becomes available to the PHA indicating that the student has established a separate household or the family declares that the student has established a separate household.

### Absences Due to Placement in Foster Care

Children temporarily absent from the home as a result of placement in foster care are considered members of the family [24 CFR 5.403].

**BHP Policy**

If a child has been placed in foster care, the PHA will verify with the appropriate agency whether and when the child is expected to be returned to the home. Unless the agency confirms that the child has been permanently removed from the home, the child will be counted as a family member.
**Absent Head, Spouse, or Cohead**

**BHP Policy**

An employed head, spouse, or cohead absent from the unit more than 90 consecutive days due to employment will continue to be considered a family member.

**Individuals Confined for Medical Reasons**

**BHP Policy**

An individual confined to a nursing home or hospital on a permanent basis is not considered a family member.

If there is a question about the status of a family member, the PHA will request verification from a responsible medical professional and will use this determination. If the responsible medical professional cannot provide a determination, the person generally will be considered temporarily absent. The family may present evidence that the family member is confined on a permanent basis and request that the person not be considered a family member.

**Joint Custody of Children**

**BHP Policy**

Dependents that are subject to a joint custody arrangement will be considered a member of the family, if they live with the applicant or resident family 50 percent or more of the time.

When more than one applicant or assisted family (regardless of program) are claiming the same dependents as family members, the family with primary custody at the time of the initial examination or reexamination will be able to claim the dependents. If there is a dispute about which family should claim them, the PHA will make the determination based on available documents such as court orders, an IRS income tax return showing which family has claimed the child for income tax purposes, school records showing where they attend school and who the primary parent is for the school or other credible documentation.

**Caretakers for a Child**

**BHP Policy**

The approval of a caretaker is at the PHA’s discretion and subject to the PHA’s screening criteria. If neither a parent nor a designated guardian remains in a household, the PHA will take the following actions.

If a responsible agency has determined that another adult is to be brought into the unit to care for a child for an indefinite period, the designated caretaker will not be considered a family member until a determination of custody or legal guardianship is made.
If a caretaker has assumed responsibility for a child without the involvement of a responsible agency or formal assignment of custody or legal guardianship, the caretaker will be treated as a visitor for 90 days. After the 90 days has elapsed, the caretaker will be considered a family member unless information is provided that would confirm that the caretaker’s role is temporary. In such cases the PHA will extend the caretaker’s status as an eligible visitor.

At any time that custody or guardianship legally has been awarded to a caretaker, the lease will be transferred to the caretaker, as head of household.

During any period that a caretaker is considered a visitor, the income of the caretaker is not counted in annual income and the caretaker does not qualify the family for any deductions from income.

The guardian/caretaker will need to pass the screening criteria in order to be made part of the household.

6-I.C. ANTICIPATING ANNUAL INCOME

The PHA is required to count all income “anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date” [24 CFR 5.609(a)(2)]. Policies related to anticipating annual income are provided below.

Basis of Annual Income Projection

The PHA generally will use current circumstances to determine anticipated income for the coming 12-month period. HUD authorizes the PHA to use other than current circumstances to anticipate income when:

- An imminent change in circumstances is expected [HCV GB, p. 5-17]
- It is not feasible to anticipate a level of income over a 12-month period (e.g., seasonal or cyclic income) [24 CFR 5.609(d)]
- The PHA believes that past income is the best available indicator of expected future income [24 CFR 5.609(d)]

PHAs are required to use HUD’s Enterprise Income Verification (EIV) system in its entirety as a third party source to verify employment and income information, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR 5.233(a)(2)].

HUD allows PHAs to use tenant-provided documents to project income once EIV data has been received in such cases where the family does not dispute the EIV employer data and where the PHA does not determine it is necessary to obtain additional third-party data.

BHP Policy

Per MTW Activity 2012-2, for work-abled families, the PHA will project income using either:
The current, gross income, if stable and predictable projected forward, or
The past two years’ gross income (annualized), if income source is not stable or
income had not been reported in the past.

When EIV is obtained and the family does not dispute the EIV employer data, the PHA
will use current tenant-provided documents to project annual income. When the tenant
provided documents are pay stubs, the PHA will make every effort to obtain current and
consecutive pay stubs dated within the last 60 days.
The PHA will obtain written and/or oral third-party verification in accordance with the
verification requirements and policy in Chapter 7 in the following cases:
  - If EIV or other UIV data is not available,
  - If the family disputes the accuracy of the EIV employer data, and/or
  - If the PHA determines additional information is needed.

In such cases, the PHA will review and analyze current data to anticipate annual income.
In all cases, the family file will be documented with a clear record of the reason for the
decision, and a clear audit trail will be left as to how the PHA annualized projected
income.

When the PHA cannot readily anticipate income based upon current circumstances (e.g.,
in the case of seasonal employment, unstable working hours, or suspected fraud), the
PHA will review and analyze historical data for patterns of employment, paid benefits,
and receipt of other income and use the results of this analysis to establish annual income.

Anytime current circumstances are not used to project annual income, a clear rationale
for the decision will be documented in the file. In all such cases the family may present
information and documentation to the PHA to show why the historic pattern does not
represent the family’s anticipated income.

**Projecting Income**

In HUD’s EIV webcast of January 2008, HUD made clear that PHAs are not to use EIV
quarterly wages to project annual income.

**6-I.D. EARNED INCOME**

**Types of Earned Income Included in Annual Income**

*Wages and Related Compensation [24 CFR 5.609(b)(1)]*

The full amount, before any payroll deductions, of wages and salaries, overtime pay,
commissions, fees, tips and bonuses, and other compensation for personal services is included in
annual income.
Some Types of Military Pay

All regular pay, special pay and allowances of a member of the Armed Forces are counted [24 CFR 5.609(b)(8)] except for the special pay to a family member serving in the Armed Forces who is exposed to hostile fire [24 CFR 5.609(c)(7)].

Types of Earned Income Not Counted in Annual Income

Temporary, Nonrecurring, or Sporadic Income [24 CFR 5.609(c)(9)]

This type of income (including gifts) is not included in annual income.

BHP Policy

Sporadic income is income that is not received periodically and cannot be reliably predicted. For example, the income of an individual who works occasionally as a handyman would be considered sporadic if future work could not be anticipated and no historic, stable pattern of income existed.

Children’s Earnings [24 CFR 5.609(c)(1)]

Employment income earned by children (including foster children) under the age of 18 years is not included in annual income. (See Eligibility chapter for a definition of foster children.)

Certain Earned Income of Full-Time Students

Earnings in excess of $480 for each full-time student 18 years old or older (except for the head, spouse, or cohead) are not counted [24 CFR 5.609(c)(11)]. To be considered “full-time,” a student must be considered “full-time” by an educational institution with a degree or certificate program [HCV GB, p. 5-29].

Income of a Live-in Aide

Income earned by a live-in aide, as defined in [24 CFR 5.403], is not included in annual income [24 CFR 5.609(c)(5)]. (See Eligibility chapter for a full discussion of live-in aides.)

Income Earned under Certain Federal Programs [24 CFR 5.609(c)(17)]

Income from some federal programs is specifically excluded from consideration as income, including:

- Payments to volunteers under the Domestic Volunteer Services Act of 1973 (42 U.S.C. 5044(g), 5058)
• Awards under the federal work-study program (20 U.S.C. 1087 uu)
• Payments received from programs funded under Title V of the Older Americans Act of 1985 (42 U.S.C. 3056(f))
• Allowances, earnings, and payments to AmeriCorps participants under the National and Community Service Act of 1990 (42 U.S.C. 12637(d))
• Allowances, earnings, and payments to participants in programs funded under the Workforce Investment Act of 1998 (29 U.S.C. 2931)

**Resident Service Stipend [24 CFR 5.600(c)(8)(iv)]**

Amounts received under a resident service stipend are not included in annual income. A resident service stipend is a modest amount (not to exceed $200 per individual per month) received by a resident for performing a service for the PHA, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA’s governing board. No resident may receive more than one such stipend during the same period of time.

**State and Local Employment Training Program**

Incremental earnings and benefits to any family member resulting from participation in qualifying state or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff are excluded from annual income. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the training program [24 CFR 5.609(c)(8)(v)].

**BHP Policy**

The PHA defines *training program* as “a learning process with goals and objectives, generally having a variety of components, and taking place in a series of sessions over a period of time. It is designed to lead to a higher level of proficiency, and it enhances the individual’s ability to obtain employment. It may have performance standards to measure proficiency. Training may include, but is not limited to: (1) classroom training in a specific occupational skill, (2) on-the-job training with wages subsidized by the program, or (3) basic education” [expired Notice PIH 98-2, p. 3].

The PHA defines *incremental earnings and benefits* as the difference between (1) the total amount of welfare assistance and earnings of a family member prior to enrollment in a training program and (2) the total amount of welfare assistance and earnings of the family member after enrollment in the program [expired Notice PIH 98-2, pp. 3–4].

In calculating the incremental difference, the PHA will use as the pre-enrollment income the total annualized amount of the family member’s welfare assistance and earnings reported on the family’s most recently completed HUD-50058.
End of participation in a training program must be reported in accordance with the PHA's interim reporting requirements (see chapter on reexaminations).

**HUD-Funded Training Programs**

Amounts received under training programs funded in whole or in part by HUD [24 CFR 5.609(c)(8)(i)] are excluded from annual income. Eligible sources of funding for the training include operating subsidy, Section 8 administrative fees, and modernization, Community Development Block Grant (CDBG), HOME program, and other grant funds received from HUD.

**BHP Policy**

To qualify as a training program, the program must meet the definition of training program provided above for state and local employment training programs.

**Earned Income Tax Credit.** Earned income tax credit (EITC) refund payments received on or after January 1, 1991 (26 U.S.C. 32(j)), are excluded from annual income [24 CFR 5.609(c)(17)]. Although many families receive the EITC annually when they file taxes, an EITC can also be received throughout the year. The prorated share of the annual EITC is included in the employee’s payroll check.

**6-I.E. BUSINESS INCOME [24 CFR 5.609(b)(2)]**

Annual income includes “the net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family” [24 CFR 5.609(b)(2)].

**Business Expenses**

Net income is “gross income less business expense” [HCV GB, p. 5-19].

**BHP Policy**

To determine business expenses that may be deducted from gross income, the PHA will use current applicable Internal Revenue Service (IRS) rules for determining allowable business expenses [see IRS Publication 535], unless a topic is addressed by HUD regulations or guidance as described below.

**Business Expansion**

HUD regulations do not permit the PHA to deduct from gross income expenses for business expansion.

**BHP Policy**

*Business expansion* is defined as any capital expenditures made to add new business activities, to expand current facilities, or to operate the business in additional locations. For example, purchase of a street sweeper by a construction business for the purpose of
adding street cleaning to the services offered by the business would be considered a business expansion. Similarly, the purchase of a property by a hair care business to open at a second location would be considered a business expansion.

Capital Indebtedness

HUD regulations do not permit the PHA to deduct from gross income the amortization of capital indebtedness.

**BHP Policy**

*Capital indebtedness* is defined as the principal portion of the payment on a capital asset such as land, buildings, and machinery. This means the PHA will allow as a business expense interest, but not principal, paid on capital indebtedness.

Negative Business Income

If the net income from a business is negative, no business income will be included in annual income; a negative amount will not be used to offset other family income.

Withdrawal of Cash or Assets from a Business

HUD regulations require the PHA to include in annual income the withdrawal of cash or assets from the operation of a business or profession unless the withdrawal reimburses a family member for cash or assets invested in the business by the family.

**BHP Policy**

Acceptable investments in a business include cash loans and contributions of assets or equipment. For example, if a member of a tenant family provided an up-front loan of $2,000 to help a business get started, the PHA will not count as income any withdrawals from the business up to the amount of this loan until the loan has been repaid. Investments do not include the value of labor contributed to the business without compensation.

Co-owned Businesses

**BHP Policy**

If a business is co-owned with someone outside the family, the family must document the share of the business it owns. If the family’s share of the income is lower than its share of ownership, the family must document the reasons for the difference.

6-I.F. ASSETS [24 CFR 5.609(b)(3) and 24 CFR 5.603(b)]

**Overview**

Under MTW Activity 2012–4, the asset limit has been set at $50,000. If a household’s total assets are less than $50,000, income will not be included from these assets. If total household assets are more than $50,000, income from these assets will be included in annual income.

However, HUD requires that the PHA will include in anticipated annual income the “interest, dividends, and other net income of any kind from real or personal property” [24 CFR
5.609(b)(3)] when total assets equal $50,000 or more (MTW Activity 2012-4). This section discusses how the income from various types of assets is determined. For most types of assets, the PHA must determine the value of the asset in order to compute income from the asset. Therefore, for each asset type, this section discusses:

- How the value of the asset will be determined
- How income from the asset will be calculated

Exhibit 6-1 provides the regulatory requirements for calculating income from assets [24 CFR 5.609(b)(3)], and Exhibit 6-3 provides the regulatory definition of net family assets. This section begins with a discussion of general policies related to assets and then provides HUD rules and PHA policies related to each type of asset.

**General Policies**

**Income from Assets**

The PHA generally will use current circumstances to determine both the value of an asset and the anticipated income from the asset. As is true for all sources of income, HUD authorizes the PHA to use other than current circumstances to anticipate income when (1) an imminent change in circumstances is expected (2) it is not feasible to anticipate a level of income over 12 months or (3) the PHA believes that past income is the best indicator of anticipated income. For example, if a family member owns real property that typically receives rental income but the property is currently vacant, the PHA can take into consideration past rental income along with the prospects of obtaining a new tenant.

**BHP Policy**

Any time current circumstances are not used to determine asset income, a clear rationale for the decision will be documented in the file. In such cases the family may present information and documentation to the PHA to show why the asset income determination does not represent the family’s anticipated asset income.

**Valuing Assets**

The calculation of asset income sometimes requires the PHA to make a distinction between an asset’s market value and its cash value.

- The market value of an asset is its worth in the market (e.g., the amount a buyer would pay for real estate or the total value of an investment account).
- The cash value of an asset is its market value less all reasonable amounts that would be incurred when converting the asset to cash.

**BHP Policy**

Reasonable costs that would be incurred when disposing of an asset include, but are not limited to, penalties for premature withdrawal, broker and legal fees, and settlement costs incurred in real estate transactions [HCV GB, p. 5-28 and PH Occ GB, p. 121].
Lump-Sum Receipts

Payments that are received in a single lump sum, such as inheritances, capital gains, lottery winnings, insurance settlements, and proceeds from the sale of property, are generally considered assets, not income. However, such lump-sum receipts are counted as assets only if they are retained by a family in a form recognizable as an asset (e.g., deposited in a savings or checking account) [RHIIP FAQs]. (For a discussion of lump-sum payments that represent the delayed start of a periodic payment, most of which are counted as income, see sections 6-I.H and 6-I.I.)

Imputing Income from Assets [24 CFR 5.609(b)(3), Notice PIH 2012-29]]

When net family assets are $50,000 or less, the PHA will not include in annual income the actual income anticipated to be derived from the assets (MTW Activity 2012-4). When the family has net family assets in excess of $50,000, the PHA will include in annual income the greater of (1) the actual income derived from the assets or (2) the imputed income. Imputed income from assets is calculated by multiplying the total cash value of all family assets an average passbook savings rate as determined by the PHA.

- Note: The HUD field office no longer provides an interest rate for imputed asset income. The “safe harbor” is now for the PHA to establish a passbook rate within 0.75 percent of a national average.
- The PHA must review its passbook rate annually to ensure that it remains within 0.75 percent of the national average.

PHA Policy

The PHA will initially set the imputed asset passbook rate at the national rate established by the Federal Deposit Insurance Corporation (FDIC).

The PHA will review the passbook rate annually, in December of each year. The rate will not be adjusted unless the current PHA rate is no longer within 0.75 percent of the national rate. If it is no longer within 0.75 percent of the national rate, the passbook rate will be set at the current national rate.

Changes to the passbook rate will take effect on February 1 following the December review.

Determining Actual Anticipated Income from Assets

It may or may not be necessary for the PHA to use the value of an asset to compute the actual anticipated income from the asset. When the value is required to compute the anticipated income from an asset, the market value of the asset is used. For example, if the asset is a property for which a family receives rental income, the anticipated income is determined by annualizing the actual monthly rental amount received for the property; it is not based on the property’s market value. However, if the asset is a savings account, the anticipated income is determined by multiplying the market value of the account by the interest rate on the account.
Withdrawal of Cash or Liquidation of Investments

Any withdrawal of cash or assets from an investment will be included in income except to the extent that the withdrawal reimburses amounts invested by the family. For example, when a family member retires, the amount received by the family from a retirement investment plan is not counted as income until the family has received payments equal to the amount the family member deposited into the retirement investment plan.

Jointly Owned Assets

The regulation at 24 CFR 5.609(a)(4) specifies that annual income includes “amounts derived (during the 12-month period) from assets to which any member of the family has access.”

BHP Policy

If an asset is owned by more than one person and any family member has unrestricted access to the asset, the PHA will count the full value of the asset. A family member has unrestricted access to an asset when he or she can legally dispose of the asset without the consent of any of the other owners.

If an asset is owned by more than one person, including a family member, but the family member does not have unrestricted access to the asset, the PHA will prorate the asset according to the percentage of ownership. If no percentage is specified or provided for by state or local law, the PHA will prorate the asset evenly among all owners.

Assets Disposed Of for Less than Fair Market Value [24 CFR 5.603(b)]

HUD regulations require the PHA to count as a current asset any business or family asset that was disposed of for less than fair market value during the two years prior to the effective date of the examination/reexamination, except as noted below.

Minimum Threshold

The PHA may set a threshold below which assets disposed of for less than fair market value will not be counted [HCV GB, p. 5-27].

BHP Policy

The PHA will not include the value of assets disposed of for less than fair market value unless the cumulative fair market value of all assets disposed of during the past two years exceeds the gross amount received for the assets by more than $1,000.

When the two-year period expires, the income assigned to the disposed asset(s) also expires. If the two-year period ends between annual recertifications, the family may request an interim recertification to eliminate consideration of the asset(s).

Assets placed by the family in nonrevocable trusts are considered assets disposed of for less than fair market value except when the assets placed in trust were received through settlements or judgments.
Separation or Divorce
The regulation also specifies that assets are not considered disposed of for less than fair market value if they are disposed of as part of a separation or divorce settlement and the applicant or tenant receives important consideration not measurable in dollar terms.

BHP Policy
All assets disposed of as part of a separation or divorce settlement will be considered assets for which important consideration not measurable in monetary terms has been received. In order to qualify for this exemption, a family member must be subject to a formal separation or divorce settlement agreement established through arbitration, mediation, or court order.

Foreclosure or Bankruptcy
Assets are not considered disposed of for less than fair market value when the disposition is the result of a foreclosure or bankruptcy sale.

Family Declaration
BHP Policy
Families must sign a declaration form at initial certification and each annual recertification identifying all assets that have been disposed of for less than fair market value or declaring that no assets have been disposed of for less than fair market value. The PHA may verify the value of the assets disposed of if other information available to the PHA does not appear to agree with the information reported by the family.

Types of Assets
Checking and Savings Accounts
For regular checking accounts and savings accounts, cash value has the same meaning as market value. If a checking account does not bear interest, the anticipated income from the account is zero.

BHP Policy
In determining the value of a checking account, the PHA will use the average monthly balance for the last six months.

In determining the value of a savings account, the PHA will use the current balance.

In determining the anticipated income from an interest-bearing checking or savings account, the PHA will multiply the value of the account by the current rate of interest paid on the account.

Investment Accounts Such as Stocks, Bonds, Saving Certificates, and Money Market Funds
Interest or dividends earned by investment accounts are counted as actual income from assets even when the earnings are reinvested. The cash value of such an asset is determined by deducting from the market value any broker fees, penalties for early withdrawal, or other costs of converting the asset to cash.
**BHP Policy**

In determining the market value of an investment account, the PHA will use the value of the account on the most recent investment report.

How anticipated income from an investment account will be calculated depends on whether the rate of return is known. For assets that are held in an investment account with a known rate of return (e.g., savings certificates), asset income will be calculated based on that known rate (market value multiplied by rate of earnings). When the anticipated rate of return is not known (e.g., stocks), the PHA will calculate asset income based on the earnings for the most recent reporting period.

**Equity in Real Property or Other Capital Investments**

Equity (cash value) in a property or other capital asset is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset [HCV GB, p. 5-25 and PH, p. 121].

**PHA Policy**

In determining the equity, the PHA will determine market value by examining recent sales of at least three properties in the surrounding or similar neighborhood that possess comparable factors that affect market value.

The PHA will first use the payoff amount for the loan (mortgage) as the unpaid balance to calculate equity. If the payoff amount is not available, the PHA will use the basic loan balance information to deduct from the market value in the equity calculation.

Equity in real property and other capital investments is considered in the calculation of asset income except for the following types of assets:

- Equity accounts in HUD homeownership programs [24 CFR 5.603(b)]
- Equity in real property when a family member’s main occupation is real estate [HCV GB, p. 5-25]. This real estate is considered a business asset, and income related to this asset will be calculated as described in section 6-I.F.
- Interests in Indian Trust lands [24 CFR 5.603(b)]
- Real property and capital assets that are part of an active business or farming operation [HCV GB, p. 5-25] The PHA must also deduct from the equity the reasonable costs for converting the asset to cash. Using the formula for calculating equity specified above, the net cash value of real property is the market value of the loan (mortgage) minus the expenses to convert to cash [Notice PIH 2012-3].

**BHP Policy**

For the purposes of calculating expenses to convert to cash for real property, the PHA will use ten percent of the market value of the home.

A family may have real property as an asset in two ways: (1) owning the property itself and (2) holding a mortgage or deed of trust on the property. In the case of a property owned by a family
member, the anticipated asset income generally will be in the form of rent or other payment for
the use of the property. If the property generates no income, actual anticipated income from the
asset will be zero.

In the case of a mortgage or deed of trust held by a family member, the outstanding balance
(unpaid principal) is the cash value of the asset. The interest portion only of payments made to
the family in accordance with the terms of the mortgage or deed of trust is counted as anticipated
asset income.

**BHP Policy**

In the case of capital investments owned jointly with others not living in a family’s unit, a
prorated share of the property’s cash value will be counted as an asset unless the PHA
determines that the family receives no income from the property and is unable to sell or
otherwise convert the asset to cash.

**Trusts**

A *trust* is a legal arrangement generally regulated by state law in which one party (the creator or
grantor) transfers property to a second party (the trustee) who holds the property for the benefit
of one or more third parties (the beneficiaries).

**Revocable Trusts**

If any member of a family has the right to withdraw the funds in a trust, the value of the trust is
considered an asset [HCV GB, p. 5-25]. Any income earned as a result of investment of trust
funds is counted as actual asset income, whether the income is paid to the family or deposited in
the trust.

**Nonrevocable Trusts**

In cases where a trust is not revocable by, or under the control of, any member of a family, the
value of the trust fund is not considered an asset. However, any income distributed to the family
from such a trust is counted as a periodic payment or a lump-sum receipt, as appropriate [24 CFR
5.603(b)]. (Periodic payments are covered in section 6-I.H. Lump-sum receipts are discussed
earlier in this section.)

**Retirement Accounts**

**Company Retirement/Pension Accounts**

In order to correctly include or exclude as an asset any amount held in a company retirement or
pension account by an employed person, the PHA must know whether the money is accessible
before retirement [HCV GB, p. 5-26].

While a family member is employed, only the amount the family member can withdraw without
retiring or terminating employment is counted as an asset [HCV GB, p. 5-26].

After a family member retires or terminates employment, any amount distributed to the family
member is counted as a periodic payment or a lump-sum receipt, as appropriate [HCV GB, p. 5-
26], except to the extent that it represents funds invested in the account by the family member.
(For more on periodic payments, see section 6-I.H.) The balance in the account is counted as an asset only if it remains accessible to the family member.

IRA, Keogh, and Similar Retirement Savings Accounts

IRA, Keogh, and similar retirement savings accounts are counted as assets even though early withdrawal would result in a penalty [HCV GB, p. 5-25].

Personal Property

Personal property held as an investment, such as gems, jewelry, coin collections, antique cars, etc., is considered an asset [HCV GB, p. 5-25].

BHP Policy

In determining the value of personal property held as an investment, the PHA will use the family’s estimate of the value. The PHA may obtain an appraisal if there is reason to believe that the family’s estimated value is off by $50 or more. The family must cooperate with the appraiser but cannot be charged any costs related to the appraisal.

Generally, personal property held as an investment generates no income until it is disposed of. If regular income is generated (e.g., income from renting the personal property), the amount that is expected to be earned in the coming year is counted as actual income from the asset.

Necessary items of personal property are not considered assets [24 CFR 5.603(b)].

BHP Policy

Necessary personal property consists of only those items not held as an investment. It may include clothing, furniture, household furnishings, jewelry, and vehicles, including those specially equipped for persons with disabilities.

Life Insurance

The cash value of a life insurance policy available to a family member before death, such as a whole life or universal life policy is included in the calculation of the value of the family’s assets [HCV GB 5-25]. The cash value is the surrender value. If such a policy earns dividends or interest that the family could elect to receive, the anticipated amount of dividends or interest is counted as income from the asset whether or not the family actually receives it.

6-I.G. PERIODIC PAYMENTS

Periodic payments are forms of income received on a regular basis. HUD regulations specify periodic payments that are and are not included in annual income.

Periodic Payments Included in Annual Income

- Periodic payments from sources such as social security, unemployment and welfare assistance, annuities, insurance policies, retirement funds, and pensions. However, periodic payments from retirement accounts, annuities, and similar forms of investments are counted only after they exceed the amount contributed by the family [24 CFR 5.609(b)(4) and (b)(3)].
• **Disability or death benefits and lottery receipts** paid periodically, rather than in a single lump sum [24 CFR 5.609(b)(4) and HCV, p. 5-14]

**Lump-Sum Payments for the Delayed Start of a Periodic Payment**

Most lump sums received as a result of delays in processing periodic payments, such as unemployment or welfare assistance, are counted as income. However, lump-sum receipts for the delayed start of periodic social security or supplemental security income (SSI) payments are not counted as income [CFR 5.609(b)(4)]. Additionally, any deferred disability benefits that are received in a lump sum or in prospective months from the Department of Veterans Affairs are to be excluded from annual income [FR Notice 11/24/2008].

**BHP Policy**

When a delayed-start payment is received and reported in a timely fashion by the family, no retroactive adjustment will be made to the family share and PHA subsidy retroactively.

**Treatment of Overpayment Deductions from Social Security Benefits**

The PHA must make a special calculation of annual income when the Social Security Administration (SSA) overpays an individual, resulting in a withholding or deduction from his or her benefit amount until the overpayment is paid in full. The amount and duration of the withholding will vary depending on the amount of the overpayment and the percent of the benefit rate withheld. Regardless of the amount withheld or the length of the withholding period, the PHA must use the reduced benefit amount after deducting only the amount of the overpayment withholding from the gross benefit amount [Notice PIH 2012-10].

**Periodic Payments Excluded from Annual Income**

• Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone) [24 CFR 5.609(c)(2)] Kinship care payments are considered equivalent to foster care payments and are also excluded from annual income [Notice PIH 2012-1].

**BHP Policy**

The PHA will exclude payments for the care of foster children and foster adults only if the care is provided through an official arrangement with a local welfare agency [HCV GB, p. 5-18].

• Amounts paid by a state agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home [24 CFR 5.609(c)(16)]

• Amounts received under the Low-Income Home Energy Assistance Program (42 U.S.C. 1626(c)) [24 CFR 5.609(c)(17)]

• Amounts received under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858q) [24 CFR 5.609(c)(17)]
• **Earned Income Tax Credit (EITC)** refund payments (26 U.S.C. 32(j)) [24 CFR 5.609(c)(17)]. *Note:* EITC may be paid periodically if the family elects to receive the amount due as part of payroll payments from an employer.

• Lump sums received as a result of delays in processing Social Security and SSI payments (see section 6-I.J.) [24 CFR 5.609(b)(4)].

**6-I.H. PAYMENTS IN LIEU OF EARNINGS**

Payments in lieu of earnings, such as unemployment and disability compensation, worker’s compensation, and severance pay, are counted as income [24 CFR 5.609(b)(5)] if they are received either in the form of periodic payments or in the form of a lump-sum amount or prospective monthly amounts for the delayed start of a periodic payment. If they are received in a one-time lump sum (as a settlement, for instance), they are treated as lump-sum receipts [24 CFR 5.609(c)(3)]. (See also the discussion of periodic payments in section 6-I.H and the discussion of lump-sum receipts in section 6-I.G.)

**6-I.I. WELFARE ASSISTANCE**

**Overview**

Welfare assistance is counted in annual income. Welfare assistance includes Temporary Assistance for Needy Families (TANF) and any payments to individuals or families based on need that are made under programs funded separately or jointly by federal, state, or local governments [24 CFR 5.603(b)].

**Sanctions Resulting in the Reduction of Welfare Benefits [24 CFR 5.615]**

The PHA must make a special calculation of annual income when the welfare agency imposes certain sanctions on certain families. The full text of the regulation at 24 CFR 5.615 is provided as Exhibit 6-5. The requirements are summarized below. This rule applies only if a family was a public housing resident at the time the sanction was imposed.

**Covered Families**

The families covered by 24 CFR 5.615 are those “who receive welfare assistance or other public assistance benefits (‘welfare benefits’) from a State or other public agency (‘welfare agency’) under a program for which Federal, State or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance” [24 CFR 5.615(b)].

**Imputed Income**

When a welfare agency imposes a sanction that reduces a family’s welfare income because the family commits fraud or fails to comply with the agency’s economic self-sufficiency program or work activities requirement, the PHA must include in annual income “imputed” welfare income. The PHA must request that the welfare agency provide the reason for the reduction of benefits and the amount of the reduction of benefits. The imputed welfare income is the amount that the benefits were reduced as a result of the sanction.
This requirement does not apply to reductions in welfare benefits: (1) at the expiration of the lifetime or other time limit on the payment of welfare benefits, (2) if a family member is unable to find employment even though the family member has complied with the welfare agency economic self-sufficiency or work activities requirements, or (3) because a family member has not complied with other welfare agency requirements [24 CFR 5.615(b)(2)].

Offsets
The amount of the imputed welfare income is offset by the amount of additional income the family begins to receive after the sanction is imposed. When the additional income equals or exceeds the imputed welfare income, the imputed income is reduced to zero [24 CFR 5.615(c)(4)].

6-I.J. PERIODIC AND DETERMINABLE ALLOWANCES [24 CFR 5.609(b)(7)]
Annual income includes periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing with a tenant family.

Alimony and Child Support
The PHA must count alimony or child support amounts awarded as part of a divorce or separation agreement.

BHP Policy
The PHA will count court-awarded amounts for alimony and child support unless the PHA verifies that (1) the payments are not being made and (2) the family has made reasonable efforts to collect amounts due, including filing with courts or agencies responsible for enforcing payments [HCV GB, pp. 5-23 and 5-47].

Families who do not have court-awarded alimony and child support awards are not required to seek a court award and are not required to take independent legal action to obtain collection.

Regular Contributions or Gifts
The PHA must count as income regular monetary and nonmonetary contributions or gifts from persons not residing with a tenant family [24 CFR 5.609(b)(7)]. Temporary, nonrecurring, or sporadic income and gifts are not counted [24 CFR 5.609(c)(9)].

BHP Policy
Examples of regular contributions include: (1) regular payment of a family’s bills (e.g., utilities, telephone, rent, credit cards, and car payments), (2) cash or other liquid assets provided to any family member on a regular basis, and (3) “in-kind” contributions such as groceries and clothing provided to a family on a regular basis.

Nonmonetary contributions will be valued at the cost of purchasing the items, as determined by the PHA. For contributions that may vary from month to month (e.g., utility payments), the PHA will include an average amount based upon past history.
6-I.K. ADDITIONAL EXCLUSIONS FROM ANNUAL INCOME

Other exclusions contained in 24 CFR 5.609(c) and updated by FR Notice 12/14/12 that have not been discussed earlier in this chapter include the following:

- Reimbursement of medical expenses [24 CFR 5.609(c)(4)]
- The full amount of student financial assistance paid directly to the student or to the educational institution [24 CFR 5.609(c)(6)], except that in accordance with Section 224 of the FY 2005 Appropriations Act, the portion of any athletic scholarship assistance available for housing costs must be included in annual income [PIH Notice 2005-16].

**BHP Policy**

Regular financial support from parents or guardians to students for food, clothing, personal items, and entertainment is not considered student financial assistance and is included in annual income.

- Amounts received by participants in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred and which are made solely to allow participation in a specific program [24 CFR 5.609(c)(8)(iii)]
- Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS) [(24 CFR 5.609(c)(8)(ii)]
- Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era [24 CFR 5.609(c)(10)]
- Adoption assistance payments in excess of $480 per adopted child [24 CFR 5.609(c)(12)]
- Refunds or rebates on property taxes paid on the dwelling unit [24 CFR 5.609(c)(15)]

- Alimony payments of up to $550 per year.
- Amounts specifically excluded by any other federal statute [24 CFR 5.609(c)(17), and updated by FR Notice 12/14/12]. HUD publishes an updated list of these exclusions periodically. It includes:

PART II: CALCULATING RENT

6-II.A. OVERVIEW OF INCOME-BASED RENT CALCULATIONS

The first step in calculating income-based rent is to determine each family’s total tenant payment (TTP). Then, if the family is occupying a unit that has tenant-paid utilities, the utility allowance is subtracted from the TTP. The result of this calculation, if a positive number, is the tenant rent. If the TTP is less than the utility allowance, the result of this calculation is a negative number, however rent is zero. Per MTW Activity 2013-2, all utility reimbursement payments have been eliminated.

**TTP Formula [24 CFR 5.628]**

HUD regulations specify the formula for calculating the total tenant payment (TTP) for a tenant family. TTP is the highest of the following amounts, rounded to the nearest dollar:

- 26.5% of gross income for elderly and disabled households (MTW Activity 2012-2), (An elderly household is one in which the head, co-head or spouse is 62 years or older. A disabled household is one in which the head, co-head or spouse is an individual with disabilities.) or 26.5% of gross income for work-abled families (MTW Activity 2014-2. (A work-abled household is one which does not fall into the category of elderly or disabled household as defined in this paragraph.)
- 10 percent of the family’s monthly gross income (annual income, as defined in Part I, divided by 12)
- The welfare rent (in as-paid states only)
- A minimum rent between $0 and $120 that is established by the PHA (MTW Activity 2014-2)

The PHA has authority to suspend and exempt families from minimum rent when a financial hardship exists, as defined in section 6-III.B.

The amount that a family pays for rent and utilities (the family share) will never be less than the family’s TTP. MTW Activity 2013-2 no longer allows the Tenant Rent to be less than zero ($0).

**Welfare Rent [24 CFR 5.628]**

- BHP Policy
  - Welfare rent does not apply in this locality.

**Minimum Rent [24 CFR 5.630]**

- BHP Policy
  - The minimum rent for this locality is $50 for elderly and disabled households, or $120 for work-abled families.
Hardship policy for MTW Activity 2012-2

BHP Policy

In the first year of implementation (2012), BHP will not expect any resident to experience more than a 7% increase in rent when applying the 26.5% of gross income for rent activity to elderly and disabled households. Those residents who would be affected will have their rent increase capped to 7%. At each triennial recertification, the 7% cap in increases to resident rent will continue to be in effect (provided all other variables stay the same) until resident rent is equal to 26.5% of gross income. Please refer to the MTW Annual Plan for 2012, Activity 2, G. Rent Reform Initiative Information, 4. Hardship case criteria. The hardship capping a household’s rent increase will continue at 7% at each recertification until the TTP is equal to 26.5% of the gross income for elderly and disabled households.

Hardship policy for MTW Activity 2014-2

BHP Policy

In the first year of implementation (2014), BHP will not expect any resident to experience more than a 7% increase in rent when applying the 26.5% of gross income to rent activity to work-abled families, unless rent burden is less than 26.5%. This hardship cap will only be in effect if all other variables stay the same, such as income and utility allowance. Please refer to the 2014 MTW Annual Plan, Activity 2, I. Hardship Case Criteria for maximum rent increase.

Optional Changes to Income-Based Rents [24 CFR 960.253(c)(2) and PH Occ GB, pp. 131-134]

PHAs have been given very broad flexibility to establish their own, unique rent calculation systems as long as the rent produced is not higher than that calculated using the TTP and mandatory deductions. At the discretion of the PHA, rent policies may structure a system that uses combinations of permissive deductions, escrow accounts, income-based rents, and the required flat and minimum rents.

The PHA’s minimum rent and rent choice policies still apply to affected families. Utility allowances are applied to PHA designed income-based rents in the same manner as they are applied to the regulatory income-based rents.

The choices are limited only by the requirement that the method used not produce a TTP or tenant rent greater than the TTP or tenant rent produced under the regulatory formula.

BHP Policy

Under MTW Activity 2012-2, BHP has chosen to adopt a rent calculation specific to households that are elderly or disabled. An elderly household is one in which the head, co-head or spouse is 62 years or older. A disabled household is one in which the head, co-head or spouse is an individual with disabilities. For these households, the TTP will be based on the higher of:

- 26.5% of gross income; or
- 10% of gross monthly income; or
- $50 minimum TTP.

Under MTW Activity 2014-2, BHP has chosen to adopt a rent calculation specific to households that are work-abled. A work-abled household is one in which the head, co-head or spouse is not elderly or an individual with disabilities. For these households, the TTP will be based on the higher of:
- 26.5% of gross income; or
- 10% of gross monthly income; or
- $50 minimum TTP

**Ceiling Rents [24 CFR 960.253 (c)(2) and (d)]**

Per MTW Activity 2014-4, the PHA has removed the option to have rent capped at the ceiling or flat rent. Rent for all public housing households will be based on 26.5% of gross income (without deductions).

**Utility Reimbursement [24 CFR 960.253(c)(3)]**

MTW Activity 2013-2 eliminates the Utility Reimbursement Payments (URP). Effective in 2013 upon approval of the 2013 MTW Annual Plan, no new instances of a URP will be allowed. Households receiving a URP as of April 2013 will continue to receive the URP until such time that 1) household income increases to where the rent calculation does not provide for a URP; or 2) March 1, 2014. After March 1, 2014, no URP will be made. Utility reimbursement occurs when any applicable utility allowance for tenant-paid utilities exceeds the TTP. HUD permits the PHA to pay the reimbursement to the family or directly to the utility provider.

**BHP Policy**

The PHA will make checks for utility reimbursements payable to the resident based on the time frames noted above.

**6-III.B. FINANCIAL HARDSHIPS AFFECTING MINIMUM RENT [24 CFR 5.630]**

**BHP Policy**

The financial hardship rules described below do apply in this jurisdiction because the PHA has established a minimum rent of $50 for elderly and disabled households and $120 for work-abled households (MTW Activity 2014-2).

**Overview**

If the PHA establishes a minimum rent greater than zero, the PHA must grant an exemption from the minimum rent if a family is unable to pay the minimum rent because of financial hardship.

The financial hardship exemption applies only to families required to pay the minimum rent. If a family’s TTP is higher than the minimum rent, the family is not eligible for a hardship exemption. If the PHA determines that a hardship exists, the TTP is the highest of the remaining components of the family’s calculated TTP.
HUD-Defined Financial Hardship

Financial hardship includes the following situations:

(1) The family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program. This includes a family member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996.

**BHP Policy**

A hardship will be considered to exist only if the loss of eligibility has an impact on the family’s ability to pay the minimum rent.

For a family waiting for a determination of eligibility, the hardship period will end as of the first of the month following (1) implementation of assistance, if approved, or (2) the decision to deny assistance. A family whose request for assistance is denied may request a hardship exemption based upon one of the other allowable hardship circumstances.

(2) The family would be evicted because it is unable to pay the minimum rent.

**BHP Policy**

For a family to qualify under this provision, the cause of the potential eviction must be the family’s failure to pay rent or tenant-paid utilities.

(3) Family income has decreased because of changed family circumstances, including the loss of employment.

(4) A death has occurred in the family.

**BHP Policy**

In order to qualify under this provision, a family must describe how the death has created a financial hardship (e.g., because of funeral-related expenses or the loss of the family member’s income).

(5) The family has experienced other circumstances determined by the PHA.

**BHP Policy**

Other circumstances may include a large medical bill totaling 5% or more of their annual income.

**Implementation of Hardship Exemption**

**Determination of Hardship**

When a family requests a financial hardship exemption, the PHA must suspend the minimum rent requirement beginning the first of the month following the family’s request.

The PHA then determines whether the financial hardship exists and whether the hardship is temporary or long-term.

27 ACOP 02/10/14
BHP Policy

The PHA defines temporary hardship as a hardship expected to last 90 days or less. Long term hardship is defined as a hardship expected to last more than 90 days.

The PHA may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the family’s request for a hardship exemption.

When the minimum rent is suspended, the TTP reverts to the highest of the remaining components of the calculated TTP. The example below demonstrates the effect of the minimum rent exemption.

### Example: Impact of Minimum Rent Exemption

BHP Policy

To qualify for a hardship exemption, a family must submit a request for a hardship exemption in writing. The request must explain the nature of the hardship and how the hardship has affected the family’s ability to pay the minimum rent.

The PHA will make the determination of hardship within 30 calendar days.

No Financial Hardship

If the PHA determines there is no financial hardship, the PHA will reinstate the minimum rent and require the family to repay the amounts suspended.

For procedures pertaining to grievance hearing requests based upon the PHA’s denial of a hardship exemption, see Chapter 14, Grievances and Appeals.

BHP Policy

The PHA will require the family to repay the suspended amount within 30 calendar days of the PHA’s notice that a hardship exemption has not been granted.
**Temporary Hardship**

If the PHA determines that a qualifying financial hardship is temporary, the PHA must reinstate the minimum rent from the beginning of the first of the month following the date of the family’s request for a hardship exemption.

The family must resume payment of the minimum rent and must repay the PHA the amounts suspended. HUD requires the PHA to offer a reasonable repayment agreement, on terms and conditions established by the PHA. The PHA also may determine that circumstances have changed and the hardship is now a long-term hardship.

For procedures pertaining to grievance hearing requests based upon the PHA’s denial of a hardship exemption, see Chapter 14, Grievances and Appeals.

**BHP Policy**

The PHA will enter into a repayment agreement in accordance with the PHA’s repayment agreement policy (see Chapter 16).

**Long-Term Hardship**

If the PHA determines that the financial hardship is long-term, the PHA must exempt the family from the minimum rent requirement for so long as the hardship continues. The exemption will apply from the first of the month following the family’s request until the end of the qualifying hardship. When the financial hardship has been determined to be long-term, the family is not required to repay the minimum rent.

**BHP Policy**

The hardship period ends when any of the following circumstances apply:

1. At an interim or annual reexamination, the family’s calculated TTP is greater than the minimum rent.

2. For hardship conditions based on loss of income, the hardship condition will continue to be recognized until new sources of income are received that are at least equal to the amount lost. For example, if a hardship is approved because a family no longer receives a $60/month child support payment, the hardship will continue to exist until the family receives at least $60/month in income from another source or once again begins to receive the child support.

3. For hardship conditions based upon hardship-related expenses, the minimum rent exemption will continue to be recognized until the cumulative amount exempted is equal to the expense incurred.

**6-III.C. UTILITY ALLOWANCES [24 CFR 965, Subpart E]**

**Overview**

Utility allowances are provided to families paying income-based rents when the cost of utilities is not included in the rent. When determining a family’s income-based rent, the PHA must use the utility allowance applicable to the type of dwelling unit leased by the family.
For policies on establishing and updating utility allowances, see Chapter 16.

**Reasonable Accommodation [24 CFR 8]**

On request from a family, PHAs must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family with a disability [PH Occ GB, p. 172].

Residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies related to reasonable accommodations.

**Utility Allowance Revisions [24 CFR 965.507]**

The PHA must review its schedule of utility allowances each year. Between annual reviews, the PHA must revise the utility allowance schedule if there is a rate change that by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which such allowances were based. Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account in such revision became effective [PH Occ GB, p. 171].

The tenant rent calculations must reflect any changes in the PHA’s utility allowance schedule [24 CFR 960.253(c)(3)].

**BHP Policy**

Unless the PHA is required to revise utility allowances retroactively, revised utility allowances will be applied to a family’s rent calculations at the first annual reexamination after the allowance is adopted.

**6-III.D. PRORATED RENT FOR MIXED FAMILIES [24 CFR 5.520]**

HUD regulations prohibit assistance to ineligible family members. A *mixed family* is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible family members. Per MTW Activity 2014-2, work-abled households with ineligible family members will pay a fee of $90 per ineligible family member per month. This fee will be added to their rent portion.

The PHA must prorate the assistance provided to a mixed family. The PHA will first determine TTP as if all family members were eligible and then prorate the rent based upon the number of family members that actually are eligible. To do this, the PHA must:

1. Subtract the TTP from a maximum rent applicable to the unit. The result is the maximum subsidy for which the family could qualify if all members were eligible.

2. Divide the family maximum subsidy by the number of persons in the family to determine the maximum subsidy per each family member who is eligible (member maximum subsidy).

3. Multiply the member maximum subsidy by the number of eligible family members.
(4) Subtract the subsidy calculated in the last step from the maximum rent. This is the prorated TTP.

(5) Subtract the utility allowance for the unit from the prorated TTP. This is the prorated rent for the mixed family.

6-III.E. FLAT RENTS

Flat Rents

Per MTW Activity 2014-4, all public housing households no longer have the option to choose the flat rent. All households will pay 26.5% of gross income (without deductions) for rent.
EXHIBIT 6-1: ANNUAL INCOME INCLUSIONS

24 CFR 5.609

(a) Annual income means all amounts, monetary or not, which:

(1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or

(2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

(3) Which are not specifically excluded in paragraph (c) of this section.

(4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

(b) Annual income includes, but is not limited to:

(1) The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;

(2) The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family;

(3) Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation is permitted only as authorized in paragraph (b)(2) of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of $5,000, annual income shall include the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD;

(4) The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount (except as provided in paragraph (c)(14) of this section);

(5) Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay (except as provided in paragraph (c)(3) of this section);

(6) Welfare assistance payments.

(i) Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:

(A) Qualify as assistance under the TANF program definition at 45 CFR 260.31; and

(B) Are not otherwise excluded under paragraph (c) of this section.

1 Text of 45 CFR 260.31 follows (next page).
(ii) If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of:

(A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

(B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.

(7) Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling;

(8) All regular pay, special pay and allowances of a member of the Armed Forces (except as provided in paragraph (c)(7) of this section)

(9) For section 8 programs only and as provided in 24 CFR 5.612, any financial assistance, in excess of amounts received for tuition, that an individual receives under the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.), from private sources, or from an institution of higher education (as defined under the Higher Education Act of 1965 (20 U.S.C. 1002)), shall be considered income to that individual, except that financial assistance described in this paragraph is not considered annual income for persons over the age of 23 with dependent children. For purposes of this paragraph, “financial assistance” does not include loan proceeds for the purpose of determining income.

**260.31 What does the term “assistance” mean?**

(a)(1) The term “assistance” includes cash, payments, vouchers, and other forms of benefits designed to meet a family’s ongoing basic needs (i.e., for food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses).

(2) It includes such benefits even when they are:

(i) Provided in the form of payments by a TANF agency, or other agency on its behalf, to individual recipients; and

(ii) Conditioned on participation in work experience or community service (or any other work activity under 261.30 of this chapter).

(3) Except where excluded under paragraph (b) of this section, it also includes supportive services such as transportation and child care provided to families who are not employed.

(b) [The definition of “assistance”] excludes: (1) Nonrecurrent, short-term benefits that:

(i) Are designed to deal with a specific crisis situation or episode of need;

(ii) Are not intended to meet recurrent or ongoing needs; and

(iii) Will not extend beyond four months.

(2) Work subsidies (i.e., payments to employers or third parties to help cover the costs of employee wages, benefits, supervision, and training);

(3) Supportive services such as child care and transportation provided to families who are employed;

(4) Refundable earned income tax credits;

(5) Contributions to, and distributions from, Individual Development Accounts;

(6) Services such as counseling, case management, peer support, child care information and referral, transitional services, job retention, job advancement, and other employment-related services that do not provide basic income support; and

EXHIBIT 6-2: ANNUAL INCOME EXCLUSIONS

24 CFR 5.609

(c) Annual income does not include the following:

(1) Income from employment of children (including foster children) under the age of 18 years;

(2) Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);

(3) Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses (except as provided in paragraph (b)(5) of this section);

(4) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;

(5) Income of a live-in aide, as defined in Sec. 5.403;

(6) Subject to paragraph (b)(9) of this section, the full amount of student financial assistance paid directly to the student or to the educational institution;

(7) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(8) (i) Amounts received under training programs funded by HUD;

(ii) Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);

(iii) Amounts received by a participant in other publicly assisted programs which are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and which are made solely to allow participation in a specific program;

(iv) Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed $200 per month) received by a resident for performing a service for the PHA or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the PHA's governing board. No resident may receive more than one such stipend during the same period of time;

(v) Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives, and are excluded only for the period during which the family member participates in the employment training program;

(9) Temporary, nonrecurring or sporadic income (including gifts);

(10) Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;

(11) Earnings in excess of $480 for each full-time student 18 years old or older (excluding the head of household and spouse);

(12) Adoption assistance payments in excess of $480 per adopted child;

(13) [Reserved]

(14) Deferred periodic amounts from supplemental security income and social security benefits that are received in a lump sum amount or in prospective monthly amounts.
(15) Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;

(16) Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or

(17) Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in 24 CFR 5.609(c) apply. A notice will be published in the Federal Register and distributed to PHAs and housing owners identifying the benefits that qualify for this exclusion. Updates will be published and distributed when necessary. [See the following chart for a list of benefits that qualify for this exclusion.]
24 CFR 5.603(b) Net Family Assets

(1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under Sec. 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

(4) For purposes of determining annual income under Sec. 5.609, the term "net family assets" does not include the value of a home currently being purchased with assistance under part 982, subpart M of this title. This exclusion is limited to the first 10 years after the purchase date of the home.
EXHIBIT 6-4: THE EFFECT OF WELFARE BENEFIT REDUCTION

24 CFR 5.615

Public housing program and Section 8 tenant-based assistance program: How welfare benefit reduction affects family income.

(a) Applicability. This section applies to covered families who reside in public housing (part 960 of this title) or receive Section 8 tenant-based assistance (part 982 of this title).

(b) Definitions. The following definitions apply for purposes of this section:

Covered families. Families who receive welfare assistance or other public assistance benefits ("welfare benefits") from a State or other public agency ("welfare agency") under a program for which Federal, State, or local law requires that a member of the family must participate in an economic self-sufficiency program as a condition for such assistance.

Economic self-sufficiency program. See definition at Sec. 5.603.

Imputed welfare income. The amount of annual income not actually received by a family, as a result of a specified welfare benefit reduction, that is nonetheless included in the family's annual income for purposes of determining rent.

Specified welfare benefit reduction.

(1) A reduction of welfare benefits by the welfare agency, in whole or in part, for a family member, as determined by the welfare agency, because of fraud by a family member in connection with the welfare program; or because of welfare agency sanction against a family member for noncompliance with a welfare agency requirement to participate in an economic self-sufficiency program.

(2) "Specified welfare benefit reduction" does not include a reduction or termination of welfare benefits by the welfare agency:

(i) at expiration of a lifetime or other time limit on the payment of welfare benefits;

(ii) because a family member is not able to obtain employment, even though the family member has complied with welfare agency economic self-sufficiency or work activities requirements; or

(iii) because a family member has not complied with other welfare agency requirements.

(c) Imputed welfare income.

(1) A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the PHA by the welfare agency), plus the total amount of other annual income as determined in accordance with Sec. 5.609.

(2) At the request of the PHA, the welfare agency will inform the PHA in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the PHA of any subsequent changes in the term or amount of such specified welfare benefit reduction. The PHA will use this information to determine the amount of imputed welfare income for a family.

(3) A family's annual income includes imputed welfare income in family annual income, as determined at the PHA's interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the PHA by the welfare agency).

38 ACOP 02/10/14
(4) The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed

(5) The PHA may not include imputed welfare income in annual income if the family was not an assisted resident at the time of sanction.

(d) Review of PHA decision.

(1) Public housing. If a public housing tenant claims that the PHA has not correctly calculated the amount of imputed welfare income in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the tenant written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. The PHA notice shall also state that if the tenant does not agree with the PHA determination, the tenant may request a grievance hearing in accordance with part 966, subpart B of this title to review the PHA determination. The tenant is not required to pay an escrow deposit pursuant to Sec. 966.55(e) for the portion of tenant rent attributable to the imputed welfare income in order to obtain a grievance hearing on the PHA determination.

(2) Section 8 participant. A participant in the Section 8 tenant-based assistance program may request an informal hearing, in accordance with Sec. 982.555 of this title, to review the PHA determination of the amount of imputed welfare income that must be included in the family's annual income in accordance with this section. If the family claims that such amount is not correctly calculated in accordance with HUD requirements, and if the PHA denies the family's request to modify such amount, the PHA shall give the family written notice of such denial, with a brief explanation of the basis for the PHA determination of the amount of imputed welfare income. Such notice shall also state that if the family does not agree with the PHA determination, the family may request an informal hearing on the determination under the PHA hearing procedure.

(e) PHA relation with welfare agency.

(1) The PHA must ask welfare agencies to inform the PHA of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the PHA written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

(2) The PHA is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the PHA. However, the PHA is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.

(3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The PHA shall be entitled to rely on the welfare agency notice to the PHA of the welfare agency's determination of a specified welfare benefits reduction.
Chapter 7

VERIFICATION

INTRODUCTION

The PHA must verify all information that is used to establish the family’s eligibility and level of assistance and is required to obtain written authorization from the family in order to collect the information. Applicants and residents must cooperate with the verification process as a condition of receiving assistance. The PHA must not pass on the cost of verification to the family.

The PHA will follow the verification guidance provided by HUD in Notice PIH 2010-19 and any subsequent guidance issued by HUD, with the exceptions that have been laid out in the MTW Annual Plan. This chapter summarizes those requirements and provides supplementary PHA policies.

Part I describes the general verification process. Part II provides more detailed requirements related to family information (Part II), and Part III provides information on income and assets.

Verification policies, rules and procedures will be modified as needed to accommodate persons with disabilities. All information obtained through the verification process will be handled in accordance with the records management policies established by the PHA.
PART I: GENERAL VERIFICATION REQUIREMENTS

7-I.A. FAMILY CONSENT TO RELEASE OF INFORMATION

The family must supply any information that the PHA or HUD determines is necessary to the administration of the program and must consent to PHA verification of that information [24 CFR 960.259(a)(1)].

Consent Forms

It is required that all adult applicants and tenants sign form HUD-9886, Authorization for Release of Information. The purpose of form HUD-9886 is to facilitate automated data collection and computer matching from specific sources and provides the family's consent only for the specific purposes listed on the form. HUD and the PHA may collect information from State Wage Information Collection Agencies (SWICAs) and current and former employers of adult family members. Only HUD is authorized to collect information directly from the Internal Revenue Service (IRS) and the Social Security Administration (SSA). Adult family members must sign other consent forms as needed to collect information relevant to the family’s eligibility and level of assistance.

Penalties for Failing to Consent [24 CFR 5.232]

If any family member who is required to sign a consent form fails to do so, the PHA will deny admission to applicants and terminate the lease of tenants. The family may request a hearing in accordance with the PHA's grievance procedures.

7-I.B. OVERVIEW OF VERIFICATION REQUIREMENTS

HUD’s Verification Hierarchy [Notice PIH 2010-19]

HUD mandates the use of the EIV system and offers administrative guidance on the use of other methods to verify family information and specifies the circumstances in which each method will be used. In general HUD requires the PHA to use the most reliable form of verification that is available and to document the reasons when the PHA uses a lesser form of verification.

BHP Policy

In order of priority, the forms of verification that the PHA will use are:

- Computer-generated documentation from the income source (MTW Activity 2012-4)
- Hand-carried third-party verification forms to and from the income source (MTW Activity 2012-4)
- Up-front Income Verification (UIV) using HUD’s Enterprise Income Verification (EIV) system
- Up-front Income Verification (UIV) using a non-HUD system
- Written Third Party Verification (may be provided by applicant or resident)
- Written Third-party Verification Form
- Oral Third-party Verification
- Self-Certification

Each of the verification methods is discussed in subsequent sections below.
Requirements for Acceptable Documents

BHP Policy

Any documents used for verification must be the original (not photocopies) and generally must be dated within 60 days of the date they are provided to the PHA. The documents must not be damaged, altered or in any way illegible.

Print-outs from web pages are considered original documents.

Any family self-certifications must be made in a format acceptable to the PHA and must be signed in the presence of a PHA representative or PHA notary public.

File Documentation

The PHA must document in the file how the figures used in income and rent calculations were determined. All verification attempts, information obtained, and decisions reached during the verification process will be recorded in the family’s file in sufficient detail to demonstrate that the PHA has followed all of the verification policies set forth in this ACOP. The record should be sufficient to enable a staff member or HUD reviewer to understand the process followed and conclusions reached.

BHP Policy

The PHA will document, in the family file, the following:

- Reported family annual income
- Value of assets
- Expenses related to deductions from annual income
- Other factors influencing the adjusted income or income-based rent determination

When the PHA is unable to obtain third-party verification, the PHA will document in the family file the reason that third-party verification was not available. [24 CFR 960.259(c)(1);PIH Notice 2010-19]

7-I.C. UP-FRONT INCOME VERIFICATION (UIV)

Up-front income verification (UIV) refers to the PHA’s use of the verification tools available from independent sources that maintain computerized information about earnings and benefits. UIV will be used to the extent that these systems are available to the PHA.

There may be legitimate differences between the information provided by the family and UIV-generated information. If the family disputes the accuracy of UIV data, no adverse action can be taken until the PHA has independently verified the UIV information and the family has been granted an opportunity to contest any adverse findings through the PHA's informal review/hearing processes.(For more on UIV and income projections, see Section 6-I.C.)

Upfront Income Verification Using HUD’s Enterprise Income Verification (EIV) System (Mandatory)

PHAs must use HUD’s EIV system in its entirety as a third-party source to verify tenant employment and income information during mandatory reexaminations or recertifications of family composition and income in accordance with 24 CFR 5.236 and administrative guidance.
issued by HUD. HUD’s EIV system contains data showing earned income, unemployment benefits, social security benefits, and SSI benefits for resident families. The following policies apply to the use of HUD’s EIV system.

**EIV Income Reports**
The data shown on income reports is updated quarterly. Data may be between three and six months old at the time reports are generated.

**BHP Policy**
The PHA will obtain income reports for annual reexaminations on a monthly basis. Reports will be generated as part of the regular reexamination process.

Income reports will be compared to family-provided information as part of the annual reexamination process. Income reports may be used in the calculation of annual income, as described in Chapter 6.I.C. Income reports may also be used to meet the regulatory requirement for third party verification, as described above. Policies for resolving discrepancies between income reports and family-provided information will be resolved as described in Chapter 6.I.C. and in this chapter.

Income reports will be used in interim reexaminations to identify any discrepancies between reported income and income shown in the EIV system, and as necessary to verify and calculate earned income, unemployment benefits, Social Security and/or SSI benefits. EIV will also be used to verify that families claiming zero income are not receiving income from any of these sources.

Income reports will be retained in resident files with the applicable annual or interim reexamination documents.

When the PHA determines through income reports and third-party verification that a family has concealed or under-reported income, corrective action will be taken pursuant to the policies in Chapter 15, Program Integrity.

**EIV Identity Verification**
The EIV system verifies resident identities against Social Security Administration (SSA) records. These records are compared to Public and Indian Housing Information Center (PIC) data for a match on social security number, name, and date of birth.

PHAs are required to use EIV’s *Identity Verification Report* on a monthly basis to improve the availability of income information in EIV [Notice PIH 2012-10].

When identity verification for a resident fails, a message will be displayed within the EIV system and no income information will be displayed.

**BHP Policy**
The PHA will identify residents whose identity verification has failed by reviewing EIV’s *Identity Verification Report* on a monthly basis.
The PHA will attempt to resolve PIC/SSA discrepancies by obtaining appropriate documentation from the tenant. When the PHA determines that discrepancies exist as a result of PHA errors, such as spelling errors or incorrect birth dates, it will correct the errors promptly.

**EIV Multiple Subsidy Report**

The EIV *Multiple Subsidy Report* identifies individuals who may be receiving multiple rental subsidies.

PHAs are required to use EIV’s *Multiple Subsidy Report* on a quarterly basis to identify any participants/residents who are being assisted at another location. PHAs are required to follow up with participants/residents on the report where the discrepancy was not identified and resolved at the time of recertification.

**BHP Policy**

The PHA will identify participants who are receiving multiple subsidies by reviewing EIV’s *Multiple Subsidy Report* on a monthly basis. The PHA will attempt to resolve these discrepancies by discussing them with the participant/resident and obtaining appropriate documentation from the participant. When appropriate, the PHA will follow up with the respective PHA or Owner/Agent of the other location to determine if multiple subsidies are being received. Depending on the results of this investigation, the PHA may need to take action to terminate assistance.

**EIV Existing Tenant Search**

The EIV *Existing Tenant Search* identifies applicants for assisted housing that may be receiving rental assistance at the time of application processing at another location.

PHAs are required to use EIV’s *Existing Tenant Search* at the time they are processing an applicant for admission to determine if the applicant or any applicant household members are currently being assisted at another PHA or Multi-Family Housing location. PHAs are required to follow up with applicants on the report where the discrepancy was identified. Applicants must be given the opportunity to discuss the circumstances. They may want to move from their present location or there may be a case where two assisted families share custody of a minor child. PHAs are required to follow up with the respective PHA or Multi-Family Housing location to confirm the applicant’s participation before admission, if necessary, depending on the outcome of the discussion with the applicant.

**BHP Policy**

The PHA will identify applicants who are receiving rental assistance by reviewing EIV’s *Existing Tenant Search* during the application processing. The PHA will attempt to resolve these discrepancies by discussing them with the applicant and if necessary, the respective PHA or Multi-Family Housing locations. Depending on the results of this investigation, the PHA may need to take action to deny admission to the program.
Upfront Income Verification Using Non-HUD Systems (Optional)
In addition to mandatory use of the EIV system, HUD encourages PHAs to utilize other upfront verification sources.

BHP Policy
The PHA will inform all applicants and residents of its use of the following UIV resources during the admission and reexamination process:

HUD’s EIV system

7-I.D. THIRD-PARTY WRITTEN AND ORAL VERIFICATION

HUD’s current verification hierarchy defines two types of written third-party verification. The more preferable form, “written third-party verification,” consists of an original document generated by a third-party source, which may be received directly from a third-party source or provided to the PHA by the family. If written third-party verification is not available, the PHA must attempt to obtain a “written third-party verification form.” This is a standardized form used to collect information from a third party.

Written Third-Party Verification [Notice PIH 2010-19]
Written third-party verification documents must be original and authentic and may be supplied by the family or received from a third-party source.

Examples of acceptable tenant-provided documents include, but are not limited to: pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

The PHA is required to obtain, at minimum, two current and consecutive pay stubs for determining annual income from wages.

The PHA may reject documentation provided by the family if the document is not an original, if the document appears to be forged, or if the document is altered, mutilated, or illegible.

BHP Policy
Third-party documents provided by the family must be dated within 60 days of the PHA request date.

If the PHA determines that third-party documents provided by the family are not acceptable, the PHA will explain the reason to the family and request additional documentation.

As verification of earned income, the PHA will require the family to provide the two most current, consecutive pay stubs.
Written Third-Party Verification Form
When upfront verification is not available and the family is unable to provide written third-party documents, the PHA must request a written third-party verification form. HUD’s position is that this traditional third-party verification method presents administrative burdens and risks which may be reduced through the use of family-provided third-party documents.

PHAs may mail, fax, or e-mail third-party written verification form requests to third-party sources.

BHP Policy
The PHA will send third-party verification forms directly to the third party.

Third-party verification forms will be sent when third-party verification documents are unavailable or are rejected by the PHA.

Oral Third-Party Verification [Notice PIH 2010-19]
For third-party oral verification, PHAs contact sources, identified by UIV techniques or by the family, by telephone or in person.

Oral third-party verification is mandatory if neither form of written third-party verification is available.

Third-party oral verification may be used when requests for written third-party verification forms have not been returned within a reasonable time—e.g., 10 business days.

PHAs should document in the file the date and time of the telephone call or visit, the name of the person contacted, the telephone number, as well as the information confirmed.

BHP Policy
In collecting third-party oral verification, PHA staff will record in the family’s file the name and title of the person contacted, the date and time of the conversation (or attempt), the telephone number used, and the facts provided.

When any source responds verbally to the initial written request for verification the PHA will accept the verbal response as oral verification but will also request that the source complete and return any verification forms that were provided.

When Third-Party Verification is Not Required [Notice PIH 2010-19]
Third-party verification may not be available in all situations. HUD has acknowledged that it may not be cost-effective or reasonable to obtain third-party verification of income, assets, or expenses when these items would have a minimal impact on the family’s total tenant payment.

BHP Policy
If the family cannot provide original documents, the PHA will pay the service charge required to obtain third-party verification, unless it is not cost effective in which case a self-certification will be acceptable as the only means of verification. The cost of verification will not be passed on to the family.
The cost of postage and envelopes to obtain third-party verification of income, assets, and expenses is not an unreasonable cost [VG, p. 18].

**Primary Documents**

Third-party verification is not required when legal documents are the primary source, such as a birth certificate or other legal documentation of birth.

**Imputed Assets**

The PHA may accept a self-certification from the family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

The PHA may determine that third-party verification is not available if the asset or expense involves an insignificant amount, making it not cost-effective or reasonable to obtain third-party verification [VG, p. 15].

**BHP Policy**

The PHA will accept a self-certification from a family as verification of assets disposed of for less than fair market value [HCV GB, p. 5-28].

**7-I.E. SELF-CERTIFICATION**

Self-certification, or “tenant declaration,” is used as a last resort when the PHA is unable to obtain third-party verification.

When the PHA relies on a tenant declaration for verification of income, assets, or expenses, the family’s file must be documented to explain why third-party verification was not available.

**BHP Policy**

When information cannot be verified by a third party or by review of documents, family members will be required to submit self-certifications attesting to the accuracy of the information they have provided to the PHA.

The PHA may require a family to certify that a family member does not receive a particular type of income or benefit.

The self-certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. All self-certifications must be signed in the presence of a PHA representative or PHA notary public.
PART II: VERIFYING FAMILY INFORMATION

7-II.A. VERIFICATION OF LEGAL IDENTITY

**BHP Policy**
The PHA will require families to furnish verification of legal identity for each household member.

If a document submitted by a family is illegible for any reason or otherwise questionable, more than one of these documents may be required.

If none of these documents can be provided and at the PHA’s discretion, a third party who knows the person may attest to the person’s identity. The certification must be provided in a format acceptable to the PHA and be signed in the presence of a PHA representative or PHA notary public.

Legal identity will be verified for all applicants at the time of eligibility determination and in cases where the PHA has reason to doubt the identity of a person representing him or herself to be a tenant or a member of a tenant family.

7-II.B. SOCIAL SECURITY NUMBERS [24 CFR 5.216 and Notice PIH 2012-10]

The family must provide documentation of a valid social security number (SSN) for each member of the household, with the exception of individuals who do not contend eligible immigration status. Exemptions also include, existing residents who were at least 62 years of age as of January 31, 2010, and had not previously disclosed an SSN.

Note that an individual who previously declared to have eligible immigration status may not change his or her declaration for the purpose of avoiding compliance with the SSN disclosure and documentation requirements or penalties associated with noncompliance with these requirements. Nor may the head of household opt to remove a household member from the family composition for this purpose.
The PHA must accept the following documentation as acceptable evidence of the social security number:

- An original SSN card issued by the Social Security Administration (SSA)
- An original SSA-issued document, which contains the name and SSN of the individual
- An original document issued by a federal, state, or local government agency, which contains the name and SSN of the individual

The PHA may only reject documentation of an SSN provided by an applicant or resident if the document is not an original document, if the original document has been altered, mutilated, is illegible, or if the document appears to be forged.

**BHP Policy**
The PHA will explain to the applicant or resident the reasons the document is not acceptable and request that the individual obtain and submit acceptable documentation of the SSN to the PHA within 90 days.

When a resident requests to add a new household member who is at least 6 years of age, or who is under the age of 6 and has an SSN, the resident must provide the complete and accurate SSN assigned to each new member at the time of reexamination or recertification, in addition to the documentation required to verify it. The PHA may not add the new household member until such documentation is provided.

When a resident requests to add a new household member who is under the age of 6 and has not been assigned an SSN, the resident must provide the SSN assigned to each new child and the required documentation within 90 calendar days of the child being added to the household. A 90-day extension will be granted if the PHA determines that the resident’s failure to comply was due to unforeseen circumstances and was outside of the resident’s control. During the period the PHA is awaiting documentation of the SSN, the child will be counted as part of the assisted household.

**BHP Policy**
The PHA will grant one additional 90-day extension if needed for reasons beyond the resident’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency.

Social security numbers must be verified only once during continuously-assisted occupancy.

**BHP Policy**
The PHA will verify each disclosed SSN by:

- Obtaining documentation from applicants and residents that is acceptable as evidence of social security numbers
- Making a copy of the original documentation submitted, returning it to the individual, and retaining a copy in the file folder
Once an individual’s status is classified as “verified” in HUD’s EIV system, the PHA may, at its discretion, remove and destroy copies of documentation accepted as evidence of social security numbers. The retention of the EIV Summary Report or Income Report is adequate documentation of an individual's SSN.

**PHA Policy**

The PHA will retain documentation accepted as evidence of social security numbers until the file is destroyed three years after move-out date.

### 7-II.C. DOCUMENTATION OF AGE

A birth certificate or other official record of birth is the preferred form of age verification for all family members. For elderly family members an original document that provides evidence of the receipt of social security retirement benefits is acceptable.

**BHP Policy**

If an official record of birth or evidence of social security retirement benefits cannot be provided, the PHA will require the family to submit other documents that support the reported age of the family member (e.g., school records, driver's license if birth year is recorded) and to provide a self-certification.

Age must be verified only once during continuously-assisted occupancy.

### 7-II.D. FAMILY RELATIONSHIPS

Applicants and tenants are required to identify the relationship of each household member to the head of household. Definitions of the primary household relationships are provided in the Eligibility chapter.

**BHP Policy**

Family relationships are verified only to the extent necessary to determine a family’s eligibility and level of assistance. Certification by the head of household normally is sufficient verification of family relationships.

**Marriage**

**BHP Policy**

Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a marital relationship, the PHA will require the family to document the marriage.

A marriage certificate generally is required to verify that a couple is married.

In the case of a common law marriage, the couple must demonstrate that they hold themselves to be married (e.g., by telling the community they are married, calling each other husband and wife, using the same last name, filing joint income tax returns).
Separation or Divorce

BHP Policy
Certification by the head of household is normally sufficient verification. If the PHA has reasonable doubts about a divorce or separation, the PHA will require the family to provide documentation of the divorce, or separation.

A certified copy of a divorce decree, signed by a court officer, is required to document that a couple is divorced.

A copy of a court-ordered maintenance or other court record is required to document a separation.

If no court document is available, documentation from a community-based agency will be accepted.

Absence of Adult Member

BHP Policy
If an adult member who was formerly a member of the household is reported to be permanently absent, the family must provide evidence to support that the person is no longer a member of the family (e.g., documentation of another address at which the person resides such as a lease or utility bill).

Foster Children and Foster Adults

BHP Policy
Third-party verification from the state or local government agency responsible for the placement of the individual with the family is required.

7-II.E. VERIFICATION OF STUDENT STATUS

BHP Policy
Each college student living in a non-parental/guardian household will be required to provide a written/signed certification stating the amount of financial support (even if zero) that he/she anticipates receiving from parents, guardians, or other individuals not living in the household. If the student reports that s/he will be receiving financial support, the PHA will verify the information in accordance with the verification hierarchy in Section 7-IB.

7-II.F. DOCUMENTATION OF DISABILITY

The PHA must verify the existence of a disability in order to allow certain income disallowances and deductions from income. The PHA is not permitted to inquire about the nature or extent of a person’s disability [24 CFR 100.202(c)]. The PHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA will not place this information in the tenant file. Under no circumstances will the PHA request a resident’s medical record(s). For more information on health care privacy laws, see the Department of Health and Human Services’ website at www.os.dhhs.gov.
The above cited regulation does not prohibit the following inquiries, provided these inquiries are made of all applicants, whether or not they are persons with disabilities [VG, p. 24]:

- Inquiry into an applicant’s ability to meet the requirements of ownership or tenancy
- Inquiry to determine whether an applicant is qualified for a dwelling available only to persons with disabilities or to persons with a particular type of disability
- Inquiry to determine whether an applicant for a dwelling is qualified for a priority available to persons with disabilities or to persons with a particular type of disability
- Inquiring whether an applicant for a dwelling is a current illegal abuser or addict of a controlled substance
- Inquiring whether an applicant has been convicted of the illegal manufacture or distribution of a controlled substance

**Family Members Receiving SSA Disability Benefits**

Verification of receipt of SSA benefits or SSI based upon disability is sufficient for verification of disability for the purpose of qualification for waiting list preferences or certain income disallowances and deductions [VG, p. 23].

**BHP Policy**

For family members claiming disability who receive SSI or other disability payments from the SSA, the PHA will attempt to obtain information about disability benefits through the HUD Enterprise Income Verification (EIV) system when it is available, or HUD’s Tenant Assessment Subsystem (TASS). If documentation from HUD’s EIV System or TASS is not available, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member claiming disability status. If the family is unable to provide the document(s), the PHA will ask the family to request a benefit verification letter by either calling SSA at 1-800-772-1213, or by requesting it from [www.ssa.gov](http://www.ssa.gov). Once the applicant or resident receives the benefit verification letter they will be required to provide it to the PHA.

**Family Members Not Receiving SSA Disability Benefits**

Receipt of veteran’s disability benefits, worker’s compensation, or other non-SSA benefits based on the individual’s claimed disability are not sufficient verification that the individual meets HUD’s definition of disability in 24 CFR 5.403, necessary to qualify for waiting list preferences or certain income disallowances and deductions.

**BHP Policy**

For family members claiming disability who do not receive SSI or other disability payments from the SSA, a knowledgeable professional must provide third-party verification that the family member meets the HUD definition of disability. See the Eligibility chapter for the HUD definition of disability. The knowledgeable professional will verify whether the family member does or does not meet the HUD definition.
7-II.G. CITIZENSHIP OR ELIGIBLE IMMIGRATION STATUS [24 CFR 5.508]

Overview

Housing assistance is not available to persons who are not citizens, nationals, or eligible immigrants. Prorated assistance is provided for "mixed families" containing both eligible and ineligible persons. See the Eligibility chapter for detailed discussion of eligibility requirements. This chapter (7) discusses HUD and PHA verification requirements related to citizenship status.

The family must provide a certification that identifies each family member as a U.S. citizen, a U.S. national, an eligible noncitizen or an ineligible noncitizen and submit the documents discussed below for each family member. Once eligibility to receive assistance has been verified for an individual it need not be collected or verified again during continuously-assisted occupancy [24 CFR 5.508(g)(5)]

U.S. Citizens and Nationals

HUD requires a declaration for each family member who claims to be a U.S. citizen or national. The declaration must be signed personally by any family member 18 or older and by a guardian for minors.

The PHA may request verification of the declaration by requiring presentation of a birth certificate, United States passport or other appropriate documentation.

BHP Policy

Family members who claim U.S. citizenship or national status will not be required to provide additional documentation unless the PHA receives information indicating that an individual’s declaration may not be accurate.

Eligible Immigrants

Documents Required

All family members claiming eligible immigration status must declare their status in the same manner as U.S. citizens and nationals.

The documentation required for eligible noncitizens varies depending upon factors such as the date the person entered the U.S., the conditions under which eligible immigration status has been granted, age, and the date on which the family began receiving HUD-funded assistance. Exhibit 7-2 at the end of this chapter summarizes documents family members must provide.

PHA Verification [HCV GB, pp 5-3 and 5-7]

For family members age 62 or older who claim to be eligible immigrants, proof of age is required in the manner described in 7-II.C. of this ACOP. No further verification of eligible immigration status is required.

For family members under the age of 62 who claim to be eligible immigrants, the PHA must verify immigration status with the U.S. Citizenship and Immigration Services (USCIS).

The PHA will follow all USCIS protocols for verification of eligible immigration status.
7-II.H. VERIFICATION OF PREFERENCE STATUS

The PHA must verify any preferences claimed by an applicant that determined his or her placement on the waiting list.

**BHP Policy**

The PHA offers a preference for families who live and/or work within the city limits of Boulder, described in Section 4-III.B.

The PHA may verify that the family qualifies for the local preference based on the family’s submission of the working member’s most recent paycheck stub indicating that the address is within the city limits. The paycheck stub must have been issued to the working member within the last 30 days.

The PHA may also seek third party verification from the employer of the head, spouse, cohead or sole member of a family requesting a preference as a local preference.

The PHA may also use a landlord reference or a copy of the most recent utility bill showing an address within the city limits.
PART III: VERIFYING INCOME AND ASSETS

Chapter 6, Part I of this ACOP describes in detail the types of income that are included and excluded and how assets and income from assets are handled. Any assets and income reported by the family must be verified. This part provides PHA policies that supplement the general verification procedures specified in Part I of this chapter.

7-III.A. EARNED INCOME

Tips

BHP Policy

Unless tip income is included in a family member’s W-2 by the employer, persons who work in industries where tips are standard will be required to sign a certified estimate of tips received for the prior year and tips anticipated to be received in the coming year.

Wages

BHP Policy

For wages other than tips, the family must provide originals of the two most current, consecutive pay stubs.

7-III.B. BUSINESS AND SELF EMPLOYMENT INCOME

BHP Policy

Business owners and self-employed persons will be required to provide:

An audited financial statement for the previous fiscal year if an audit was conducted. If an audit was not conducted, a statement of income and expenses must be submitted and the business owner or self-employed person must certify to its accuracy.

All schedules completed for filing federal and local taxes in the preceding year.

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense, computed using straight-line depreciation rules.

The PHA will provide a format for any person who is unable to provide such a statement to record income and expenses for the coming year. The business owner/self-employed person will be required to submit the information requested and to certify to its accuracy at all future reexaminations.

At any reexamination the PHA may request documents that support submitted financial statements such as manifests, appointment books, cash books, or bank statements.

If a family member has been self-employed less than three (3) months, the PHA will accept the family member's certified estimate of income and schedule an interim reexamination in three (3) months. If the family member has been self-employed for three (3) to twelve (12) months the PHA will require the family to provide documentation of income and expenses for this period and use that information to project income.
7-III.C. PERIODIC PAYMENTS AND PAYMENTS IN LIEU OF EARNINGS

Social Security/SSI Benefits

BHP Policy
To verify the SSA/SSI benefits of applicants, the PHA will request a current (dated within the last 60 days) SSA benefit verification letter from each family member that receives social security benefits. If the family is unable to provide the document(s), the PHA will help the family to request a benefit verification letter from the SSA’s Web site at www.ssa.gov or as the family to request one by calling SSA at 1-800-772-1213. Once the applicant has received the benefit verification letter they will be required to provide it to the PHA.

To verify the SSA/SSI benefits of residents, the PHA will obtain information about social security/SSI benefits through the HUD EIV System and confirm with the resident(s) that the current listed benefit amount is correct. If the resident disputes the EIV-reported benefit amount, or if benefit information is not available in HUD systems, the PHA will request a current SSA benefit verification letter from each family member that receives social security benefits. If a family is unable to provide the document(s) the PHA will help the family request a benefit verification letter from the SSA’s Web site at www.ssa.gov or ask the family to request one by calling SSA at 1-800-772-1213. Once the resident has received the benefit verification letter they will be required to provide it to the PHA.

7-III.D. ALIMONY OR CHILD SUPPORT

BHP Policy
The methods the PHA will use to verify alimony and child support payments differs depending on whether the family declares that it receives regular payments.

If obtained in the following order of priority.
- Copy of the receipts and/or payment stubs for the 60 days prior to PHA request
- Third-party verification form from the person paying the support
- Family's self-certification of amount received.

If the family declares that it receives irregular or no payments, in addition to the verification process listed above, the family must provide evidence that it has taken all reasonable efforts to collect amounts due. This may include:

- A statement from any agency responsible for enforcing payment that shows the family has requested enforcement and is cooperating with all enforcement efforts
- If the family has made independent efforts at collection, a written statement from the attorney or other collection entity that has assisted the family in these efforts

Note: Families are not required to undertake independent enforcement action.
7-III.E. ASSETS AND INCOME FROM ASSETS

Asset Limitation

Per MTW Activity 2012-4, household assets will be verified by third-party verification or documents upon admission to the program. This will provide the baseline for occupancy specialists to use in future years to determine if households are eligible to self-certify to the amount of assets they hold. Households will only need to provide third-party verification or documents if the total of all the household’s assets equals more than $50,000. If the household’s total assets are less than $50,000, the household only needs to self-certify to the amount of assets.

Assets Disposed of for Less than Fair Market Value

The family must certify whether any assets have been disposed of for less than fair market value in the preceding two years. The PHA needs to verify only those certifications that warrant documentation [HCV GB, p. 5-28].

BHP Policy

The PHA will verify the value of assets disposed of only if:

- The PHA does not already have a reasonable estimation of its value from previously collected information, or
- The amount reported by the family in the certification appears obviously in error.

Example 1: An elderly resident reported a $10,000 certificate of deposit at the last annual reexamination and the PHA verified this amount. Now the person reports that she has given this $10,000 to her son. The PHA has a reasonable estimate of the value of the asset; therefore, re-verification of the value of the asset is not necessary.

Example 2: A family member has disposed of its 1/4 share of real property located in a desirable area and has valued her share at approximately $5,000. Based upon market conditions, this declaration does not seem realistic. Therefore, the PHA will verify the value of this asset.

7-III.F. NET INCOME FROM RENTAL PROPERTY

BHP Policy

The family must provide:

- A current executed lease for the property that shows the rental amount or certification from the current tenant
- A self-certification from the family members engaged in the rental of property providing an estimate of expenses for the coming year and the most recent IRS Form 1040 with Schedule E (Rental Income). If schedule E was not prepared, the PHA will require the family members involved in the rental of property to provide a self-certification of income and expenses for the previous year and may request documentation to support the statement including: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense.
7-III.G. RETIREMENT ACCOUNTS

**BHP Policy**

The PHA will accept written third-party documents supplied by the family as evidence of the status of retirement accounts.

The type of original document that will be accepted depends upon the family member’s retirement status.

*Before* retirement, the PHA will accept an original document from the entity holding the account with a date that shows it is the most recently scheduled statement for the account but in no case earlier than 6 months from the effective date of the examination.

*Upon* retirement, the PHA will accept an original document from the entity holding the account that reflects any distributions of the account balance, any lump sums taken and any regular payments.

*After* retirement, the PHA will accept an original document from the entity holding the account dated no earlier than 12 months before that reflects any distributions of the account balance, any lump sums taken and any regular payments.

7-III.H. INCOME FROM EXCLUDED SOURCES

A detailed discussion of excluded income is provided in Chapter 6, Part I.

HUD guidance on verification of excluded income draws a distinction between income which is fully excluded and income which is only partially excluded.

For fully excluded income, the PHA is **not** required to follow the verification hierarchy, document why third-party verification is not available, or report the income on the 50058. Fully excluded income is defined as income that is entirely excluded from the annual income determination (for example, food stamps, earned income of a minor, or foster care funds) [Notice PIH 2013-04].

PHAs may accept a family’s signed application or reexamination form as self-certification of fully excluded income. They do not have to require additional documentation. However, if there is any doubt that a source of income qualifies for full exclusion, PHAs have the option of requiring additional verification.

For partially excluded income, the PHA is **required** to follow the verification hierarchy and all applicable regulations, and to report the income on the 50058. Partially excluded income is defined as income where only a certain portion of what is reported by the family qualifies to be excluded and the remainder is included in annual income (for example, the income of an adult full-time student, or income excluded under the earned income disallowance).

**BHP Policy**

The PHA accept the family’s self-certification as verification of fully excluded income. The PHA may request additional documentation if necessary to document the income source.
The PHA will verify the source and amount of partially excluded income as described in Part 1 of this chapter.

7-III.I. ZERO ANNUAL INCOME STATUS

BHP Policy

The PHA will check UIV sources and/or request information from third-party sources to verify that certain forms of income such as unemployment benefits, TANF, SS, SSI, earned income, etc. are not being received by families claiming to have zero annual income. Participants will be required to sign a zero income certification certifying to the fact that they do not have income of any sort.
Exhibit 7-1: Summary of Documentation Requirements for Noncitizens
[HCV GB, pp. 5-9 and 5-10]

- All noncitizens claiming eligible status must sign a declaration of eligible immigrant status on a form acceptable to the PHA.
- Except for persons 62 or older, all noncitizens must sign a verification consent form.
- Additional documents are required based upon the person's status.

**Elderly Noncitizens**
- A person 62 years of age or older who claims eligible immigration status also must provide proof of age such as birth certificate, passport, or documents showing receipt of SS old-age benefits.

**All other Noncitizens**
- Noncitizens that claim eligible immigration status also must present the applicable USCIS document. Acceptable USCIS documents are listed below.

Chapter 8

LEASING AND INSPECTIONS

[24 CFR 5, Subpart G; 24 CFR 966, Subpart A]

INTRODUCTION

Public housing leases are the contractual basis of the legal relationship between the PHA and the tenant. All units must be occupied pursuant to a dwelling lease agreement that complies with HUD regulations.

HUD regulations require the PHA to inspect each dwelling unit prior to move-in, at move-out, and annually during the period of occupancy. In addition, the PHA may conduct additional inspections in accordance with PHA policy.

This chapter is divided into two parts as follows:

Part I: Leasing. This part describes pre-leasing activities and the PHA’s policies pertaining to lease execution, lease modification, and payments under the lease.

Part II: Inspections. This part describes the PHA’s policies for inspecting dwelling units.
PART I: LEASING

8-I.A. OVERVIEW

An eligible family may occupy a public housing dwelling unit under the terms of a lease. The lease must meet all regulatory requirements, and must also comply with applicable state and local laws and codes.

The term of the lease must be for a period of 12 months. The lease must be renewed automatically for another 12-month term, except that the PHA may not renew the lease if the family has violated the community service requirement [24 CFR 966.4(a)(2)].

Part I of this chapter contains regulatory information on leasing, where applicable, as well as the PHA’s leasing policies.

8-I.B. LEASE ORIENTATION

BHP Policy

After unit acceptance but prior to occupancy, a PHA representative will conduct a lease orientation with the family. The head of household and all members 18 years of age or older are required to attend.

Orientation Agenda

BHP Policy

When families attend the lease orientation, they will be provided with:

- A copy of the lease
- A copy of the PHA’s grievance procedure
- A copy of the house rules
- A copy of the PHA’s schedule of maintenance charges
- A copy of the pamphlet Protect Your Family From Lead in Your Home
- A copy of “Is Fraud Worth It?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse
- A copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19
- Information about the protections afforded by the Violence against Women Act of 2005 (VAWA) to victims of domestic violence, dating violence, and stalking (see section 16-VII.C)

Topics to be discussed and explained to all families include, but not be limited to:

- Rent amount, due date and accepted forms of payment
- Applicable deposits and all other charges
- Review and explanation of lease provisions
8-I.C. EXECUTION OF LEASE

The lease must be executed by the tenant and the PHA, except for automatic renewals of a lease [24 CFR 966.4(a)(3)].

A lease is executed at the time of admission for all new residents. A new lease is also executed at the time of transfer from one PHA unit to another.

The lease must state the composition of the household as approved by the PHA (family members and any PHA-approved live-in aide) [24 CFR 966.4(a)(1)(v)]. See Section 8-I.D. for policies regarding changes in family composition during the lease term.

BHP Policy

The head of household, spouse or cohead, and all other adult members of the household will be required to sign the public housing lease prior to admission. An appointment will be scheduled for the parties to execute the lease. The head of household will be provided a copy of the executed lease and the PHA will retain a copy in the resident’s file.

Files for households that include a live-in aide will contain file documentation signed by the live-in aide, that the live-in aide is not a party to the lease and is not entitled to PHA assistance. The live-in aide is only approved to live in the unit while serving as the care attendant for the family member who requires the care.

8-I.D. MODIFICATIONS TO THE LEASE

The lease may be modified at any time by written agreement of the tenant and the PHA [24 CFR 966.4(a)(3)].

Modifications to the Lease Form

The PHA may modify its lease from time to time. However, the PHA must give residents at least thirty (30) days advance notice of the proposed changes and an opportunity to comment on the changes. The PHA must also consider any comments before formally adopting a new lease [24 CFR 966.3].

After proposed changes have been incorporated into the lease and approved by the Board, each family must be notified at least 60 days in advance of the effective date of the new lease or lease revision. A resident's refusal to accept permissible and reasonable lease modifications that are made in accordance with HUD requirements, or are required by HUD, is grounds for termination of tenancy [24 CFR 966.4(l)(2)(iii)(E)].
BHP Policy

The family will have 30 days to accept the revised lease. If the family does not accept the offer of the revised lease within that 30 day timeframe, the family’s tenancy will be terminated for other good cause in accordance with the policies in Chapter 13.

Schedules of special charges and rules and regulations are subject to modification or revision. Because these schedules are incorporated into the lease by reference, residents and resident organizations must be provided at least thirty days written notice of the reason(s) for any proposed modifications or revisions, and must be given an opportunity to present written comments. The notice must be delivered directly or mailed to each tenant; or posted in at least three conspicuous places within each structure or building in which the affected dwelling units are located, as well as in a conspicuous place at the project office, if any, or if none, a similar central business location within the project. Comments must be taken into consideration before any proposed modifications or revisions become effective [24 CFR 966.5].

After the proposed revisions become effective they must be publicly posted in a conspicuous manner in the project office and must be furnished to applicants and tenants on request [24 CFR 966.5].

BHP Policy

When the PHA proposes to modify or revise schedules of special charges or rules and regulations, the PHA will post a copy of the notice in the central office, and will mail or deliver a copy of the notice to each resident family. Documentation of proper notice will be kept on file at the main office.

Other Modifications

BHP Policy

The lease will be amended to reflect all changes in family composition.

If, for any reason, any member of the household ceases to reside in the unit, a lease addendum will be executed showing the new family composition executed.

If a new household member is approved by the PHA to reside in the unit, a lease addendum will be executed showing the new family composition. If the new member of the household is an adult, s/he will also be required to sign and date the lease.

Policies governing when and how changes in family composition must be reported are contained in Chapter 9, Reexaminations.

8-I.E. SECURITY DEPOSITS [24 CFR 966.4(b)(5)]

At the option of the PHA, the lease may require security deposits. The amount of the security deposit cannot exceed one month’s rent or a reasonable fixed amount as determined by the PHA. The PHA may allow for gradual accumulation of the security deposit by the family, or the family may be required to pay the security deposit in full prior to occupancy. Subject to applicable laws, interest earned on security deposits must be refunded to the tenant after vacating the unit.
BHP Policy

Residents must pay a security deposit to the PHA at the time of admission. The amount of the security deposit will be $200.00 for a disabled and/or elderly family and $300.00 for all other families.

The PHA will hold the security deposit for the period the family occupies the unit. The PHA will not use the security deposit for rent or other charges while the resident is living in the unit.

Within 60 days of move-out, the PHA will refund to the resident the amount of the security deposit (including interest earned on the security deposit), less any amount needed to pay the cost of unpaid rent, damages listed on the move-out inspection report that exceed normal wear and tear, and other charges due under the lease.

The PHA will provide the resident with a written list of any charges against the security deposit within 60 business days of the move-out inspection. If the resident disagrees with the amount charged, the PHA will provide a meeting to discuss the charges.

If the resident transfers to another unit, the PHA will require the resident to pay a new security deposit. The tenant will be billed for any maintenance or other charges due for the “old” unit. These charges will be taken out of the deposit for the “old” unit and any refund will be returned with in 60 days.

8-1F. PAYMENTS UNDER THE LEASE

Rent Payments [24 CFR 966.4(b)(1)]

Families must pay the amount of the monthly tenant rent determined by the PHA in accordance with HUD regulations and other requirements. The amount of the tenant rent is subject to change in accordance with HUD requirements.

The lease must specify the initial amount of the tenant rent at the beginning of the initial lease term, and the PHA must give written notice stating any change in the amount of tenant rent and when the change is effective.

BHP Policy

The tenant rent is due and payable at the PHA-designated location on the first of every month.

If a family’s tenant rent changes, the PHA will notify the family of the new amount and the effective date by sending a "Notice of Rent Adjustment" which will become an attachment to the lease.

Late Fees and Nonpayment

At the option of the PHA, the lease may provide for payment of penalties when the family is late in paying tenant rent [24 CFR 966.4(b)(3)].

The lease must provide that late payment fees are due and collectible within 14 days after the PHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].
The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under the PHA grievance procedures. The PHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

**BHP Policy**

If the family fails to pay their rent by 5:00 p.m. on the fifth day of the month, and the PHA has not agreed to accept payment at a later date, a 14 day Notice to Vacate will be issued to the resident for failure to pay rent, demanding payment in full or the surrender of the premises.

In addition, if the resident fails to make payment by the end of office hours on the fifth day of the month, a late fee of $50.00 will be charged. Notices of late fees will be in accordance with requirements regarding notices of adverse action. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, the PHA may not take action for nonpayment of the fee until the conclusion of the grievance process. If the resident can document financial hardship, the late fee may be waived on a case-by-case basis.

When a check is returned for insufficient funds or is written on a closed account, the rent will be considered unpaid and a late fee of $50.00 and a returned check fee of $20.00 will be charged to the family. The fee will be due and payable 14 days after billing.

Once a check has been returned for insufficient funds, no personal checks will be accepted for a period of 6 months. If a second personal check is returned for insufficient funds, no personal checks will be accepted for the remainder of the person’s tenancy.

If a resident has an automatic payment returned for insufficient funds, the rent will be considered unpaid and a late fee of $50.00 and a returned check fee of $20.00 will be charged to the family.

If the automatic payment is returned for insufficient funds, the automatic payment method will be stopped and the family will need to pay rent via money order or certified check for a period of 6 months. If an automatic payment is returned for insufficient funds a second time, the family will not be able to participate in the automatic payment program for the remainder of tenancy.

**Excess Utility Charges**

If the PHA charges the tenant for consumption of excess utilities, the lease must state the basis for the determination of such charges. The imposition of charges for consumption of excess utilities is permissible only if the charges are determined by an individual check meter servicing the leased unit or result from the use of major tenant-supplied appliances [24 CFR 966.4(b)(2)].

Schedules of special charges for utilities that are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the development office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for excess utility consumption are not due and collectible until two weeks after the PHA gives written notice of the charges. The written notice is
considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right to a hearing under the PHA grievance procedures. The PHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

**BHP Policy**

When applicable, families will be charged for excess utility usage according to the PHA’s current posted schedule. Notices of excess utility charges will be mailed annually. Agreements will be signed by residents and will specify the payment schedule. Charges are due and payable with the rent. If the family requests a grievance hearing within the required timeframe, the PHA may not take action for nonpayment of the charges until the conclusion of the grievance process.

Nonpayment of excess utility charges is a violation of the lease and is grounds for eviction.

**Maintenance and Damage Charges**

If the PHA charges the tenant for maintenance and repair beyond normal wear and tear, the lease must state the basis for the determination of such charges [24 CFR 966.4(b)(2)].

Schedules of special charges for services and repairs which are required to be incorporated in the lease by reference must be publicly posted in a conspicuous manner in the site office and must be furnished to applicants and tenants on request [24 CFR 966.5].

The lease must provide that charges for maintenance and repair beyond normal wear and tear are not due and collectible until 14 days after the PHA gives written notice of the charges. The written notice is considered an adverse action, and must meet the requirements governing a notice of adverse action [24 CFR 966.4(b)(4)].

The notice of proposed adverse action must identify the specific grounds for the action and inform the family of their right for a hearing under the PHA grievance procedures. The PHA must not take the proposed action until the time for the tenant to request a grievance hearing has expired, or (if a hearing was requested within the required timeframe,) the grievance process has been completed [24 CFR 966.4(e)(8)].

**BHP Policy**

When applicable, families will be charged for maintenance and/or damages according to the PHA’s current schedule. Work that is not covered in the schedule will be charged based on the actual cost of labor and materials to make needed repairs (including overtime, if applicable).

Notices of maintenance and damage charges will be mailed monthly and will be in accordance with requirements regarding notices of adverse actions. Charges are due and payable 30 calendar days after billing. If the family requests a grievance hearing within the required timeframe, the PHA may not take action for nonpayment of the charges until the conclusion of the grievance process.
Nonpayment of maintenance and damage charges is a violation of the lease and is grounds for eviction.
PART II: INSPECTIONS

8-II.A. OVERVIEW

HUD regulations require the PHA to inspect each dwelling unit prior to move-in, at move-out, and annually during occupancy. In addition, the PHA may require additional inspections, in accordance with PHA Policy. This part contains the PHA’s policies governing inspections, notification of unit entry, and inspection results.

8-II.B. TYPES OF INSPECTIONS

Move-In Inspections [24 CFR 966.4(i)]

The lease must require the PHA and the family to inspect the dwelling unit prior to occupancy in order to determine the condition of the unit and equipment in the unit. A copy of the initial inspection, signed by the PHA and the resident, must be provided to the resident and be retained in the resident file.

BHP Policy

Any adult family member may attend the initial inspection and sign the inspection form for the head of household.

Move-Out Inspections [24 CFR 966.4(i)]

The PHA must inspect the unit at the time the resident vacates the unit and must allow the resident to participate in the inspection if he or she wishes, unless the tenant vacates without notice to the PHA. The PHA must provide to the tenant a statement of any charges to be made for maintenance and damage beyond normal wear and tear.

The difference between the condition of the unit at move-in and move-out establishes the basis for any charges against the security deposit so long as the work needed exceeds that for normal wear and tear.

BHP Policy

When applicable, the PHA will provide the tenant with a statement of charges to be made for maintenance and damage beyond normal wear and tear, within 60 days of conducting the move-out inspection.

Annual Inspections

The PHA is required to inspect all occupied units annually using HUD's Uniform Physical Condition Standards (UPCS) Under the Public Housing Assessment System (PHAS), HUD’s physical condition inspections do not relieve the PHA of this responsibility to inspect its units[24 CFR902.20(d)].

Quality Control Inspections

The purpose of quality control inspections is to assure that all defects were identified in the original inspection, and that repairs were completed at an acceptable level of craftsmanship and within an acceptable time frame.
BHP Policy
Supervisory quality control inspections will be conducted in accordance with the PHA’s maintenance plan.

Special Inspections
BHP Policy
PHA staff may conduct a special inspection for any of the following reasons:
- Housekeeping
- Unit condition
- Suspected lease violation
- Preventive maintenance
- Routine maintenance
- Pest control
- There is reasonable cause to believe an emergency exists
- Securing the unit during an extended absence

Other Inspections
BHP Policy
Building exteriors, grounds, common areas and systems will be inspected according to the PHA’s maintenance plan.

8-II.C. NOTICE AND SCHEDULING OF INSPECTIONS

Notice of Entry
Non-emergency Entries [24 CFR 966.4(j)(1)]
The PHA may enter the unit, with reasonable advance notification to perform routine inspections and maintenance, make improvements and repairs, or to show the unit for re-leasing. A written statement specifying the purpose of the PHA entry delivered to the dwelling unit at least two days before such entry is considered reasonable advance notification.

BHP Policy
The PHA will notify the resident in writing at least 48 hours prior to any non-emergency inspection.

For regular annual inspections, the resident will receive at least 48-hour written notice of the inspection to allow the family to prepare the unit for the inspection.

Entry for repairs requested by the family will not require prior notice. Resident-requested repairs presume permission for the PHA to enter the unit.

Emergency Entries [24 CFR 966.4(j)(2)]
The PHA may enter the dwelling unit at any time without advance notice when there is reasonable cause to believe that an emergency exists. If no adult household member is present at
the time of an emergency entry, the PHA must leave a written statement showing the date, time and purpose of the entry prior to leaving the dwelling unit.

**Scheduling of Inspections**

**BHP Policy**

Inspections will be conducted during business hours. If a family needs to reschedule an inspection, they must notify the PHA at least 24 hours prior to the scheduled inspection. The PHA will reschedule the inspection no more than once unless the resident has a verifiable good cause to delay the inspection. The PHA may request verification of such cause.

**Attendance at Inspections**

Residents are required to be present for move-in inspections [24 CFR 966.4(i)]. There is no such requirement for other types of inspections.

**BHP Policy**

Except at move-in inspections, the resident is not required to be present for the inspection. The resident may attend the inspection if he or she wishes.

If no one is at home, the inspector will enter the unit, conduct the inspection and leave a card with date and reason for entry.

**8-II.D. INSPECTION RESULTS**

The PHA is obligated to maintain dwelling units and the project in decent, safe and sanitary condition and to make necessary repairs to dwelling units [24 CFR 966.4(e)].

**Emergency Repairs [24 CFR 966.4(h)]**

If the unit is damaged to the extent that conditions are created which are hazardous to the life, health, or safety of the occupants, the tenant must immediately notify the PHA of the damage, and the PHA must make repairs within a reasonable time frame.

If the damage was caused by a household member or guest, the PHA must charge the family for the reasonable cost of repairs. The PHA may also take lease enforcement action against the family.

If the PHA cannot make repairs quickly, the PHA must offer the family standard alternative accommodations. If the PHA can neither repair the defect within a reasonable time frame nor offer alternative housing, rent shall be abated in proportion to the seriousness of the damage and loss in value as a dwelling. Rent shall not be abated if the damage was caused by a household member or guest, or if the resident rejects the alternative accommodations.

**BHP Policy**

When conditions in the unit are hazardous to life, health, or safety, the PHA will make repairs or otherwise abate the situation within 24 hours.

Defects hazardous to life, health or safety include, but are not limited to, the following:

Any condition that jeopardizes the security of the unit
Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling
Natural or LP gas or fuel oil leaks
Any electrical problem or condition that could result in shock or fire
Absence of a working heating system, or temporary heat service provided by maintenance, when outside temperature is below 60 degrees Fahrenheit
Utilities not in service, including no running hot water
Conditions that present the imminent possibility of injury
Obstacles that prevent safe entrance or exit from the unit
Absence of a functioning toilet in the unit
Inoperable smoke detectors

Non-emergency Repairs

BHP Policy

The PHA will correct non-life threatening health and safety defects within 15 business days of the inspection date. If the PHA is unable to make repairs within that period due to circumstances beyond the PHA’s control (e.g. required parts or services are not available, weather conditions, etc.) the PHA will notify the family of an estimated date of completion.

The family must allow the PHA access to the unit to make repairs.

Resident-Caused Damages

BHP Policy

Damages to the unit beyond wear and tear will be billed to the tenant in accordance with the schedule of Maintenance and Damage Charges.

Repeated or excessive damages to the unit beyond normal wear and tear will be considered a serious or repeated violation of the lease.

Housekeeping

BHP Policy

Residents whose housekeeping habits pose a non-emergency health or safety risk, encourage insect or rodent infestation, or cause damage to the unit are in violation of the lease. In these instances, the PHA will provide proper notice of a lease violation.

A reinspection will be conducted within 30 days to confirm that the resident has complied with the requirement to abate the problem. Failure to abate the problem or allow for a reinspection is considered a violation of the lease and may result in termination of tenancy in accordance with Chapter 13.

If the housekeeping habits pose an emergency health or safety risk, a reinspection will be conducted within 3 business days to confirm that the resident has complied with the requirement to abate the problem.
Notices of lease violation will also be issued to residents who purposely disengage the unit’s smoke detector. Only one warning will be given. A second incidence will result in lease termination.

**Special inspections**

**BHP Policy**

If during the course of a special inspection, it is found that the unit is not currently inhabited, not secured and the resident will be gone for an extended time frame, staff will make the determination to secure the unit using appropriate means. This could include, but is not limited to, changing the locks, disposing of decomposing food, shutting off lights and household appliances, closing windows, etc.
Chapter 9

REEXAMINATIONS

INTRODUCTION

The PHA is required to reexamine each family’s income and composition periodically (according to changes made in the MTW Annual Plans), and to adjust the family’s rent accordingly. PHAs must adopt policies for conducting reexaminations that are consistent with regulatory requirements, and must conduct reexaminations in accordance with such policies [24 CFR 960.257(c)].

The frequency with which the PHA must reexamine the income and composition of a family depends on the MTW Activities found in the MTW Annual Plan. For elderly and disabled households, the regularly scheduled recertification takes place every three years. For work-abled households, the regularly scheduled recertification takes place every two years.

This chapter discusses both annual and interim reexaminations.

Part I: Regularly Scheduled Reexaminations for Families Paying Income Based Rents. This part discusses the requirements for regularly scheduled reexamination of income and family composition. Full reexaminations are conducted per the MTW Activities found in the MTW Annual Plan.

Part II: Interim Reexaminations. This part includes HUD requirements, PHA policies and MTW Activities related to when a family may and must report changes that occur between regularly scheduled reexaminations.

Part III: Recalculating Tenant Rent. After gathering and verifying required information for an regularly scheduled or interim reexamination, the PHA must recalculate the tenant rent. While the basic policies that govern these calculations are provided in Chapter 6, this part describes the policies that affect these calculations during a reexamination.

Policies governing reasonable accommodation, family privacy, required family cooperation and program abuse, as described elsewhere in this ACOP, apply to annual and interim reexaminations.
PART I: REGULARLY SCHEDULED REEXAMINATIONS [24 CFR 960.257]

9-I.A. OVERVIEW
The PHA must conduct a reexamination of income and family composition for elderly and disabled households every three years beginning in 2012 (MTW Activity 2012-2) and every two years for work-abled households beginning in 2014 (MTW Activity 2014-2).

For all residents of public housing, the PHA must conduct regularly scheduled review of community service requirement compliance. This regularly scheduled reexamination is also a good time to have residents sign consent forms for criminal background checks in case the criminal history of a resident is needed at some point for the purposes of lease enforcement or eviction.

The PHA is required to obtain all of the information necessary to conduct reexaminations. How that information will be collected is left to the discretion of the PHA. Families are required to provide current and accurate information on income, assets, allowances and deductions, family composition and community service compliance as part of the reexamination process [24 CFR 960.259].

This part contains the PHA’s policies for conducting regularly scheduled reexaminations.

9-I.B. SCHEDULING REGULARLY SCHEDULED REEXAMINATIONS
The PHA must establish a policy to ensure that the annual reexamination for each family paying an income-based rent is completed within a 24-month period for work-abled families (MTW Activity 2014-2), or a 36-month period for elderly and disabled households (MTW Activity 2012-2).

**BHP Policy**

Generally, the PHA will schedule reexaminations to coincide with the family's anniversary date. The PHA will begin the reexamination process approximately 120 days in advance of the scheduled effective date.

*Anniversary date* is defined as 12 or 36 months from the effective date of the family’s last reexamination or, during a family’s first year in the program, from the effective date of the family’s initial examination (admission), with the exception of mass recertifications for work-abled families.

If the family transfers to a new unit, no recertification will be processed, nor will the anniversary date be changed. The PHA will only adjust the rent calculation based on contract rent, unit size and utility allowance.

The PHA may also schedule an reexamination for completion prior to the anniversary date for administrative purposes.

**Notification of and Participation in the Regularly Scheduled Reexamination Process**
The PHA is required to obtain information needed to conduct reexaminations. How that information will be collected is left to the discretion of the PHA. However, PHAs should give tenants who were not provided the opportunity to provide contact information at the time of admission the option to complete Form HUD-92006 at this time. The PHA should provide the
family with the opportunity to update, change, or remove information from the HUD-92006 at the time of the reexamination [Notice PIH 2009-36].

**BHP Policy**

Families generally are encouraged to participate in an Regularly scheduled reexamination interview, which must be attended by the head of household, spouse, or cohead. If participation in an in-person interview poses a hardship because of a family member’s disability, the family should contact the PHA to request a reasonable accommodation.

Notification of annual/triennial reexamination interviews will be sent by first-class mail and will contain the date, time, and location of the interview. In addition, it will inform the family of the information and documentation that must be brought to the interview.

If the family is unable to attend a scheduled interview, the family should contact the PHA in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend the scheduled interview the PHA will follow up with the family in writing if they fail to meet the deadline to submit documentation.

An advocate, interpreter, or other assistant may assist the family in the interview process.

**9-I.C. CONDUCTING REGULARLY SCHEDULED REEXAMINATIONS**

The terms of the public housing lease require the family to furnish information regarding income and family composition as may be necessary for the redetermination of rent, eligibility, and the appropriateness of the housing unit [24 CFR 966.4(c)(2)].

**BHP Policy**

Families will be asked to bring all required information (as described in the reexamination notice) to the reexamination appointment. The required information will include a PHA-designated reexamination form, an Authorization for the Release of Information/Privacy Act Notice, as well as supporting documentation related to the family’s income, expenses, and family composition.

Any required documents or information that the family is unable to provide at the time of the interview must be provided within 10 business days of the interview. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension.

If the family does not provide the required documents or information within the required time period (plus any extensions), the family will be in violation of their lease and may be terminated in accordance with the policies in Chapter 13.

The information provided by the family generally must be verified in accordance with the policies in Chapter 7. Unless the family reports a change, or the PHA has reason to believe a change has occurred in information previously reported by the family, certain types of information that are verified at admission typically do not need to be re-verified on an annual basis. These include:

- Legal identity
- Age
• Social security numbers
• A person’s disability status
• Citizenship or immigration status

**Change in Unit Size**

Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. The PHA may use the results of the regularly scheduled reexamination to require the family to move to an appropriate size unit [24 CFR 960.257(a)(4)]. Policies related to such transfers are located in Chapter 12.

**Criminal Background Checks**

Information obtained through criminal background checks may be used for lease enforcement and eviction [24 CFR 5.903(e)(1)(ii)]. Criminal background checks of residents will be conducted in accordance with the policy in Section 13-IV.B.

**BHP Policy**

Each household member age 18 and over will be required to execute a consent form for a criminal background check as part of the annual/triennial reexamination process.

**Compliance with Community Service**

For families who include nonexempt individuals, the PHA must determine compliance with community service requirements at the regularly scheduled recertification [24 CFR 960.257(a)(3)].

See Chapter 11 for the PHA’s policies governing compliance with the community service requirement.

**9-I.D. EFFECTIVE DATES**

As part of the regularly scheduled reexamination process, the PHA must make appropriate adjustments in the rent after consultation with the family and upon verification of the information [24 CFR 960.257(a)(1)].

**BHP Policy**

In general, an *increase* in the tenant rent that results from an regularly scheduled reexamination will take effect on the family’s anniversary date, and the family will be notified at least 30 days in advance.

If less than 30 days remain before the scheduled effective date, the increase will take effect on the first of the month following the end of the 30-day notice period.

If the PHA chooses to schedule an regularly scheduled reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by the PHA, but will always allow for the 30-day notice period.

If the family causes a delay in processing the regularly scheduled reexamination, *increases* in the family share of the rent will be applied retroactively, to the scheduled effective date of the annual/triennial reexamination. The family will be
responsible for any underpaid rent and may be offered a repayment agreement in accordance with the policies in Chapter 16.

In general, a decrease in the tenant rent that results from an regularly scheduled reexamination will take effect on the family’s anniversary date.

If the PHA chooses to schedule an regularly scheduled reexamination for completion prior to the family’s anniversary date for administrative purposes, the effective date will be determined by the PHA.

If the family causes a delay in processing the regularly scheduled, decreases in the family share of the rent will be applied prospectively, from the first day of the month following completion of the reexamination processing.

Delays in reexamination processing are considered to be caused by the family if the family fails to provide information requested by the PHA by the date specified, and this delay prevents the PHA from completing the reexamination as scheduled.
PART II: INTERIM REEXAMINATIONS [24 CFR 960.257; 24 CFR 966.4]

9-II.A. OVERVIEW

Family circumstances may change during the period between regularly scheduled reexaminations. HUD regulations, PHA policies and MTW Activities define the types of information about changes in family circumstances that must be reported, and under what circumstances the PHA must process interim reexaminations to reflect those changes. HUD regulations also permit the PHA to conduct interim reexaminations of family composition at any time.

In addition to specifying what information the family must report, HUD regulations permit the family to request an interim determination if other aspects of the family’s composition change. The PHA must complete the interim reexamination within a reasonable time after the family’s request.

This part includes HUD regulations, PHA policies and MTW Activities that describe the changes families are required to report, what changes families may choose to report, and how the PHA will process both PHA- and family-initiated interim reexaminations.

9-II.B. CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION

The family is required to report all changes in family composition. The PHA must adopt policies prescribing when and under what conditions the family must report changes in family composition. However, due to provisions of the public housing lease, the PHA has limited discretion in this area.

Changes in family or household composition may make it appropriate to consider transferring the family to comply with occupancy standards. Policies related to such transfers are located in Chapter 12.

BHP Policy

The PHA will conduct interim reexaminations to account for any changes in household composition that occur between regularly scheduled reexaminations.

New Family Members Not Requiring PHA-Approval

The addition of a family member as a result of birth, adoption, or court-awarded custody does not require PHA approval. However, the family is required to promptly notify the PHA of the addition [24 CFR 966.4(a)(1)(v)].

BHP Policy

The family must inform the PHA of the birth, adoption or court-awarded custody of a child within 10 business days.
New Family and Household Members Requiring Approval

With the exception of children who join the family as a result of birth, adoption, or court-awarded custody, a family must request PHA approval to add a new family member [24 CFR 966.4(a)(1)(v)] or other household member (live-in aide or foster child) [24 CFR 966.4(d)(3)]. The PHA may adopt reasonable policies concerning residence by a foster child or a live-in aide, and defining the circumstances in which PHA consent will be given or denied.

Under such policies, the factors considered by the PHA may include [24 CFR 966.4(d)(3)(i)]:

- Whether the addition of a new occupant may necessitate a transfer of the family to another unit, and whether such units are available.
- The PHA’s obligation to make reasonable accommodation for persons with disabilities.

BHP Policy

Families must request PHA approval to add a new family member, live-in aide, foster child, or foster adult. This includes any person not on the lease who is expected to stay in the unit for more than 14 consecutive days or a total of 30 cumulative calendar days during any 12 month period, and therefore no longer qualifies as a “guest.” Requests must be made in writing and approved by the PHA prior to the individual moving into the unit.

The PHA will not approve the addition of new family or household members other than by birth, adoption, court-awarded custody, or marriage, if it will require the family to transfer to a larger size unit (under the transfer policy in Chapter 12), unless the family can demonstrate that there are medical needs or other extenuating circumstances, including reasonable accommodation, that should be considered by the PHA. Exceptions will be made on a case-by-case basis.

The PHA will not approve the addition of a new family or household member unless the individual meets the PHA’s eligibility criteria (see Chapter 3) and documentation requirements (see Chapter 7, Part II).

If the PHA determines that an individual does not meet the PHA’s eligibility criteria or documentation requirements, the PHA will notify the family in writing of its decision to deny approval of the new family or household member and the reasons for the denial.

The PHA will make its determination within 10 business days of receiving all information required to verify the individual’s eligibility.

Departure of a Family or Household Member

BHP Policy

If a family member ceases to reside in the unit, the family must inform the PHA within 10 business days. This requirement also applies to family members who had been considered temporarily absent, who are now permanently absent.

If a live-in aide, foster child, or foster adult ceases to reside in the unit, the family must inform the PHA within 10 business days.
9-II.C. CHANGES AFFECTING INCOME

Per MTW Activity 2014-2 and 2014-3, all interim recertifications involving changes in income have been eliminated. This applies to all households in public housing. At the time of the regularly scheduled recertification, rent will be based on:

1. Current gross income (without deductions) if it is stable and predictable, or
2. The past two years of gross income (annualized) if income is not stable or no income is currently being reported

**Hardship case for decreases in income between regularly scheduled recertifications**

Per the MTW Activities, exceptions can be made based on reasonable accommodation requests, as well as extenuating circumstances, such as a household member who wishes to return to school and needs to reduce their income. Requests will be evaluated on a case-by-case basis. Households who do not qualify for an interim recertification will be referred to the Safety Net Program.

9-II.D. PROCESSING THE INTERIM REEXAMINATION

**Method of Reporting**

**BHP Policy**

The family must notify the PHA of changes in writing and must provide third-party verification of the change.

Generally, the family will not be required to attend an interview for an interim reexamination. However, if the PHA determines that an interview is warranted, the family may be required to attend.

Based on the type of change reported, the PHA will determine the documentation the family will be required to submit. The family must submit any required information or documents within 10 business days of receiving a request from the PHA. This time frame may be extended for good cause with PHA approval. The PHA will accept required documentation by mail, by fax, or in person.

**Effective Dates**

The PHA must make the interim reexamination within a reasonable time after the family request [24 CFR 960.257(b)].

**BHP Policy**

If the family share of the rent is to *increase*:

The increase generally will be effective on the first of the month following 30 days’ notice to the family.

If a family fails to report a change within the required time frames, or fails to provide all required information within the required time frames, the increase will be applied retroactively, to the date it would have been effective had the information been provided on a timely basis. The family will be responsible for
any underpaid rent and may be offered a repayment agreement in accordance with the policies in Chapter 16.

If the family share of the rent is to decrease:

The decrease will be effective on the first day of the month following the month in which the change was reported, provided the change was reported before the 20th of the month. In cases where the change cannot be verified until after the date the change would have become effective, the change will be made retroactively.
PART III: RECALCULATING TENANT RENT

9-III.A. OVERVIEW
For those families paying income-based rent, the PHA must recalculate the rent amount based on the income information received during the reexamination process and notify the family of the changes [24 CFR 966.4, 960.257]. While the basic policies that govern these calculations are provided in Chapter 6, this part lays out policies that affect these calculations during a reexamination.

The tenant rent calculations must reflect any changes in the PHA’s utility allowance schedule [24 CFR 960.253(c)(3)]. Chapter 16 discusses how utility allowance schedules are established.

BHP Policy
Unless the PHA is required to revise utility allowances retroactively, revised utility allowances will be applied to a family’s rent calculations at the first regularly scheduled reexamination after the allowance is adopted.

9-III.C. NOTIFICATION OF NEW TENANT RENT
The public housing lease requires the PHA to give the tenant written notice stating any change in the amount of tenant rent, and when the change is effective [24 CFR 966.4(b)(1)(ii)]. When the PHA redetermines the amount of rent (Total Tenant Payment or Tenant Rent) payable by the tenant, not including determination of the PHA’s schedule of Utility Allowances for families in the PHA’s Public Housing Program, or determines that the tenant must transfer to another unit based on family composition, the PHA must notify the tenant that the tenant may ask for an explanation stating the specific grounds of the PHA determination, and that if the tenant does not agree with the determination, the tenant shall have the right to request a hearing under the PHA’s grievance procedure [24 CFR 966.4(c)(4)].

BHP Policy
The notice to the family will include the annual income, assets and allowance amounts that were used to calculate the tenant rent.

9-III.D. DISCREPENCIES
During a reexamination, the PHA may discover that information previously reported by the family was in error, or that the family intentionally misrepresented information. In addition, the PHA may discover errors made by the PHA. When errors resulting in the overpayment or underpayment of rent are discovered, corrections will be made in accordance with the policies in Chapter 15.
Chapter 10

PETS

[24 CFR 5, Subpart C; 24 CFR 960, Subpart G]

INTRODUCTION

This chapter explains the PHA's policies on the keeping of pets and describes any criteria or standards pertaining to the policies. The rules adopted are reasonably related to the legitimate interest of the PHA to provide a decent, safe and sanitary living environment for all tenants, and to protect and preserve the physical condition of the property, as well as the financial interest of the PHA.

The chapter is organized as follows:

Part I: Assistance Animals. This part explains the difference between assistance animals and pets and contains policies related to the designation of an assistance animal as well as their care and handling.

Part II: Pet policies for all developments. This part includes pet policies that are common to both elderly/disabled developments and general occupancy developments.

Part III: Pet deposits and fees for elderly/disabled and general occupancy developments. This part contains policies for pet deposits and fees that are applicable to elderly/disabled and general occupancy developments.
PART I: ASSISTANCE ANIMALS  
[Section 504; Fair Housing Act (42 U.S.C.); 24 CFR 5.303]

10-I.A. OVERVIEW

This part discusses situations under which permission for an assistance animal may be denied, and also establishes standards for the care of assistance animals.

Assistance animals are animals that assist, support or provide service to a person with a disability, or that provide emotional support that alleviates one or more identified symptoms or effects of a person's disability. Assistance animals – often referred to as “service animals,” “assistive animals,” “support animals,” or “therapy animals” – perform many disability-related functions, including but not limited to the following:

- Guiding individuals who are blind or have low vision
- Alerting individuals who are deaf or hearing impaired
- Providing minimal protection or rescue assistance
- Pulling a wheelchair
- Fetching items
- Alerting persons to impending seizures
- Providing emotional support to persons with disabilities who have a disability-related need for such support

Assistance animals that are needed as a reasonable accommodation for persons with disabilities are not considered pets, and thus, are not subject to the PHA’s pet policies described in Parts II through IV of this chapter [24 CFR 5.303; 960.705].

10-I.B. APPROVAL OF ASSISTANCE ANIMALS

A person with a disability is not automatically entitled to have an assistance animal. Reasonable accommodation requires that there is a relationship between the person’s disability and his or her need for the animal [PH Occ GB, p. 179].

A PHA may not refuse to allow a person with a disability to have an assistance animal merely because the animal does not have formal training. Some, but not all, animals that assist persons with disabilities are professionally trained. Other assistance animals are trained by the owners themselves and, in some cases, no special training is required. The question is whether or not the animal performs the assistance or provides the benefit needed by the person with the disability [PH Occ GB, p. 178].

A PHA’s refusal to permit persons with a disability to use and live with an assistance animal that is needed to assist them, would violate Section 504 of the Rehabilitation Act and the Fair Housing Act unless [PH Occ GB, p. 179]:

- There is reliable objective evidence that the animal poses a direct threat to the health or safety of others that cannot be reduced or eliminated by a reasonable accommodation
• There is reliable objective evidence that the animal would cause substantial physical damage to the property of others.

PHAs have the authority to regulate assistance animals under applicable federal, state, and local law [24 CFR 5.303(b)(3); 960.705(b)(3)].

**BHP Policy**

For an animal to be excluded from the pet policy and be considered an assistance animal, there must be a person with disabilities in the household, and the family must request and the PHA approve a reasonable accommodation in accordance with the policies contained in Chapter 2.

**10-I.C. CARE AND HANDLING**

HUD regulations do not affect any authority a PHA may have to regulate assistance animals under federal, state, and local law [24 CFR 5.303; 24 CFR 960.705].

**BHP Policy**

Residents must care for assistance animals in a manner that complies with state and local laws, including anti-cruelty laws.

Residents must ensure that assistance animals do not pose a direct threat to the health or safety of others, or cause substantial physical damage to the development, dwelling unit, or property of other residents.

When a resident’s care or handling of an assistance animal violates these policies, the PHA will consider whether the violation could be reduced or eliminated by a reasonable accommodation. If the PHA determines that no such accommodation can be made, the PHA may withdraw the approval of a particular assistance animal.
PART II: PET POLICIES FOR ALL DEVELOPMENTS
[24 CFR 5, Subpart C; 24 CFR 960, Subpart G]

10-II.A. OVERVIEW

The purpose of a pet policy is to establish clear guidelines for ownership of pets and to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets. This part contains pet policies that apply to all developments.

10-II.B. MANAGEMENT APPROVAL OF PETS

Registration of Pets

PHAs may require registration of the pet with the PHA [24 CFR 960.707(b)(5)].

BHP Policy

Pets must be registered with the PHA before they are brought onto the premises.

Registration includes documentation signed by a licensed veterinarian or state/local authority that the pet has received all inoculations required by state or local law, and that the pet has no communicable disease(s) and is pest-free. This registration must be renewed annually and will be coordinated with the annual reexamination date.

Pets will not be approved to reside in a unit until completion of the registration requirements.

Refusal to Register Pets

BHP Policy

The PHA will refuse to register a pet if:

The pet is not a common household pet as defined in Section 10-II.C. below

Keeping the pet would violate any pet restrictions listed in this policy

The pet owner fails to provide complete pet registration information, or fails to update the registration annually

The applicant has previously been charged with animal cruelty under state or local law; or has been evicted, had to relinquish a pet or been prohibited from future pet ownership due to pet rule violations or a court order

The PHA reasonably determines that the pet owner is unable to keep the pet in compliance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.

If the PHA refuses to register a pet, a written notification will be sent to the pet owner within 10 business days of the PHA’s decision. The notice will state the reason for
refusing to register the pet and will inform the family of their right to appeal the decision in accordance with the PHA’s grievance procedures.

Pet Agreement

BHP Policy

Residents who have been approved to have a pet must enter into a pet agreement with the PHA, or the approval of the pet will be withdrawn.

The pet agreement is the resident’s certification that he or she has received a copy of the PHA’s pet policy and applicable house rules, that he or she has read the policies and/or rules, understands them, and agrees to comply with them.

The resident further certifies by signing the pet agreement that he or she understands that noncompliance with the PHA’s pet policy and applicable house rules may result in the withdrawal of PHA approval of the pet or termination of tenancy.

10-II.C. STANDARDS FOR PETS [24 CFR 5.318; 960.707(b)]

PHAs may establish reasonable requirements related to pet ownership including, but not limited to:

- Limitations on the number of animals in a unit, based on unit size
- Prohibitions on types of animals that the PHA classifies as dangerous, provided that such classifications are consistent with applicable state and local law
- Prohibitions on individual animals, based on certain factors, including the size and weight of the animal
- Requiring pet owners to have their pets spayed or neutered

PHAs may not require pet owners to have any pet’s vocal cords removed.

Definition of “Common Household Pet”

There is no regulatory definition of common household pet for public housing programs, although the regulations for pet ownership in both elderly/disabled and general occupancy developments use the term. The regulations for pet ownership in elderly/disabled developments expressly authorize PHAs to define the term [24 CFR 5.306(2)].

BHP Policy

*Common household pet* means a domesticated animal, such as a dog, cat, bird, or fish that is traditionally recognized as a companion animal and is kept in the home for pleasure rather than commercial purposes.

The following animals are not considered common household pets:

- Rabbits
- Ferrets
- Reptiles
- Rodents
Pet Restrictions

**BHP Policy**

The following animals are not permitted:

- Any animal whose adult weight will exceed 20 pounds
- Any animal not permitted under state or local law or code

Number of Pets

**BHP Policy**

Residents may own a maximum of 1 pet.

In the case of fish, residents may keep no more than can be maintained in a safe and healthy manner in a tank holding up to 10 gallons. Such a tank or aquarium will be counted as 1 pet. In the case of birds, two birds are allowed under the 1 pet maximum.

The pet policy signed between the resident and the PHA is pet-specific and applies only to that pet. If the pet on the policy leaves the household, and the resident wishes to acquire a new pet, they must submit new pet policy paperwork for the new pet.

Other Requirements

**BHP Policy**

Dogs and cats must be spayed or neutered at the time of registration or, in the case of underage animals, within 30 days of the pet reaching 6 months of age. Exceptions may be made upon veterinary certification that subjecting this particular pet to the procedure would be temporarily or permanently medically unsafe or unnecessary.

Pets must be licensed in accordance with state or local law. Residents must provide proof of licensing at the time of registration and annually, in conjunction with the resident’s annual reexamination.

10-II.D. PET RULES

Pet owners must maintain pets responsibly, in accordance with PHA policies, and in compliance with applicable state and local public health, animal control, and animal cruelty laws and regulations [24 CFR 5.315; 24 CFR 960.707(a)].
Pet Area Restrictions

BHP Policy

Pets must be maintained within the resident's unit. When outside of the unit (within the building or on the grounds) dogs and cats must be kept on a leash or carried. They must be under the control of the resident or other responsible individual at all times.

Pets other than dogs or cats must be kept in a cage or carrier when outside of the unit.

Pets are not permitted in common areas including lobbies, community rooms and laundry areas except for those common areas which are entrances to and exits from the building.

Pet owners are not permitted to exercise pets or permit pets to deposit waste on project premises outside of the areas designated for such purposes.

Designated Pet/No-Pet Areas [24 CFR 5.318(g), PH Occ GB, p. 182]

PHAs may designate buildings, floors of buildings, or sections of buildings as no-pet areas where pets generally may not be permitted. Pet rules may also designate buildings, floors of building, or sections of building for residency by pet-owning tenants.

PHAs may direct initial tenant moves as may be necessary to establish pet and no-pet areas. The PHA may not refuse to admit, or delay admission of, an applicant on the grounds that the applicant’s admission would violate a pet or no-pet area. The PHA may adjust the pet and no-pet areas or may direct such additional moves as may be necessary to accommodate such applicants for tenancy or to meet the changing needs of the existing tenants.

PHAs may not designate an entire development as a no-pet area, since regulations permit residents to own pets.

BHP Policy

With the exception of common areas as described in the previous policy, the PHA has not designated any buildings, floors of buildings, or sections of buildings as no-pet areas. In addition, the PHA has not designated any buildings, floors of buildings, or sections of buildings for residency of pet-owning tenants.

Cleanliness

BHP Policy

The pet owner shall be responsible for the removal of waste from the exercise area by placing it in a sealed plastic bag and disposing of it in an appropriate receptacle.

The pet owner shall take adequate precautions to eliminate any pet odors within or around the unit and to maintain the unit in a sanitary condition at all times.

Litter box requirements:

- Pet owners must promptly dispose of waste from litter boxes and must maintain litter boxes in a sanitary manner.
- Litter shall not be disposed of by being flushed through a toilet.
- Litter boxes shall be kept inside the resident's dwelling unit.
Alterations to Unit

BHP Policy
Pet owners shall not alter their unit, patio, premises or common areas to create an enclosure for any animal.
Installation of pet doors is prohibited.

Noise

BHP Policy
Pet owners must agree to control the noise of pets so that such noise does not constitute a nuisance to other residents or interrupt their peaceful enjoyment of their housing unit or premises. This includes, but is not limited to loud or continuous barking, howling, whining, biting, scratching, chirping, or other such activities.

Pet Care

BHP Policy
Each pet owner shall be responsible for adequate care, nutrition, exercise and medical attention for his/her pet.

Each pet owner shall be responsible for appropriately training and caring for his/her pet to ensure that the pet is not a nuisance or danger to other residents and does not damage PHA property.
No animals may be tethered or chained inside or outside the dwelling unit at any time.

Responsible Parties

BHP Policy
The pet owner will be required to designate a responsible party for the care of the pet if the health or safety of the pet is threatened by the death or incapacity of the pet owner, or by other factors that render the pet owner unable to care for the pet. If no responsible party has been designated, PHA reserves the right to notify the humane society within 12 hours.

Pets Temporarily on the Premises

BHP Policy
Pets that are not owned by a tenant are not allowed on the premises. Residents are prohibited from feeding or harboring stray animals.
This rule does not apply to visiting pet programs sponsored by a humane society or other non-profit organizations, and approved by the PHA.

Pet Rule Violations

BHP Policy
All complaints of cruelty and all dog bites will be referred to animal control or an applicable agency for investigation and enforcement.
If a determination is made on objective facts supported by written statements, that a resident/pet owner has violated the pet rules, written notice will be served.

The notice will contain a brief statement of the factual basis for the determination and the pet rule(s) that were violated. The notice will also state:

- That the pet owner has 10 business days from the effective date of the service of notice to correct the violation or make written request for a meeting to discuss the violation.
- That the pet owner is entitled to be accompanied by another person of his or her choice at the meeting.
- That the pet owner's failure to correct the violation, request a meeting, or appear at a requested meeting may result in initiation of procedures to remove the pet, or to terminate the pet owner's tenancy.

Notice for Pet Removal

**BHP Policy**

If the pet owner and the PHA are unable to resolve the violation at the meeting or the pet owner fails to correct the violation in the time period allotted by the PHA, the PHA may serve notice to remove the pet.

The notice will contain:

- A brief statement of the factual basis for the PHA's determination of the pet rule that has been violated.
- The requirement that the resident /pet owner must remove the pet within 30 calendar days of the notice.
- A statement that failure to remove the pet may result in the initiation of termination of tenancy procedures.

Pet Removal

**BHP Policy**

If the death or incapacity of the pet owner threatens the health or safety of the pet, or other factors occur that render the owner unable to care for the pet, the situation will be reported to the responsible party designated by the pet owner.

If the responsible party is unwilling or unable to care for the pet, or if the PHA after reasonable efforts cannot contact the responsible party, the PHA may contact the appropriate state or local agency and request the removal of the pet.

Termination of Tenancy

**BHP Policy**

The PHA may initiate procedures for termination of tenancy based on a pet rule violation if:

- The pet owner has failed to remove the pet or correct a pet rule violation within the time period specified.
The pet rule violation is sufficient to begin procedures to terminate tenancy under terms of the lease

**Emergencies**

**BHP Policy**

The PHA will take all necessary steps to ensure that pets that become vicious, display symptoms of severe illness, or demonstrate behavior that constitutes an immediate threat to the health or safety of others, are immediately removed from the premises by referring the situation to the appropriate state or local entity authorized to remove such animals.

If it is necessary for the PHA to place the pet in a shelter facility, the cost will be the responsibility of the pet owner.

If the pet is removed as a result of any aggressive act on the part of the pet, the pet will not be allowed back on the premises.
PART III: PET DEPOSITS AND FEES IN ALL DEVELOPMENTS

10-III.A. OVERVIEW
This part describes the PHA’s policies for pet deposits and fees in elderly, disabled, mixed population developments, and general occupancy developments.

10-III.B. PET DEPOSITS

Payment of Deposit
The PHA may require tenants who own or keep pets in their units to pay a refundable pet deposit. This deposit is in addition to any other financial obligation generally imposed on tenants of the project [24 CFR 5.318(d)(1)].

The maximum amount of pet deposit that may be charged by a PHA on a per dwelling unit basis, is the higher of the total tenant payment (TTP) or such reasonable fixed amount as the PHA may require. The PHA may permit gradual accumulation of the pet deposit by the pet owner [24 CFR 5.318(d)(3)].

The pet deposit is not part of the rent payable by the resident [24 CFR 5.318(d)(5)].

BHP Policy
Pet owners are required to pay a pet deposit in addition to any other required deposits. The amount of the deposit is $150.00, and must be paid in full or a payback arrangement signed before the pet is brought on the premises.

Refund of Deposit [24 CFR 5.318(d)(1)]
The PHA may use the pet deposit only to pay reasonable expenses directly attributable to the presence of the pet, including (but not limited to) the costs of repairs and replacements to, and fumigation of, the tenant’s dwelling unit. The PHA must refund the unused portion of the pet deposit to the tenant within a reasonable time after the tenant moves from the project or no longer owns or keeps a pet in the unit.

BHP Policy
The PHA will refund the pet deposit to the resident, less the costs of any damages caused by the pet to the dwelling unit, within 60 days of move-out.

The resident will be billed for any amount that exceeds the pet deposit.

The PHA will provide the resident with a written list of any charges against the pet deposit within 10 business days of the move-out inspection. If the resident disagrees with the amount charged to the pet deposit, the PHA will provide a meeting to discuss the charges.
10-III.C. OTHER CHARGES

Pet-Related Damages During Occupancy

BHP Policy

All reasonable expenses incurred by the PHA as a result of damages directly attributable to the presence of the pet in the project will be the responsibility of the resident, including:

- The cost of repairs and replacements to the resident's dwelling unit
- Fumigation of the dwelling unit
- Repairs to common areas of the project

The expense of flea elimination shall also be the responsibility of the resident.

If the resident is in occupancy when such costs occur, the resident shall be billed for such costs in accordance with the policies in Section 8-I.G, Maintenance and Damage Charges. Pet deposits will not be applied to the costs of pet-related damages during occupancy.

Charges for pet-related damage are not part of rent payable by the resident.

Pet Waste Removal Charge

The regulations do not address the PHA’s ability to impose charges for house pet rule violations. However, charges for violation of PHA pet rules may be treated like charges for other violations of the lease and PHA tenancy rules.

BHP Policy

Actual clean-up charge for pet waste removal will be assessed against pet owners who fail to remove pet waste in accordance with this policy.

Notices of pet waste removal charges will be in accordance with requirements regarding notices of adverse action. Charges are due and payable 14 calendar days after billing. If the family requests a grievance hearing within the required timeframe, the PHA may not take action for nonpayment of the charge until the conclusion of the grievance process.

Charges for pet waste removal are not part of rent payable by the resident.
Chapter 11
COMMUNITY SERVICE

INTRODUCTION

This chapter explains HUD regulations requiring PHAs to implement a community service program for all non-exempt adults living in public housing.

This chapter describes HUD regulations and PHA policies related to these topics in two parts:

Part I: Community Service Requirements. This part describes who is subject to the community service requirement, which is exempt, and HUD’s definition of economic self-sufficiency.

Part II: PHA Implementation of Community Service. This part provides PHA policy regarding PHA implementation and program design.
PART I: COMMUNITY SERVICE REQUIREMENT

11-I.A. OVERVIEW

HUD regulations pertaining to the community service requirement are contained in 24 CFR 960 Subpart F (960.600 through 960.609). PHAs and residents must comply with the community service requirement, effective with PHA fiscal years that commenced on or after October 1, 2000. Per 903.7(l)(1)(iii), the PHA Plan must contain a statement of how the PHA will comply with the community service requirement, including any cooperative agreement that the PHA has entered into or plans to enter into.

Community service is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities [24 CFR 960.601(b)].

In administering community service requirements, the PHA must comply with all nondiscrimination and equal opportunity requirements [24 CFR 960.605(c)(5)].

11-I.B. REQUIREMENTS

Each adult resident of the PHA, who is not exempt, must [24 CFR 960.603(a)]:

- Contribute 8 hours per month of community service; or
- Participate in an economic self-sufficiency program (as defined in the regulations) for 8 hours per month; or
- Perform 8 hours per month of combined activities (community service and economic self-sufficiency programs).

**BHP Policy**

An individual may not skip a month and then double up the following month, unless special circumstances warrant it. The PHA will make the determination of whether to permit a deviation from the schedule.

Individuals who have special circumstances which they believe will prevent them from completing the required community service hours for a given month, must notify the PHA in writing within 10 business days of the circumstances becoming known. The PHA will review the request and notify the individual, in writing, of its determination within 10 business days. The PHA may require those individuals to provide documentation to support their claim.

**Definitions**

**Exempt Individual [24 CFR 960.601(b)], Notice PIH 2009-48**

An exempt individual is an adult who:

- Is age 62 years or older
- Is blind or disabled (as defined under section 216[i][l] or 1614 of the Social Security Act),
and who certifies that because of this disability s/he is unable to comply with the service provisions

- Is a primary caretaker of such an individual
- Is engaged in work activities

**BHP Policy**

The PHA will consider 30 hours per week as the minimum number of hours needed to qualify for a work activity exemption.

- Is able to meet the requirements of being exempted under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which the PHA is located, including a state-administered welfare-to-work program;
- This exemption applies to anyone whose characteristics or family situation meet the welfare agency exemption criteria and can be verified.
- Is a member of a family receiving assistance, benefits, or services under a state program funded under part A of title IV of the Social Security Act, or under any other welfare program of the state in which the PHA is located, including a state-administered welfare-to-work program, and has not been found by the state or other administering entity to be in noncompliance with such program.
- Is pregnant or the sole caretaker of a child not of school age.
- Is attending school full time.

**Community Service** [[24 CFR 960.601(b), Notice PIH 2009-48]]

*Community service* is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self responsibility in the community. Community service is not employment and may not include political activities. Eligible community service activities include, but are not limited to, work at:

- Local public or nonprofit institutions: such as schools, head start programs, before or after school programs, child care centers, hospitals, clinics, hospices, nursing homes, recreation centers, senior centers, adult day care programs, homeless shelters, feeding programs, food banks (distributing either donated or commodity foods), or clothes closets, (distributing donated clothing).
- Nonprofit organization that serving PHA residents or their children such as: Boy or Girl Scouts, Boys or Girls Club, 4-H clubs, Police Assistance League (PAL), organized children’s recreation, mentoring or education programs, Big Brothers or Big Sisters, garden centers, community clean-up programs, beautification programs,
- Programs funded under the Older American Act, such as Green Thumb, Service Corps of Retired Executives, senior meals programs, seniors centers, Meals on Wheels
- Public or nonprofit organizations dedicated to seniors, youth, children, residents, citizens, special-needs populations or with missions to enhance the environment, historic resources, cultural identities, neighborhoods, or performing arts
- PHA housing to improve grounds or provide gardens (so long as such work does not alter the PHA’s insurance coverage); or work through resident organizations to help other residents with problems, including serving on the Resident Advisory Board.

- Caring for the children of other residents so parent may volunteer.

PHAs may form their own policy in regards to accepting community services at profit-motivated entities, acceptance of volunteer work performed at homes or offices of general private citizens, and court-ordered or probation-based work.

**BHP Policy**

Community services at profit-motivated entities, volunteer work performed at homes or offices of general private citizens, and court-ordered or probation-based work will not be considered eligible community service activities.

**Economic Self-Sufficiency Program** [24 CFR 5.603(b), Notice PIH 2009-48]

For purposes of satisfying the community service requirement, an *economic self-sufficiency program* is defined by HUD as: any program designed to encourage, assist, train, or facilitate economic independence of assisted families or to provide work for such families. Eligible self-sufficiency activities include, but are not limited to:

- Job readiness or job training
- Training programs through local one-stop career centers, workforce investment boards (local entities administered through the U.S. Department of Labor), or other training providers
- Employment counseling, work placement, or basic skills training
- Education, including higher education (junior college or college), GED classes, or reading, financial, or computer literacy classes
- Apprenticeships (formal or informal)

- Any other program necessary to ready a participant to work (such as substance abuse or mental health counseling)

**Work Activities** [42 U.S.C. 607(d)]

As it relates to an exemption from the community service requirement, *work activities* means:

- Unsubsidized employment
- Subsidized private sector employment
- Subsidized public sector employment
- Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not available
- On-the-job training
- Job search and job readiness assistance
- Community service programs
- Vocational educational training (not to exceed 12 months with respect to any individual)
- Job skills training directly related to employment
- Education directly related to employment, in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency
- Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate
- Provision of child care services to an individual who is participating in a community service program

Notification Requirements [24 CFR 960.605(c)(2), Notice PIH 2009-48]

The PHA must give each family a written description of the community service requirement, the process for claiming status as an exempt person, and the process for PHA verification of exempt status. The PHA must also notify the family of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt. In addition, the family must sign a certification, Attachment A of Notice PIH 2009-48, that they have received and read the policy and understand that if they are not exempt, failure to comply with the requirement will result in nonrenewal of their lease.

BHP Policy

The PHA will provide the family with a copy of the Community Service Policy found in Exhibit 11-1 of this chapter, at lease-up, lease renewal, when a family member is determined to be subject to the community service requirement during the lease term, and at any time upon the family’s request.

On an annual basis, at the time of lease renewal, the PHA will notify the family in writing of the family members who are subject to the community service requirement and the family members who are exempt. If the family includes non-exempt individuals the notice will include a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which they may record the activities they perform and the number of hours contributed. The form will also have a place for a signature by an appropriate official, who will certify to the activities and hours completed.

11-I.C. DETERMINATION OF EXEMPTION STATUS AND COMPLIANCE [24 CFR 960.605(c)(3)]

The PHA must review and verify family compliance with service requirements annually at least 30 days before the end of the twelve month lease term. The policy for documentation and verification of compliance with service requirements may be found at Section 11-I.D., Documentation and Verification.

BHP Policy

Where the lease term does not coincide with the effective date of the annual reexamination, the PHA will change the effective date of the annual reexamination to coincide with the lease term. In making this change, the PHA will ensure that the annual
reexamination is conducted within 12 months of the last annual reexamination.

**Annual Determination**

**Determination of Exemption Status**

An exempt individual is excused from the community service requirement [24 CFR 960.603(a)].

**BHP Policy**

At the time of annual recertification, the PHA will review and verify the exemption status of all adult family members. This verification will only be done on an annual basis unless the family reports a change or the PHA has reason to believe that an individual’s exemption status has changed. For individuals who are exempt because they are 62 years of age and older, verification of exemption status will be done only at the initial examination.

Upon completion of the verification process, the PHA will notify the family of its determination in accordance with the policy in Section 11-I.B., Notification Requirements.

**Determination of Compliance**

The PHA must review resident family compliance with service requirements annually at least 30 days before the end of the twelve month lease term [24 CFR 960.605(c)(3)]. As part of this review, the PHA must verify that any family member that is not exempt from the community service requirement has met his or her service obligation.

**BHP Policy**

At the time of annual recertification, the PHA will provide written notice requiring the family to submit documentation that all subject family members have complied with the service requirement. The family will have 10 business days to submit the PHA required documentation form(s).

If the family fails to submit the required documentation within the required timeframe, or PHA approved extension, the subject family members will be considered noncompliant with community service requirements, and notices of noncompliance will be issued pursuant to the policies in Section 11-I.E., Noncompliance.

**Change in Status between Annual Determinations**

**BHP Policy**

Exempt to Non-Exempt Status

If an exempt individual becomes non-exempt during the twelve month lease term, it is the family’s responsibility to report this change to the PHA within 10 business days.

Within 10 business days of a family reporting such a change, or the PHA determining such a change is necessary, the PHA will provide written notice of the effective date of the requirement, a list of agencies in the community that provide volunteer and/or training opportunities, as well as a documentation form on which the family member may record the activities performed and number of
hours contributed.

The effective date of the community service requirement will be the first of the month following 30 day notice.

Non-Exempt to Exempt Status

If a non-exempt person becomes exempt during the twelve month lease term, it is the family’s responsibility to report this change to the PHA within 10 business days. Any claim of exemption will be verified by the PHA in accordance with the policy at 11-I.D., Documentation and Verification of Exemption Status.

Within 10 business days of a family reporting such a change, or the PHA determining such a change is necessary, the PHA will provide the family written notice that the family member is no longer subject to the community service requirement, if the PHA is able to verify the exemption.

The exemption will be effective immediately.

11-I.D. DOCUMENTATION AND VERIFICATION [24 CFR 960.605(c)(4)]

The PHA must retain reasonable documentation of service requirement performance or exemption in participant files.

Documentation and Verification of Exemption Status

**BHP Policy**

All family members who claim they are exempt from the community service requirement will be required to sign the community service exemption certification form found in Exhibit 11-3. The PHA will provide a completed copy to the family and will keep a copy in the tenant file.

The PHA will verify that an individual is exempt from the community service requirement by following the verification hierarchy and documentation requirements in Chapter 7.

The PHA makes the final determination whether or not to grant an exemption from the community service requirement. If a resident does not agree with the PHA’s determination, s/he can dispute the decision through the PHA’s grievance procedures (see Chapter 14).

Documentation and Verification of Compliance

At each regularly scheduled reexamination, each nonexempt family member presents a signed standardized certification form developed by the PHA of community service and self-sufficiency activities performed over the last 12 months [Notice PIH 2009-48].

If qualifying community service activities are administered by an organization other than the PHA, a family member who is required to fulfill a service requirement must provide certification to the PHA, signed by the organization, that the family member has performed the qualifying activities [24 CFR 960.607].
BHP Policy

If anyone in the family is subject to the community service requirement, the PHA will provide the family with community service documentation forms at admission, at lease renewal, when a family member becomes subject to the community service requirement during the lease term, or upon request by the family.

Each individual who is subject to the requirement will be required to record their community service or self-sufficiency activities and the number of hours contributed on the required form. The certification form will also include places for signatures and phone numbers of supervisors, instructors, and counselors certifying to the number of hours contributed.

Families will be required to submit the documentation to the PHA, upon request by the PHA.

If the PHA has reasonable cause to believe that the certification provided by the family is false or fraudulent, the PHA has the right to require third-party verification.

11-I.E. NONCOMPLIANCE

Initial Noncompliance

The lease specifies that it is renewed automatically for all purposes, unless the family fails to comply with the community service requirement. Violation of the service requirement is grounds for nonrenewal of the lease at the end of the twelve month lease term, but not for termination of tenancy during the course of the twelve month lease term [24 CFR 960.603(b)].

If the tenant or another family member has violated the community service requirement, the PHA may not renew the lease upon expiration of the twelve-month term of the lease, unless the tenant and any other noncompliant family member enter into a written agreement with the PHA. Under this agreement the tenant or noncompliant family member must agree to cure the noncompliance by completing the additional hours of community service or economic self-sufficiency needed to make up the total number of hours required, over the twelve-month term of the new lease. In addition, all other members of the family who are subject to the service requirement must be currently complying with the service requirement or must no longer be residing in the unit [24 CFR 960.607(c), Notice PIH 2009-48].

Notice of Initial Noncompliance [24 CFR 960.607(b)]

If the PHA determines that there is a family member who is required to fulfill a service requirement, but who has failed to comply with this obligation (noncompliant resident), the PHA must notify the tenant of this determination.

The notice to the tenant must briefly describe the noncompliance. The notice must state that the PHA will not renew the lease at the end of the twelve-month lease term unless the tenant, and any other noncompliant resident, enter into a written agreement with the PHA to cure the noncompliance, or the family provides written assurance satisfactory to the PHA that the tenant or other noncompliant resident no longer resides in the unit.

The notice must also state that the tenant may request a grievance hearing on the PHA’s determination, in accordance with the PHA’s grievance procedures, and that the tenant may
exercise any available judicial remedy to seek timely redress for the PHA’s nonrenewal of the lease because of the PHA’s determination.

**BHP Policy**

The notice of initial noncompliance will be sent at least 45 days prior to the end of the lease term.

The family will have 10 business days from the date of the notice of noncompliance to enter into a written agreement to cure the noncompliance over the 12 month term of the new lease, provide documentation that the noncompliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a noncompliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before the PHA will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the family member that previously resided with them.

If the family does not request a grievance hearing, or does not take either corrective action required by the notice of noncompliance within the required 10 business day timeframe, the PHA will terminate tenancy in accordance with the policies in Section 13-IV.D.

**Continued Noncompliance [24 CFR 960.607(b)]**

If, after the 12 month cure period, the family member is still not compliant, the PHA must terminate tenancy of the entire family, according to the PHA’s lease, unless the family provides documentation that the noncompliant resident no longer resides in the unit.

**BHP Policy**

Notices of continued noncompliance will be sent at least 30 days prior to the end of the lease term and will also serve as the family’s termination notice. The notice will meet the requirements for termination notices described in Section 13-IV.D, Form, Delivery, and Content of the Notice.

The family will have 10 business days from the date of the notice of non-compliance to provide documentation that the noncompliant resident no longer resides in the unit, or to request a grievance hearing.

If the family reports that a noncompliant family member is no longer residing in the unit, the family must provide documentation that the family member has actually vacated the unit before the PHA will agree to continued occupancy of the family. Documentation must consist of a certification signed by the head of household as well as evidence of the current address of the noncompliant family member that previously resided with them.

If the family does not request a grievance hearing, or provide such documentation within the required 10 business day timeframe, the family’s lease and tenancy will automatically terminate at the end of the current lease term without further notice.
Enforcement Documentation [Notice PIH 2009-48]
PHAs are required to initiate due process (see 24 CFR 966.53(c)) against households failing to comply with lease requirements including the community service and self-sufficiency requirement.

When initiating due process, the PHA must take the following procedural safeguards:

- Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction
- Right of the tenant to be represented by counsel
- Opportunity for the tenant to refute the evidence presented by the PHA, including the right to confront and cross-examine witnesses and present any affirmative legal or equitable defense which the tenant may have
- A decision on merits
PART II: IMPLEMENTATION OF COMMUNITY SERVICE

11-II.A. OVERVIEW

Each PHA must develop a policy for administration of the community service and economic self-sufficiency requirements for public housing. It is in the PHA’s best interests to develop a viable, effective community service program, to provide residents the opportunity to engage in the community and to develop competencies.

PHA Implementation of Community Service

The PHA may not substitute any community service or self-sufficiency activities performed by residents for work ordinarily performed by PHA employees, or replace a job at any location where residents perform activities to satisfy the service requirement [24 CFR 960.609].

BHP Policy

The PHA will notify its insurance company if residents will be performing community service at the PHA. In addition, the PHA will ensure that the conditions under which the work is to be performed are not hazardous.

If a disabled resident certifies that s/he is able to perform community service, the PHA will ensure that requests for reasonable accommodation are handled in accordance with the policies in Chapter 2.

PHA Program Design

The PHA may administer qualifying community service or economic self-sufficiency activities directly, or may make community service activities available through a contractor, or through partnerships with qualified organizations, including resident organizations, and community agencies or institutions [24 CFR 960.605(b)].

BHP Policy

The PHA will attempt to provide the broadest choice possible to residents as they choose community service activities.

The PHA’s goal is to design a service program that gives residents viable opportunities to become involved in the community and to gain competencies and skills. The PHA will work with resident organizations and community organizations to design, implement, assess and recalibrate its community service program.

The PHA will make every effort to identify volunteer opportunities throughout the community, especially those in proximity to public housing developments. To the greatest extent possible, the PHA will provide names and contacts at agencies that can provide opportunities for residents, including persons with disabilities, to fulfill their community service obligations.

Any written agreements or partnerships with contractors and/or qualified organizations, including resident organizations, are described in the PHA Plan.

The PHA will provide in-house opportunities for volunteer work or self-sufficiency programs when possible.
If the PHA has a ROSS program, a ROSS Service Coordinator, or an FSS program, the
PHA will coordinate individual training and service plans (ITSPs) with the community
service requirement. Regular meetings with PHA coordinators will satisfy community
service activities and PHA coordinators will verify community service hours within
individual monthly logs.
EXHIBIT 11-1: COMMUNITY SERVICE AND SELF-SUFFICIENCY POLICY
FOR BOULDER HOUSING PARTNERS

A. Background

The Federal Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self sufficiency and economic independence. This is a requirement of the Public Housing Lease.

B. Definitions

Community Service – volunteer work which includes, but is not limited to:
- Work at a local institution including but not limited to: school, child care center, hospital, hospice, recreation center, senior center, adult day care center, homeless shelter, indigent feeding program, cooperative food bank, etc.;
- Work with a non-profit organization that serves public housing residents or their children such as: Boy Scouts, Girl Scouts, Boys or Girls clubs, 4-H program, PAL, Garden Center, Community clean-up programs, beautification programs, other youth or senior organizations;
- Work at Boulder Housing Partners to help improve physical conditions;
- Work at BHP to help with children’s programs;
- Work at BHP to help with senior programs;
- Helping neighborhood groups with special projects;
- Working through resident organization to help other residents with problems, serving as an officer in a Resident organization, serving on the Resident Advisory Board; or
- Caring for the children of other residents so they may volunteer.

NOTE: Political activity is excluded.

Self Sufficiency Activities – activities include but are not limited to:
- Job readiness programs;
- Job training programs;
- GED classes;
- Substance abuse or mental health counseling;
- English proficiency or literacy (reading) classes;
- Apprenticeships;
- Budgeting and credit counseling;
- Any kind of class that helps a person toward economic independence; and
- Full-time student status at any school, college or vocational school.

Exempt Adult – an adult member of the family who:
- Is 62 years of age or older;
- Has a disability that prevents him/her from being gainfully employed;
- Is the caretaker of a disabled person;
- Is working at least 30 hours per week; or
- Is participating in a welfare-to-work program; or
- Is the full-time care giver of a child under the age of 5, or is pregnant.
C. Requirements of the Program

1. The eight (8) hours per month may be either volunteer work or self-sufficiency activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. Boulder Housing Partners will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of BHP.
4. Family obligations
   • At lease execution or re-examination after February 1, 2000, all adult members (18 or older) of a public housing resident family must:
     a. provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
     b. sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in non-renewal of their lease.
   • At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by BHP) of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.
   • If a family member is found to be noncompliant at re-examination, he/she and the Head of Household will sign an agreement with BHP to make up the deficient hours over the next twelve (12) month period.
5. Change in exempt status:
   • If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to BHP and provide documentation of such.
   • If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to BHP. BHP will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

D. BHP obligations

1. To the greatest extent possible and practicable, BHP will:
   • provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service requirement); and
   • provide in-house opportunities for volunteer work or self-sufficiency programs.
2. BHP will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
3. BHP will make the final determination as to whether or not a family member is exempt from the Community Service Requirement. Residents may use the BHP Grievance Procedure if they disagree with their determination.
4. Noncompliance of family members
   • At least thirty (30) days prior to annual re-examination and/or lease expiration, BHP will begin reviewing the exempt or non-exempt status and compliance of family members;
• If BHP finds a family member to be noncompliant, BHP will enter into an agreement with the noncompliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period;
• If, at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;
• The family may use the BHP Grievance Procedure to protest the lease termination.
EXHIBIT 11-2: DEFINITION OF A PERSON WITH A DISABILITY UNDER SOCIAL SECURITY ACTS 216(i)(1) and Section 1416(excerpt) FOR PURPOSES OF EXEMPTION FROM COMMUNITY SERVICE

Social Security Act:

216(i)(1): Except for purposes of sections 202(d), 202(e), 202(f), 223, and 225, the term “disability” means (A) inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, or (B) blindness; and the term “blindness” means central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of this paragraph as having a central visual acuity of 20/200 or less.

Section 1416 (excerpt):

An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for purposes of the first sentence of this subsection as having a central visual acuity of 20/200 or less. An individual shall also be considered to be blind for purposes of this title if he is blind as defined under a State plan approved under title X or XVI as in effect for October 1972 and received aid under such plan (on the basis of blindness) for December 1973, so long as he is continuously blind as so defined.

(3)(A) Except as provided in subparagraph (C), an individual shall be considered to be disabled for purposes of this title if he is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or can be expected to last for a continuous period of not less than twelve months.

TRANSFER POLICY

INTRODUCTION
This chapter explains the PHA’s transfer policy, based on HUD regulations, HUD guidance, and PHA policy decisions.

This chapter describes HUD regulations and PHA policies related to transfers in four parts:

- **Part I: Emergency Transfers.** This part describes emergency transfers, emergency transfer procedures, and payment of transfer costs.
- **Part II: PHA Required Transfers.** This part describes types of transfers that may be required by the PHA, notice requirements, and payment of transfer costs.
- **Part III: Transfers Requested by Residents.** This part describes types of transfers that may be requested by residents, eligibility requirements, security deposits, payment of transfer costs, and handling of transfer requests.
- **Part IV: Transfer Processing.** This part describes creating a waiting list, prioritizing transfer requests, the unit offer policy, examples of good cause, deconcentration, transferring to another development and reexamination.

The PHA may require the tenant to move from the unit under some circumstances. There are also emergency circumstances under which alternate accommodations for the tenant must be provided, that may or may not require a transfer.

The tenant may also request a transfer, such as a request for a new unit as a reasonable accommodation.

The PHA must have specific policies in place to deal with acceptable transfer requests.
PART I: EMERGENCY TRANSFERS

12-I.A. OVERVIEW

HUD categorizes certain situations that require emergency transfers [PH Occ GB, p. 147]. The emergency transfer differs from a typical transfer in that it requires immediate action by the PHA.

In the case of a genuine emergency, it may be unlikely that the PHA will have the time or resources to immediately transfer a tenant. Due to the immediate need to vacate the unit, placing the tenant on a transfer waiting list would not be appropriate. Under such circumstances, if an appropriate unit is not immediately available, the PHA should find alternate accommodations for the tenant until the emergency passes, or a permanent solution, i.e., return to the unit or transfer to another unit, is possible.

12-I.B. EMERGENCY TRANSFERS

If the dwelling unit is damaged to the extent that conditions are created which are hazardous to life, health, or safety of the occupants, the PHA must offer standard alternative accommodations, if available, where necessary repairs cannot be made within a reasonable time [24 CFR 966.4(h)].

BHP Policy

The following is considered an emergency circumstance warranting an immediate transfer of the tenant or family:

- Maintenance conditions in the resident’s unit, building or at the site that pose an immediate, verifiable threat to the life, health or safety of the resident or family members that cannot be repaired or abated within 24 hours. Examples of such unit or building conditions would include: a gas leak; no heat in the building during the winter; no water; toxic contamination; and serious water leaks.

12-I.C. EMERGENCY TRANSFER PROCEDURES

BHP Policy

If the transfer is necessary because of maintenance conditions, and an appropriate unit is not immediately available, the PHA will provide temporary accommodations to the tenant by arranging for temporary lodging at a hotel or similar location. If the conditions that required the transfer cannot be repaired, or the condition cannot be repaired in a reasonable amount of time, the PHA will transfer the resident to the first available and appropriate unit after the temporary relocation.

Emergency transfers are mandatory for the tenant.

12-I.D. COSTS OF TRANSFER

BHP Policy

The PHA will bear the reasonable costs of temporarily accommodating the tenant and of long term transfers, if any, due to emergency conditions.

The reasonable cost of transfers includes the cost of packing, moving, and unloading.
The PHA will establish a moving allowance based on the typical costs in the community of packing, moving, and unloading. To establish typical costs, the PHA will collect information from companies in the community that provide these services.

The PHA will reimburse the family for eligible out-of-pocket moving expenses up to the PHA’s established moving allowance.
PART II: PHA REQUIRED TRANSFERS

12-II.A. OVERVIEW

HUD regulations regarding transfers are minimal, leaving it up to the PHA to develop reasonable transfer policies.

The PHA may require that a resident transfer to another unit under some circumstances. For example, the PHA may require a resident to transfer to make an accessible unit available to a disabled family. The PHA may also transfer a resident in order to maintain occupancy standards based on family composition. Finally, a PHA may transfer residents in order to demolish or renovate the unit.

A transfer that is required by the PHA is an adverse action, and is subject to the notice requirements for adverse actions [24 CFR 966.4(e)(8)(i)].

12-II.B. TYPES OF PHA REQUIRED TRANSFERS

BHP Policy

The types of transfers that may be required by the PHA, include, but are not limited to, transfers to make an accessible unit available for a disabled family, transfers to comply with occupancy standards, transfers for demolition, disposition, revitalization, or rehabilitation, and emergency transfers as discussed in Part I of this chapter.

Transfers required by the PHA are mandatory for the tenant.

Transfers to Make an Accessible Unit Available

When a family is initially given an accessible unit, but does not require the accessible features, the PHA may require the family to agree to move to a non-accessible unit when it becomes available [24 CFR 8.27(b)].

BHP Policy

When a non-accessible unit becomes available, the PHA will transfer a family living in an accessible unit that does not require the accessible features, to an available unit that is not accessible. The PHA may wait until a disabled resident requires the accessible unit before transferring the family that does not require the accessible features out of the accessible unit.

Occupancy Standards Transfers

The PHA may require a resident to move when a reexamination indicates that there has been a change in family composition, and the family is either overcrowded or over-housed according to PHA policy [24 CFR 960.257(a)(4)]. On some occasions, the PHA may initially place a resident in an inappropriately sized unit at lease-up, where the family is over-housed, to prevent vacancies. The public housing lease must include the tenant’s agreement to transfer to an appropriately sized unit based on family composition [24 CFR 966.4(c)(3)].

BHP Policy

The PHA will transfer a family when the family size has changed and the family is now too large (overcrowded) or too small (over-housed) for the unit occupied.
For purposes of the transfer policy, overcrowded and over-housed are defined as follows:

*Overcrowded:* the number of household members exceeds the maximum number of persons allowed for the unit size in which the family resides, according to the chart in Section 5-I.B.

*Over-housed:* the family no longer qualifies for the bedroom size in which they are living based on the PHA’s occupancy standards as described in Section 5-I.B.

The PHA may also transfer a family who was initially placed in a unit in which the family was over-housed to a unit of an appropriate size based on the PHA’s occupancy standards, when the PHA determines there is a need for the transfer.

The PHA may elect not to transfer an over-housed family in order to prevent vacancies.

A family that is required to move because of family size will be advised by the PHA that a transfer is necessary and that the family has been placed on the transfer list.

Families that request and are granted an exception to the occupancy standards (for either a larger or smaller size unit) in accordance with the policies in Section 5-I.C. will only be required to transfer if it is necessary to comply with the approved exception.

**Demolition, Disposition, Revitalizations, or Rehabilitation Transfers**

These transfers permit the PHA to demolish, sell or do major capital or rehabilitation work at a building site [PH Occ GB, page 148].

**BHP Policy**

The PHA will relocate a family when the unit or site in which the family lives is undergoing major rehabilitation that requires the unit to be vacant, or the unit is being disposed of or demolished. The PHA’s relocation plan may or may not require transferring affected families to other available public housing units.

If the relocation plan calls for transferring public housing families to other public housing units, affected families will be placed on the transfer list.

In cases of revitalization or rehabilitation, the family may be offered a temporary relocation if allowed under Relocation Act provisions, and may be allowed to return to their unit, depending on contractual and legal obligations, once revitalization or rehabilitation is complete.

**12-II.C. ADVERSE ACTION [24 CFR 966.4(e)(8)(i)]**

A PHA required transfer is an adverse action. As an adverse action, the transfer is subject to the requirements regarding notices of adverse actions. If the family requests a grievance hearing within the required timeframe, the PHA may not take action on the transfer until the conclusion of the grievance process.

**12-II.D. COST OF TRANSFER**

**BHP Policy**

The PHA will bear the reasonable costs of transfers that the PHA requires, except that residents will be required to bear the cost of occupancy standards transfers.
The reasonable costs of transfers include the cost of packing, moving, and unloading. The PHA will establish a moving allowance based on the typical costs in the community of packing, moving, and unloading. To establish typical costs, the PHA will collect information from companies in the community that provide these services.

The PHA will reimburse the family for eligible out-of-pocket moving expenses up to the PHA’s established moving allowance.
PART III: TRANSFERS REQUESTED BY TENANTS

12-III.A. OVERVIEW

HUD provides the PHA with discretion to consider transfer requests from tenants. The only requests that the PHA is required to consider are requests for reasonable accommodation. All other transfer requests are at the discretion of the PHA. To avoid administrative costs and burdens, this policy limits the types of requests that will be considered by the PHA.

Some transfers that are requested by tenants should be treated as higher priorities than others due to the more urgent need for the transfer.

12-III.B. TYPES OF RESIDENT REQUESTED TRANSFERS

**BHP Policy**

The types of requests for transfers that the PHA will consider are limited to requests for transfers to alleviate a serious or life threatening medical condition, transfers due to a threat of physical harm or criminal activity, reasonable accommodation, and transfers to a different unit size as long as the family qualifies for the unit according to the PHA’s occupancy standards. No other transfer requests will be considered by the PHA.

The PHA will consider the following as high priority transfer requests:

- When a transfer is needed to alleviate verified medical problems of a serious or life-threatening nature
- When there has been a verified threat of physical harm or criminal activity. Such circumstances may, at the PHA’s discretion, include an assessment by law enforcement indicating that a family member is the actual or potential victim of a criminal attack, retaliation for testimony, a hate crime, or domestic violence, dating violence, sexual assault, or stalking.
- When a family requests a transfer as a reasonable accommodation. Examples of a reasonable accommodation transfer include, but are not limited to, a transfer to a first floor unit for a person with mobility impairment, or a transfer to a unit with accessible features

The PHA will consider the following as regular priority transfer requests:

- When a family requests a larger bedroom size unit even though the family does not meet the PHA’s definition of overcrowded, as long as the family meets the PHA’s occupancy standards for the requested size unit

Transfers requested by the tenant are considered optional for the tenant.

12-III.C. ELIGIBILITY FOR TRANSFER

Transferring residents do not have to meet the admission eligibility requirements pertaining to income or preference. However, the PHA may establish other standards for considering a transfer request [PH Occ GB, p. 150].
BHP Policy

Except where reasonable accommodation is being requested, the PHA will only consider transfer requests from residents that meet the following requirements:

- Have not engaged in criminal activity that threatens the health and safety or residents and staff
- Owe no back rent or other charges, or have a pattern of late payment
- Have no housekeeping lease violations or history of damaging property
- Can get utilities turned on in the name of the head of household (applicable only to properties with tenant-paid utilities)

A resident with housekeeping standards violations will not be transferred until the resident passes a follow-up housekeeping inspection.

Exceptions to the good record requirement may be made when it is to the PHA’s advantage to make the transfer. Exceptions may also be made when the PHA determines that a transfer is necessary to protect the health or safety of a resident who is a victim of domestic violence, dating violence, or stalking and who provides documentation of abuse in accordance with section 16-VII.D of this ACOP.

If a family requested to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, the family will not be eligible to transfer to a larger size unit for a period of two years from the date of admission, unless they have a change in family size or composition, or it is needed as a reasonable accommodation.

12-III.D. SECURITY DEPOSITS

BHP Policy

The family will be required to pay a new security deposit upon acceptance of a new unit.

Security deposits from the “old” unit will be refunded minus any damage or cleaning charges applicable to that unit. The resident will be responsible for charges that exceed the security deposit.

If the PHA determines, based on family provided documentation, that paying a new security deposit will create a financial hardship for the family, the PHA will enter into a payment agreement with the family allowing the family to pay the deposit in installments. Any unused portion of the deposit from the family’s “old” unit will be applied to the balance on the new security deposit. If the family does not make payments in accordance with the agreement, the family’s tenancy may be terminated in accordance with policies in Chapter 13.

12-III.E. COST OF TRANSFER

BHP Policy

The resident will bear all of the costs of transfer s/he requests.
12-III.F. HANDLING OF REQUESTS

**BHP Policy**

Residents requesting a transfer to another unit or development will be required to submit a written request for transfer.

In case of a reasonable accommodation transfer, the PHA will encourage the resident to make the request in writing using a reasonable accommodation request form. However, the PHA will consider the transfer request any time the resident indicates that an accommodation is needed whether or not a formal written request is submitted.

The PHA will respond by approving the transfer and putting the family on the transfer list, by denying the transfer, or by requiring more information or documentation from the family, such as documentation of domestic violence, dating violence, or stalking in accordance with Section 16 VII.D. of this ACOP.

If the family does not meet the “good record” requirements under Section 12-III.C., the manager will address the problem and, until resolved, the request for transfer will be denied.

The PHA will respond within ten (10) business days of the submission of the family’s request. If the PHA denies the request for transfer, the family will be informed of its grievance rights.

12-III.G. PAYMENT OF RENT

**BHP Policy**

Resident is required to pay rent at their “old” unit for the entire month. Rent at the new “unit” will begin as of the first of the following month.

Resident will have 7 days to transfer from the old unit to the new unit without incurring rent charges on the new unit. If on day 8, the resident has not returned possession of the old unit to BHP, rent will be charged on the new unit. If a resident has extenuating circumstances, they may apply for an extension of an additional 7 days before signing the lease on the new unit. Occupying both units for longer than 14 days provides BHP with the ability to pursue eviction from both units.
PART IV: TRANSFER PROCESSING

12-IV.A. OVERVIEW
Generally, families who request a transfer should be placed on a transfer list and processed in a consistent and appropriate order. The transfer process must be clearly auditable to ensure that residents do not experience inequitable treatment.

12-IV.B. TRANSFER LIST

BHP Policy
The PHA will maintain a centralized transfer list to ensure that transfers are processed in the correct order and that procedures are uniform across all properties.

Emergency transfers will not automatically go on the transfer list. Instead emergency transfers will be handled immediately, on a case by case basis. If the emergency cannot be resolved by a temporary accommodation, and the resident requires a permanent transfer, the family will be placed at the top of the transfer list.

Transfers will be processed in the following order:

1. Emergency transfers (hazardous maintenance conditions)
2. High-priority transfers (verified medical condition, threat of harm or criminal activity, and reasonable accommodation)
3. Transfers to make accessible units available
4. Demolition, renovation, etc.
5. Occupancy standards
6. Other PHA-required transfers
7. Other tenant-requested transfers

Within each category, transfers will be processed in order of the date a family was placed on the transfer list, starting with the earliest date.

With the approval of the executive director, the PHA may, on a case-by-case basis, transfer a family without regard to its placement on the transfer list in order to address the immediate need of a family in crisis.

Demolition and renovation transfers will gain the highest priority as necessary to allow the PHA to meet the demolition or renovation schedule.

Transfers will be processed at a rate of 1 resident-requested transfer to 2 admissions.

12-IV.C. TRANSFER OFFER POLICY

BHP Policy
Residents will receive one offer of a transfer.

When the transfer is required by the PHA, the refusal of that offer without good cause will result in lease termination.
When the transfer has been requested by the resident, the refusal of that offer without good cause will result in the removal of the family from the transfer list. In such cases, the family must wait six months to reapply for another transfer.

12-IV.D. GOOD CAUSE FOR UNIT REFUSAL

**BHP Policy**

Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

- The family demonstrates to the PHA’s satisfaction that accepting the unit offer will require an adult household member to quit a job, drop out of an educational institution or job training program, or take a child out of day care or an educational program for children with disabilities.

- The family demonstrates to the PHA’s satisfaction that accepting the offer will place a family member’s life, health or safety in jeopardy. The family should offer specific and compelling documentation such as restraining orders, other court orders, risk assessments related to witness protection from a law enforcement agency, or documentation of domestic violence, dating violence, or stalking in accordance with Section 16 VII.D. of this ACOP. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.

- A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on final application) or live-in aide necessary to the care of the principal household member.

- The unit is inappropriate for the applicant’s disabilities, or the family does not need the accessible features in the unit offered and does not want to be subject to a 30-day notice to move.

- The unit has lead-based paint and the family includes children under the age of six.

The PHA will require documentation of good cause for unit refusals.

12-IV.E. DECONCENTRATION

**BHP Policy**

If subject to deconcentration requirements, the PHA will consider its deconcentration goals when transfer units are offered. When feasible, families above the Established Income Range will be offered a unit in a development that is below the Established Income Range, and vice versa, to achieve the PHA’s deconcentration goals. A deconcentration offer will be considered a “bonus” offer; that is, if a resident refuses a deconcentration offer, the resident will receive one additional transfer offer.
12-IV.F. REEXAMINATION POLICIES FOR TRANSFERS

BHP Policy

The reexamination date will remain the same for the old unit.
Chapter 13

LEASE TERMINATIONS

INTRODUCTION

Either party to the dwelling lease agreement may terminate the lease in accordance with the terms of the lease. A public housing lease is different from a private dwelling lease in that the family’s rental assistance is tied to their tenancy. When the family moves from their public housing unit, they lose their rental assistance. Therefore, there are additional safeguards to protect the family’s tenancy in public housing.

Likewise, there are safeguards to protect HUD’s interest in the public housing program. The PHA has the authority to terminate the lease because of the family’s failure to comply with HUD regulations, for serious or repeated violations of the terms of the lease, and for other good cause. HUD regulations also specify when termination of the lease is mandatory by the PHA.

When determining PHA policy on terminations of the lease, the PHA must consider state and local landlord-tenant laws in the area where the PHA is located. Such laws vary from one location to another, and these variances may be either more or less restrictive than federal law or HUD regulation.

This chapter presents the policies that govern voluntary termination of the lease by the family and the mandatory and voluntary termination of the lease by the PHA. It is presented in four parts:

- **Part I: Termination by Tenant.** This part discusses the PHA requirements for voluntary termination of the lease by the family.

- **Part II: Termination by PHA - Mandatory.** This part describes circumstances when termination of the lease by the PHA is mandatory. This part also explains nonrenewal of the lease for noncompliance with community service requirements.

- **Part III: Termination by PHA – Other Authorized Reasons.** This part describes the PHA’s options for lease termination that are not mandated by HUD regulation but for which HUD authorizes PHAs to terminate. For some of these options HUD requires the PHA to establish policies and lease provisions for termination, but termination is not mandatory. For other options the PHA has full discretion whether to consider the options as just cause to terminate as long as the PHA policies are reasonable, nondiscriminatory, and do not violate state or local landlord-tenant law. This part also discusses the alternatives that the PHA may consider in lieu of termination, and the criteria the PHA will use when deciding what actions to take.

- **Part IV: Notification Requirements.** This part presents the federal requirements for disclosure of criminal records to the family prior to termination, the HUD requirements and PHA policies regarding the timing and content of written notices for lease termination and eviction, and notification of the post office when eviction is due to criminal activity. This part also discusses record keeping related to lease termination.
PART I: TERMINATION BY TENANT

13-I.A. TENANT Chooses to Terminate the Lease [24 CFR 966.4(k)(1)(ii) and 24 CFR 966.4(l)(1)]

The family may terminate the lease at any time, for any reason, by following the notification procedures as outlined in the lease. Such notice must be in writing and delivered to the property site office or the PHA central office or sent by pre-paid first-class mail, properly addressed.

**BHP Policy**

If a family desires to move and terminate their tenancy with the PHA, they must give at least 30 calendar days advance written notice to the PHA of their intent to vacate. When a family must give less than 30 days notice due to circumstances beyond their control the PHA, at its discretion, may waive the 30 day requirement.

The notice of lease termination must be signed by the head of household, spouse, or cohead.
PART II: TERMINATION BY PHA – MANDATORY

13-II.A. OVERVIEW
HUD requires mandatory termination of the lease for certain actions or inactions of the family. There are other actions or inactions of the family that constitute grounds for lease termination, but the lease termination is not mandatory. The PHA must establish policies for termination of the lease in these cases where termination is optional for the PHA.

For those tenant actions or failures to act where HUD requires termination, the PHA has no such option. In those cases, the family’s lease must be terminated. This part describes situations in which HUD requires the PHA to terminate the lease.

13-II.B. FAILURE TO PROVIDE CONSENT [24 CFR 960.259(a) and (b)]
The PHA must terminate the lease if any family member fails to sign and submit any consent form s/he is required to sign for any reexamination. See Chapter 7 for a complete discussion of consent requirements.

13-II.C. FAILURE TO DOCUMENT CITIZENSHIP [24 CFR 5.514(c) and (d) and 24 CFR 960.259(a)]
The PHA must terminate the lease if (1) a family fails to submit required documentation within the required timeframe concerning any family member’s citizenship or immigration status; (2) a family submits evidence of citizenship and eligible immigration status in a timely manner, but United States Citizenship and Immigration Services (USCIS) primary and secondary verification does not verify eligible immigration status of the family, resulting in no eligible family members; or (3) a family member, as determined by the PHA, has knowingly permitted another individual who is not eligible for assistance to reside (on a permanent basis) in the unit. For (3), such termination must be for a period of at least 24 months. This does not apply to ineligible noncitizens already in the household where the family’s assistance has been prorated.

See Chapter 7 for a complete discussion of documentation requirements.

13-II.D. FAILURE TO DISCLOSE AND DOCUMENT SOCIAL SECURITY NUMBERS [24 CFR 5.218(c), 24 CFR 960.259(a)(3), Notice PIH 2012-10]
The PHA must terminate assistance if a participant family fails to disclose the complete and accurate social security numbers of each household member and the documentation necessary to verify each social security number.

However, if the family is otherwise eligible for continued program assistance, and the PHA determines that the family’s failure to meet the SSN disclosure and documentation requirements was due to circumstances that could not have been foreseen and were outside of the family’s control, the PHA may defer the family’s termination and provide the opportunity to comply with the requirement within a period not to exceed 90 calendar days from the date the PHA determined the family to be noncompliant.
BHP Policy
The PHA will defer the family’s termination and provide the family with the opportunity to comply with the requirement for a period of 90 calendar days for circumstances beyond the participant’s control such as delayed processing of the SSN application by the SSA, natural disaster, fire, death in the family, or other emergency, if there is a reasonable likelihood that the participant will be able to disclose an SSN by the deadline. See Chapter 7 for a complete discussion of documentation and certification requirements.

The PHA must terminate the lease if the family fails to accept the PHA’s offer of a lease revision to an existing lease, provided the PHA has done the following:

- The revision is on a form adopted by the PHA in accordance with 24 CFR 966.3 pertaining to requirements for notice to tenants and resident organizations and their opportunity to present comments.
- The PHA has made written notice of the offer of the revision at least 60 calendar days before the lease revision is scheduled to take effect.
- The PHA has specified in the offer a reasonable time limit within that period for acceptance by the family.

See Chapter 8 for information pertaining to PHA policies for offering lease revisions.

13-II.F. METHAMPHETAMINE CONVICTION [24 CFR 966.4(l)(5)(i)(A)]

The PHA must immediately terminate the lease if the PHA determines that any household member has ever been convicted of the manufacture or production of methamphetamine on the premises of federally-assisted housing.

See Part 13-III.B. below for the HUD definition of premises.

13-II.G. LIFETIME REGISTERED SEX OFFENDERS [Notice PIH 2012-28]

Should a PHA discover that a member of an assisted household was subject to a lifetime registration requirement at admission and was erroneously admitted after June 25, 2001, the PHA must immediately terminate assistance for the household member.

In this situation, the PHA must offer the family the opportunity to remove the ineligible family member from the household. If the family is unwilling to remove that individual from the household, the PHA must terminate assistance for the household.

13-II.H. NONCOMPLIANCE WITH COMMUNITY SERVICE REQUIREMENTS [24 CFR 966.4(l)(2)(ii)(D), 24 CFR 960.603(b) and 24 CFR 960.607(b)(2)(ii) and (c)]

The PHA is prohibited from renewing the lease at the end of the 12 month lease term when the family fails to comply with the community service requirements as described in Chapter 11.

13-II.I. DEATH OF A SOLE FAMILY MEMBER [Notice PIH 2012-10]

The PHA must immediately terminate program assistance for deceased single member households.
PART III: TERMINATION BY PHA – OTHER AUTHORIZED REASONS

13-III.A. OVERVIEW

Besides requiring PHAs to terminate the lease under the circumstances described in Part II, HUD requires the PHA to establish provisions in the lease for termination pertaining to certain criminal activity, alcohol abuse, and certain household obligations stated in the regulations. While these provisions for lease termination must be in the lease agreement, HUD does not require PHAs to terminate for such violations in all cases. The PHA has the discretion to consider circumstances surrounding the violation or, in applicable situations, whether the offending household member has entered or completed rehabilitation, and the PHA may, as an alternative to termination, require the exclusion of the culpable household member. The PHA must adopt policies concerning the use of these options.

In addition, HUD authorizes PHAs to terminate the lease for other grounds, but for only those grounds that constitute serious or repeated violations of material terms of the lease or for other good cause. The PHA must develop policies pertaining to what constitutes serious or repeated lease violations, and other good cause, based upon the content of the PHA lease. In the development of the terms of the lease, the PHA must consider the limitations imposed by state and local landlord-tenant law, as well as HUD regulations and federal statutes. Because of variations in state and local landlord-tenant law, and because HUD affords PHAs wide discretion in some areas, a broad range of policies could be acceptable.

The PHA, with some restrictions, also has the option to terminate the tenancies of families who are over income.

The PHA may consider alternatives to termination and must establish policies describing the criteria the PHA will use when deciding what action to take, the types of evidence that will be acceptable, and the steps the PHA must take when terminating a family’s lease.

3-III.B. MANDATORY LEASE PROVISIONS [24 CFR 966.4(l)(5)]

This section addresses provisions for lease termination that must be included in the lease agreement according to HUD regulations. Although the provisions are required, HUD does not require PHAs to terminate for such violations in all cases, therefore PHA policies are needed.

Definitions [24 CFR 5.100]

The following definitions will be used for this and other parts of this chapter:

Covered person means a tenant, any member of the tenant’s household, a guest, or another person under the tenant’s control.

Dating violence is defined in section 16VII.B..

Domestic violence is defined in section 16VII.B..

Drug means a controlled substance as defined in section 102 of the Controlled Substances Act [21 U.S.C. 802].

Drug-related criminal activity means the illegal manufacture, sale, distribution, or use of a drug, or the possession of a drug with the intent to manufacture, sell, distribute, or use the drug.
Guest means a person temporarily staying in the unit with the consent of a tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant.

Household means the family and PHA-approved live-in aide. The term household also includes foster children and/or foster adults that have been approved to reside in the unit [HUD-50058, Instruction Booklet, p. 65].

Immediate family member is defined in section 16VII.B..

Other person under the tenant’s control means that the person, although not staying as a guest in the unit, is, or was at the time of the activity in question, on the premises because of an invitation from the tenant or other member of the household who has express or implied authority to so consent on behalf of the tenant. Absent evidence to the contrary, a person temporarily and infrequently on the premises solely for legitimate commercial purposes is not under the tenant’s control.

Premises means the building or complex or development in which the public or assisted housing dwelling unit is located, including common areas and grounds.

Stalking is defined in section 16VII.B..

Violent criminal activity means any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage.

Drug Crime On or Off the Premises [24 CFR 966.4(l)(5)(i)(B)]

The lease must provide that drug-related criminal activity engaged in on or off the premises by the tenant, member of the tenant’s household or guest, or any such activity engaged in on the premises by any other person under the tenant’s control is grounds for termination.

BHP Policy

The PHA will terminate the lease for drug-related criminal activity engaged in on or off the premises by any tenant, member of the tenant’s household or guest, and any such activity engaged in on the premises by any other person under the tenant’s control.

The PHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of covered persons related to the drug-related criminal activity.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors as described in Section 13-III.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

Illegal Use of a Drug [24 CFR 966.4(l)(5)(i)(B)]

The lease must provide that a PHA may evict a family when the PHA determines that a household member is illegally using a drug or that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
BHP Policy

The PHA will terminate the lease when the PHA determines that a household member is illegally using a drug or the PHA determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.

A pattern of illegal drug use means more than one incident of any use of illegal drugs during the previous six months.

The PHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors as described in Section 13-III.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

Threat to Other Residents [24 CFR 966.4(l)(5)(ii)(A)]

The lease must provide that any criminal activity by a covered person that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents (including PHA management staff residing on the premises) or by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy.

Immediate vicinity means within a three-block radius of the premises.

The PHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of covered persons related to the criminal activity.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

Alcohol Abuse [24 CFR 966.4(l)(5)(vi)(A)]

PHAs must establish standards that allow termination of tenancy if the PHA determines that a household member has engaged in abuse or pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

BHP Policy

The PHA will terminate the lease if the PHA determines that a household member has engaged in abuse or a pattern of abuse of alcohol that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents.

A pattern of such alcohol abuse means more than one incident of any such abuse of alcohol during the previous six months.
The PHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the abuse of alcohol.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13-III.F. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

**Furnishing False or Misleading Information Concerning Illegal Drug Use or Alcohol Abuse or Rehabilitation [24 CFR 966.4(l)(5)(vi)(B)]**

PHAs must establish standards that allow termination of tenancy if the PHA determines that a household member has furnished false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation of illegal drug users or alcohol abusers.

**BHP Policy**

The PHA will terminate the lease if the PHA determines that a household member has furnished false or misleading information concerning illegal drug use, alcohol abuse, or rehabilitation of illegal drug users or alcohol abusers.

The PHA will consider all credible evidence, including but not limited to, any record of arrests or convictions of household members related to the use of illegal drugs or the abuse of alcohol, and any records or other documentation (or lack of records or documentation) supporting claims of rehabilitation of illegal drug users or alcohol abusers.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors as described in Section 13-III.E. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

**Other Serious or Repeated Violations of Material Terms of the Lease – Mandatory Lease Provisions [24 CFR 966.4(l)(2)(i) and 24 CFR 966.4(f)]**

HUD regulations require certain tenant obligations to be incorporated into the lease. Violations of such regulatory obligations are considered to be serious or repeated violations of the lease and grounds for termination. Incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed as serious or repeated violations of the lease by the victim or threatened victim of such violence or stalking [24 CFR 5.2005©(1)].

**BHP Policy**

The PHA will terminate the lease for the following violations of tenant obligations under the lease:

- Failure to make payments due under the lease, including nonpayment of rent (see Chapter 8 for details pertaining to lease requirements for payments due);
- Repeated late payment of rent or other charges. Three late payments within a 6-month period shall constitute a repeated late payment.
- Failure to fulfill the following household obligations:
To not assign the lease or to sublease the dwelling unit. Subleasing includes receiving payment to cover rent and utility costs by a person living in the unit who is not listed as a family member.

To not provide accommodations for boarders or lodgers.

To use the dwelling unit solely as a private dwelling for the tenant and the tenant’s household as identified in the lease, and not to use or permit its use for any other purpose.

To abide by necessary and reasonable regulations, including but not limited to house rules, promulgated by the PHA for the benefit and well-being of the housing project and the tenants which shall be posted in the project office and incorporated by reference in the lease.

To comply with all obligations imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety.

To keep the dwelling unit and such other areas as may be assigned to the tenant for the tenant’s exclusive use in a clean and safe condition.

To dispose of all ashes, garbage, rubbish, and other waste from the dwelling unit in a sanitary and safe manner.

To use only in a reasonable manner all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appurtenances including elevators.

To refrain from, and to cause the household and guests to refrain from destroying, defacing, damaging, or removing any part of the dwelling unit or project.

To pay reasonable charges (other than for normal wear and tear) for the repair of damages to the dwelling unit, or to the project (including damages to project buildings, facilities or common areas) caused by the tenant, a member of the household or a guest.

To act, and cause household members or guests to act, in a manner which will not disturb other residents’ peaceful enjoyment of their accommodations and will be conducive to maintaining the project in a decent, safe and sanitary condition.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors as described in Sections 13-III.E and 13 III.F. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

13-III.C. OTHER AUTHORIZED REASONS FOR TERMINATION [24 CFR 966.4(l)(2) and (5)(ii)(B)]

HUD authorizes PHAs to terminate the lease for reasons other than those described in the previous sections. These reasons are referred to as “other good cause.”

Other Good Cause [24 CFR 966.4(l)(2)(ii)(B) and (C)]

HUD regulations state that the PHA may terminate tenancy for other good cause. The regulations provide a few examples of other good cause, but do not limit the PHA to only those examples.
The Violence against Women Act of 2005 explicitly prohibits PHAs from considering incidents of actual or threatened domestic violence, dating violence, or stalking as “other good cause” for terminating the tenancy or occupancy rights of the victim of such violence [24 CFR 5.2005 (c)(1)].

**BHP Policy**

The PHA will terminate the lease for the following reasons.

**Fugitive Felon or Parole Violator.** If a tenant is fleeing to avoid arrest, prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under federal or state law.

**Persons subject to sex offender registration requirement.** If any member of the household has, during their current public housing tenancy, become subject to a registration requirement under a state sex offender registration program.

Discovery of facts after admission to the program that would have made the resident ineligible

Discovery of material false statements or fraud by the tenant in connection with an application for assistance or with a reexamination of income

Failure to furnish such information and certifications regarding family composition and income as may be necessary for the PHA to make determinations with respect to rent, eligibility, and the appropriateness of the dwelling unit size

Failure to transfer to an appropriate size dwelling unit based on family composition, upon appropriate notice by the PHA that such a dwelling unit is available

Failure to permit access to the unit by the PHA after proper advance notification for the purpose of performing routine inspections and maintenance, for making improvements or repairs, or to show the dwelling unit for re-leasing, or without advance notice if there is reasonable cause to believe that an emergency exists

Failure to promptly inform the PHA of the birth, adoption or court-awarded custody of a child. In such a case, promptly means within 10 business days of the event.

Failure to abide by the provisions of the PHA pet policy

If the family has breached the terms of a repayment agreement entered into with the PHA

If a family member has violated federal, state, or local law that imposes obligations in connection with the occupancy or use of the premises.

If a household member has engaged in or threatened violent or abusive behavior toward PHA personnel.

*Abusive or violent behavior towards PHA personnel* includes verbal as well as physical abuse or violence. Use of racial epithets, or other language, written or oral, that is customarily used to intimidate may be considered abusive or violent behavior.
Threatening refers to oral or written threats or physical gestures that communicate intent to abuse or commit violence.

In making its decision to terminate the lease, the PHA will consider alternatives as described in Section 13-III.D and other factors described in Sections 13-III.E and 13 III.F. Upon consideration of such alternatives and factors, the PHA may, on a case-by-case basis, choose not to terminate the lease.

Family Absence from Unit [24 CFR 982.551(i)]

It is reasonable that the family may be absent from the public housing unit for brief periods. However, the PHA needs a policy on how long the family may be absent from the unit. Absence in this context means that no member of the family is residing in the unit.

BHP Policy

The family must supply any information or certification requested by the PHA to verify that the family is living in the unit, or relating to family absence from the unit, including any PHA-requested information or certification on the purposes of family absences. The family must cooperate with the PHA for this purpose.

The family must promptly notify the PHA when all family members will be absent from the unit for an extended period. An extended period is defined as any period greater than 30 calendar days. In such a case promptly means within 10 business days of the start of the extended absence.

If a family is absent from the public housing unit for more than 90 consecutive days, and the family does not adequately verify that they are living in the unit; the PHA will terminate the lease for other good cause.

Abandonment of the unit. If the family appears to have vacated the unit without giving proper notice, the PHA will follow state and local landlord-tenant law pertaining to abandonment before taking possession of the unit. If necessary, the PHA will secure the unit immediately to prevent vandalism and other criminal activity.

Subject to certain restrictions, HUD authorizes PHAs to evict or terminate the tenancies of families because they are over income. Unless required to do so by local law, the PHA may not evict or terminate the tenancy of a family solely because the family is over income if: (1) the family has a valid contract of participation in the Family Self-Sufficiency (FSS) program, or (2) the family is currently receiving the earned income disallowance. This rule does not require PHAs to evict over-income residents, but rather gives PHAs the discretion to do so thereby making units available for applicants who are income-eligible.

BHP Policy

The PHA may evict or terminate the tenancies of families solely because they are over income.
13-III.D. ALTERNATIVES TO TERMINATION OF TENANCY

Exclusion of Culpable Household Member [24 CFR 966.4(l)(5)(vii)(C)]

As an alternative to termination of the lease for criminal activity or alcohol abuse HUD provides that the PHA may consider exclusion of the culpable household member. Such an alternative can be used for any other reason where such a solution appears viable in accordance with PHA policy.

**BHP Policy**

The PHA may consider requiring the tenant to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

As a condition of the family’s continued occupancy, the head of household must certify that the culpable household member has vacated the unit and will not be permitted to visit or to stay as a guest in the assisted unit. The family must present evidence of the former household member’s current address upon PHA request.

**Repayment of Family Debts**

**BHP Policy**

If a family owes amounts to the PHA, as a condition of continued occupancy, the PHA will require the family to repay the full amount or to enter into a repayment agreement, within 30 days of receiving notice from the PHA of the amount owed. See Chapter 16 for policies on repayment agreements.

13-III.E. CRITERIA FOR DECIDING TO TERMINATE TENANCY

A PHA that has grounds to terminate a tenancy is not required to do so, except as explained in Part II of this chapter, and may consider all of the circumstances relevant to a particular case before making a decision.

**Evidence [24 CFR 982.553(c)]**

For criminal activity, HUD permits the PHA to terminate the lease if a *preponderance of the evidence* indicates that a household member has engaged in the activity, regardless of whether the household member has been arrested or convicted, and without satisfying the standard of proof used for a criminal conviction.

**BHP Policy**

The PHA will use the preponderance of the evidence as the standard for making all termination decisions.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.
Consideration of Circumstances [24 CFR 966.4(l)(5)(vii)(B)]

Although it is required that certain lease provisions exist for criminal activity and alcohol abuse, HUD provides that the PHA may consider all circumstances relevant to a particular case in order to determine whether or not to terminate the lease.

Such relevant circumstances can also be considered when terminating the lease for any other reason.

BHP Policy

The PHA will consider the following factors before deciding whether to terminate the lease for any of the HUD required lease provisions or for any other reasons:

- The seriousness of the offending action, especially with respect as to how it would affect other residents
- The extent of participation or culpability of the leaseholder, or other household members, in the offending action, including whether the culpable member is a minor, a person with disabilities, or (as discussed further in section 13-III.F) a victim of domestic violence, dating violence, or stalking
- The effects that the eviction will have on other family members who were not involved in the action or failure to act
- The effect on the community of the termination, or of the PHA’s failure to terminate the tenancy
- The effect of the PHA’s decision on the integrity of the public housing program
- The demand for housing by eligible families who will adhere to lease responsibilities
- The extent to which the leaseholder has shown personal responsibility and whether they have taken all reasonable steps to prevent or mitigate the offending action
- The extent to which the resident is working and cooperating with the PHA to take steps to correct the violations
- The length of time since the violation occurred, the family’s recent history, and the likelihood of favorable conduct in the future
- In the case of program abuse, the dollar amount of the underpaid rent and whether or not a false certification was signed by the family

Consideration of Rehabilitation [24 CFR 966.4(l)(5)(vii)(D)]

HUD authorizes PHAs to take into consideration whether a household member who had used illegal drugs or abused alcohol and is no longer engaging in such use or abuse is participating in or has successfully completed a supervised drug or alcohol rehabilitation program.

BHP Policy

In determining whether to terminate the lease for illegal drug use or a pattern of illegal drug use, or for abuse or a pattern of abuse of alcohol, by a household member who is no
longer engaging in such use or abuse, the PHA will consider whether such household member has successfully completed a supervised drug or alcohol rehabilitation program.

For this purpose the PHA will require the tenant to submit evidence of the household member’s successful completion of a supervised drug or alcohol rehabilitation program.

Reasonable Accommodation [24 CFR 966.7]

If the family includes a person with disabilities, the PHA’s decision to terminate the family’s lease is subject to consideration of reasonable accommodation in accordance with 24 CFR Part 8.

BHP Policy

If a family indicates that the behavior of a family member with a disability is the reason for a proposed termination of lease, the PHA will determine whether the behavior is related to the disability. If so, the PHA will determine whether alternative measures are appropriate as a reasonable accommodation. The PHA will only consider accommodations that can reasonably be expected to address the behavior that is the basis of the proposed lease termination. See Chapter 2 for a discussion of reasonable accommodation.

Nondiscrimination Limitation [24 CFR 966.4(l)(5)(vii)(F)]

The PHA’s eviction actions must be consistent with fair housing and equal opportunity provisions of 24 CFR 5.105.

13-III.F. TERMINATIONS RELATED TO VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING

This section addresses the protections against termination of tenancy that the Violence against Women Act of 2005 (VAWA) provides for public housing residents who are victims of domestic violence, dating violence, or stalking. For general VAWA requirements and PHA policies pertaining to notification, documentation, and confidentiality, see section 16-VII of this ACOP, where definitions of key VAWA terms are also located.

VAWA Protections against Termination [24 CFR 5.2005(c)]

VAWA provides that “criminal activity directly related to domestic violence, dating violence, or stalking, engaged in by a member of a tenant’s household or any guest or other person under the tenant’s control, shall not be cause for termination of tenancy of, occupancy rights of, or assistance to the victim if the tenant or immediate family member of the tenant is the victim.”

VAWA further provides that incidents of actual or threatened domestic violence, dating violence, or stalking may not be construed either as serious or repeated violations of the lease by the victim of such violence or as good cause for terminating the tenancy or occupancy rights of the victim of such violence [24 CFR 5.2005(c)(1)].

Limits on VAWA Protections [24 CFR 5.2005(d), and(e)]

While VAWA prohibits a PHA from using domestic violence, dating violence, or stalking as the cause for a termination or eviction action against a public housing tenant who is the victim of the abuse, the protections it provides are not absolute. Specifically:
• VAWA does not limit a PHA’s otherwise available authority to terminate assistance to or evict a victim for lease violations not premised on an act of domestic violence, dating violence, or stalking providing that the PHA does not subject the victim to a more demanding standard than the standard to which it holds other tenants.

• VAWA does not limit a PHA’s authority to terminate the tenancy of any public housing tenant if the PHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant’s tenancy is not terminated.

• HUD regulations define **actual and imminent threat** to mean words, gestures, actions, or other indicators of a physical threat that (a) is real, (b) would occur within an immediate time frame, and (c) could result in death or serious bodily harm [24 CFR 5.2005(d)(2) and (e)]. In determining whether an individual would pose an actual and imminent threat, the factors to be considered include:
  - The duration of the risk
  - The nature and severity of the potential harm
  - The likelihood that the potential harm will occur
  - The length of time before the potential harm would occur [24 CFR 5.2005(e)]

Even when a victim poses an actual and imminent threat, however, HUD regulations authorize a PHA to terminate the victim’s assistance “only when there are no other actions that could be taken to reduce or eliminate the threat” [24 CFR 5.2005(d)(3)].

**BHP Policy**

In determining whether a public housing tenant who is a victim of domestic violence, dating violence, or stalking is an actual and imminent threat to other tenants or employees, the PHA will consider the following, and any other relevant, factors:

- Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, or stalking
- Whether the threat is a physical danger beyond a speculative threat
- Whether the threat is likely to happen within a short period of time
- Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location, transferring the victim to another unit, or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the tenant wishes to contest the PHA’s determination that he or she is an actual and imminent threat to other tenants or employees, the tenant may do so as part of the grievance hearing or in a court proceeding.

**Documentation of Abuse [24 CFR 5.2007]**

**BHP Policy**

When an individual facing termination of tenancy for reasons related to domestic violence, dating violence, or stalking claims protection under VAWA, the PHA will
request that the individual provide documentation supporting the claim in accordance with the policies in section 16-VII.D of this ACOP.

The PHA reserves the right to waive the documentation requirement if it determines that a statement or other corroborating evidence from the individual will suffice. In such cases the PHA will document the waiver in the individual’s file.

Terminating or Evicting a Perpetrator of Domestic Violence

Although VAWA provides protection from termination for victims of domestic violence, it does not provide such protection for perpetrators. In fact, VAWA gives the PHA the explicit authority to bifurcate a lease, or to remove a household member from a lease, “in order to evict, remove, terminate occupancy rights, or terminate assistance to any tenant or lawful occupant who engages in criminal acts of physical violence against family members or others, without evicting, removing, terminating assistance to, or otherwise penalizing the victim of such violence who is a tenant or lawful occupant.” [24 CFR 5.2009(a)]. Moreover, HUD regulations impose on the PHA the obligation to consider lease bifurcation in any circumstances involving domestic violence, dating violence, or stalking [24 CFR 966.4(e)(9)].

Specific lease language affirming the PHA’s authority to bifurcate a lease is not necessary, and, the authority supersedes any local, state, or federal law to the contrary. However, if the PHA chooses to exercise its authority to bifurcate a lease, it must follow any procedures prescribed by HUD or by applicable local, state, or federal law for eviction, lease termination, or termination of assistance. This means that the PHA must follow the same rules when terminating or evicting an individual as it would when terminating or evicting an entire family [3/16/07 Federal Register notice on the applicability of VAWA to HUD programs].

BHP Policy

The PHA will bifurcate a family’s lease and terminate the tenancy of a family member if the PHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the tenancy or program assistance of the remaining, nonculpable family members.

In making its decision, the PHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-50066) or other documentation of abuse submitted to the PHA by the victim in accordance with this section and Section 16-VII.D. The PHA will also consider the factors in section 13.III.E. Upon such consideration, the PHA may, on a case-by-case basis, choose not to bifurcate the lease and terminate the tenancy of the culpable family member.

If the PHA does bifurcate the lease and terminate the tenancy of the culpable family member, it will do so in accordance with the lease, applicable law, and the policies in this ACOP. If necessary, the PHA will also take steps to ensure that the remaining family members have a safe place to live during the termination process. For example, the PHA may offer the remaining family members another public housing unit, if available; it may help them relocate to a confidential location; or it may refer them to a victim service provider or other agency with shelter facilities.
PART IV: NOTIFICATION REQUIREMENTS, EVICTION PROCEDURES AND RECORD KEEPING

13-IV.A. OVERVIEW

HUD regulations specify the requirements for the notice that must be provided prior to lease termination. This part discusses those requirements and the specific requirements that precede and follow termination for certain criminal activities which are addressed in the regulations. This part also discusses specific requirements pertaining to the actual eviction of families and record keeping.

13-IV.B. CONDUCTING CRIMINAL RECORDS CHECKS [24 CFR 5.903(e)(ii) and 24 CFR 960.259]

HUD authorizes PHAs to conduct criminal records checks on public housing residents for lease enforcement and eviction. PHA policy determines when the PHA will conduct such checks.

**BHP Policy**

The PHA will conduct criminal records checks when it has come to the attention of the PHA, either from local law enforcement or by other means, that an individual has engaged in the destruction of property, engaged in violent activity against another person, or has interfered with the right to peaceful enjoyment of the premises of other residents. Such checks will also include sex offender registration information. In order to obtain such information, all adult household members must sign consent forms for release of criminal conviction and sex offender registration records on an annual basis.

The PHA may not pass along to the tenant the costs of a criminal records check.

13-IV.C. DISCLOSURE OF CRIMINAL RECORDS TO FAMILY [24 CFR 5.903(f), 24 CFR 5.905(d) and 24 CFR 966.4(l)(5)(iv)]

In conducting criminal records checks, if the PHA uses the authority of 24 CFR 5.903 and 5.905 to obtain such information, certain protections must be afforded the tenant before any adverse action is taken. In such cases if the PHA obtains criminal records information from a state or local agency showing that a household member has been convicted of a crime, or is subject to a sex offender registration requirement, relevant to lease enforcement or eviction, the PHA must notify the household of the proposed action and must provide the subject of the record and the tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information before an eviction or lease enforcement action is taken.

**BHP Policy**

In all cases where criminal record or sex offender registration information would result in lease enforcement or eviction, the PHA will notify the household in writing of the proposed adverse action and will provide the subject of the record and the tenant a copy of such information, and an opportunity to dispute the accuracy and relevance of the information before an eviction or lease enforcement action is taken.

The family will be given 10 business days from the date of the PHA notice, to dispute the accuracy and relevance of the information. If the family does not contact the PHA to
dispute the information within that 10 business day period, the PHA will proceed with the termination action.

Should the tenant not exercise their right to dispute prior to any adverse action, the tenant still has the right to dispute in the grievance hearing or court trial.

13-IV.D. LEASE TERMINATION NOTICE [24 CFR 966.4(l)(3)]

Form, Delivery, and Content of the Notice

Notices of lease termination must be in writing. The notice must state the specific grounds for termination, the date the termination will take place, the resident’s right to reply to the termination notice, and their right to examine PHA documents directly relevant to the termination or eviction. If the PHA does not make the documents available for examination upon request by the tenant, the PHA may not proceed with the eviction [24 CFR 996.4(m)].

When the PHA is required to offer the resident an opportunity for a grievance hearing, the notice must also inform the resident of their right to request a hearing in accordance with the PHA’s grievance procedure. In these cases, the tenancy shall not terminate until the time for the tenant to request a grievance hearing has expired or the grievance procedure has been completed.

When the PHA is not required to offer the resident an opportunity for a grievance hearing because HUD has made a due process determination and the lease termination is for criminal activity that threatens health, safety or right to peaceful enjoyment or for drug-related criminal activity, the notice of lease termination must state that the tenant is not entitled to a grievance hearing on the termination. It must specify the judicial eviction procedure to be used by the PHA for eviction of the tenant, and state that HUD has determined that the eviction procedure provides the opportunity for a hearing in court that contains the basic elements of due process as defined in HUD regulations. The notice must also state whether the eviction is for a criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of the PHA, or for a drug-related criminal activity on or off the premises.

BHP Policy

The PHA will attempt to deliver notices of lease termination directly to the tenant or an adult member of the household. If such attempt fails, the notice will be sent by first-class mail the same day. In addition, the notice will be posted in a conspicuous place on the premises.

All notices of lease termination will include information about the protection against termination provided by Violence against Women Act of 2005 (VAWA) for victims of domestic violence, dating violence, or stalking (see Section 16-VII.C.). Any family member who claims that the cause for termination involves (a) criminal acts of physical violence against family members or others or (b) incidents of domestic violence, dating violence, or stalking of which a family member is the victim will be given the opportunity to provide documentation in accordance with the policies in Sections 13-III.F and 16-VII.D..
**Timing of the Notice [24 CFR 966.4(l)(3)(i)]**

The PHA must give written notice of lease termination of:

- 3 business days in the event of a felony arrest
- 14 calendar days in the case of failure to pay rent
- A reasonable period of time considering the seriousness of the situation (but not to exceed 30 calendar days)
  
  If the health or safety of other residents, PHA employees, or persons residing in the immediate vicinity of the premises is threatened
  
  If any member of the household has engaged in any drug-related criminal activity or violent criminal activity
  
  If any member of the household has been convicted of a felony
- 30 calendar days in any other case, except that if a state or local law allows a shorter notice period, such shorter period shall apply

**BHP Policy**

The PHA will give written notice of 14 calendar days for nonpayment of rent. For all other lease terminations the PHA will give 30 days written notice or, if state or local law allows less than 30 days, such shorter notice will be given.

The Notice to Vacate that may be required under state or local law may be combined with or run concurrently with the notice of lease termination.

**Notice of Nonrenewal Due to Community Service Noncompliance [24 CFR 966.4(l)(2)(ii)(D), 24 CFR 960.603(b) and 24 CFR 960.607(b)]**

When the PHA finds that a family is in noncompliance with the community service requirement, the tenant and any other noncompliant resident must be notified in writing of this determination. Notices of noncompliance will be issued in accordance with the requirements and policies in Section 11-I.E.

**BHP Policy**

If after receiving a notice of initial noncompliance the family does not request a grievance hearing, or does not take either corrective action required by the notice within the required timeframe, a termination notice will be issued in accordance with the policies above.

If a family agreed to cure initial noncompliance by signing an agreement, and is still in noncompliance after being provided the 12-month opportunity to cure, the family will be issued a notice of continued noncompliance. The notice of continued noncompliance will be sent in accordance with the policies in Section 11-I.E. and will also serve as the notice of termination of tenancy.
Notice of Termination Based on Citizenship Status [24 CFR 5.514 (c) and (d)]

In cases where termination of tenancy is based on citizenship status, HUD requires the notice of termination to contain additional information. In addition to advising the family of the reasons their assistance is being terminated, the notice must also advise the family of any of the following that apply: the family’s eligibility for proration of assistance, the criteria and procedures for obtaining relief under the provisions for preservation of families, the family’s right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or a written explanation in support of the appeal, and the family’s right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal. Please see Chapter 14 for the PHA’s informal hearing procedures.

13-IV.E. EVICTION [24 CFR 966.4(l)(4) and 966.4(m)]

Eviction notice means a notice to vacate, or a complaint or other initial pleading used under state or local law to commence an eviction action. The PHA may only evict the tenant from the unit by instituting a court action, unless the law of the jurisdiction permits eviction by administrative action, after a due process administrative hearing, and without a court determination of the rights and liabilities of the parties.

**BHP Policy**

When a family does not vacate the unit after receipt of a termination notice, by the deadline given in the notice, the PHA will follow state and local landlord-tenant law in filing an eviction action with the local court that has jurisdiction in such cases.

If the eviction action is finalized in court and the family remains in occupancy beyond the deadline to vacate given by the court, the PHA will seek the assistance of the court to remove the family from the premises as per state and local law.

The PHA may not proceed with an eviction action if the PHA has not made available the documents to be used in the case against the family, and has not afforded the family the opportunity to examine and copy such documents in accordance with the provisions of 24 CFR 966.4(l)(3) and (m).

13-IV.F. NOTIFICATION TO POST OFFICE [24 CFR 966.4(l)(5)(iii)(B)]

When the PHA evicts an individual or family for criminal activity, including drug-related criminal activity, the PHA must notify the local post office serving the dwelling unit that the individual or family is no longer residing in the unit.

13-IV.G. RECORD KEEPING

For more information concerning general record keeping, see Chapter 16.

**BHP Policy**

A written record of every termination and/or eviction will be maintained by the PHA at the main office, and will contain the following information:

- Name of resident, number and identification of unit occupied
Date of the notice of lease termination and any other notices required by state or local law; these notices may be on the same form and will run concurrently

Specific reason(s) for the notices, citing the lease section or provision that was violated, and other facts pertinent to the issuing of the notices described in detail (other than any criminal history reports obtained solely through the authorization provided in 24 CFR 5.903 and 5.905)

Date and method of notifying the resident

Summaries of any conferences held with the resident including dates, names of conference participants, and conclusions
Chapter 14
GRIEVANCES AND APPEALS

INTRODUCTION
This chapter discusses grievances and appeals pertaining to PHA actions or failures to act that adversely affect public housing applicants or residents. The policies are discussed in the following three parts:

Part I: Informal Hearings for Public Housing Applicants. This part outlines the requirements and procedures for informal hearings for public housing applicants.

Part II: Informal Hearings with Regard to Noncitizens. This part discusses informal hearings regarding citizenship status and where they differ from the requirements for general applicant and tenant grievances.

Part III: Grievance Procedures for Public Housing Residents. This part outlines the requirements and procedures for handling grievances for public housing residents.

Note that this chapter is not the PHA’s grievance procedure. The grievance procedure is a document separate from the ACOP. This chapter of the ACOP provides the policies that drive the grievance procedure.
PART I: INFORMAL HEARINGS FOR PUBLIC HOUSING APPLICANTS

14-I.A. OVERVIEW

When the PHA makes a decision that has a negative impact on an applicant family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal hearing. HUD regulations do not provide a structure for or requirements regarding informal hearings for applicants (except with regard to citizenship status, to be covered in Part II). This part discusses the PHA policies necessary to respond to applicant appeals through the informal hearing process.

14-I.B. INFORMAL HEARING PROCESS [24 CFR 960.208(a) and PH Occ GB, p. 58]

Informal hearings are provided for public housing applicants. An applicant is someone who has applied for admission to the public housing program, but is not yet a tenant in the program. Informal hearings are intended to provide a means for an applicant to dispute a determination of ineligibility for admission to a project [24 CFR 960.208(a)]. Applicants to public housing are not entitled to the same hearing process afforded residents under the PHA grievance procedures [24 CFR 960.53(a) and PH Occ GB, p. 58].

Informal hearings provide applicants the opportunity to review the reasons for denial of admission and to present evidence to refute the grounds for denial.

Use of Informal Hearing Process

While the PHA must offer the opportunity of an informal hearing to applicants who have been determined as ineligible for admission, the PHA could make the informal hearing process available to applicants who wish to dispute other PHA actions that adversely affect them.

BHP Policy

The PHA will only offer informal hearings to applicants for the purpose of disputing denials of admission.

Notice of Denial [24 CFR 960.208(a)]

The PHA must give an applicant prompt notice of a decision denying eligibility for admission. The notice must contain a brief statement of the reasons for the PHA decision, and must also state that the applicant may request an informal hearing to dispute the decision. The notice must describe how to obtain the informal hearing.

Prior to notification of denial based on information obtained from criminal or sex offender registration records, the family, in some cases, must be given the opportunity to dispute the information in those records which would be the basis of the denial. See Section 3-III.G for details concerning this requirement.
Scheduling an Informal Hearing

BHP Policy

A request for an informal hearing must be made in writing and delivered to the PHA either in person or by first class mail, by the close of the business day, no later than 10 business days from the date of the PHA’s notification of denial of admission.

The PHA will schedule and send written notice of the informal hearing within 10 business days of the family’s request.

Conducting an Informal Hearing [PH Occ GB, p. 58]

BHP Policy

The informal hearing will be conducted by a person other than the one who made or approved the decision under review, or a subordinate of this person.

The applicant will be provided an opportunity to present written or oral objections to the decision of the PHA.

The person conducting the informal hearing will make a recommendation to the PHA, but the PHA is responsible for making the final decision as to whether admission should be granted or denied.

Informal Hearing Decision [PH Occ GB, p. 58]

BHP Policy

The PHA will notify the applicant of the PHA’s final decision, including a brief statement of the reasons for the final decision.

In rendering a decision, the PHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice

The validity of grounds for denial of admission. If the grounds for denial are not specified in the regulations or in PHA policy, then the decision to deny assistance will be overturned. See Chapter 3 for a detailed discussion of the grounds for applicant denial.

The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of admission. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny admission.

If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal hearing in making the final decision whether to deny admission.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed within 10 business days of the informal hearing, to the applicant and his or her representative, if any.

If the informal hearing decision overturns the denial, processing for admission will resume.
If the family fails to appear for their informal hearing, the denial of admission will stand and the family will be so notified.

**Reasonable Accommodation for Persons with Disabilities [24 CFR 966.7]**

Persons with disabilities may request reasonable accommodations to participate in the informal hearing process and the PHA must consider such accommodations. The PHA must also consider reasonable accommodation requests pertaining to the reasons for denial if related to the person’s disability. See Chapter 2 for more detail pertaining to reasonable accommodation requests.
PART II: INFORMAL HEARINGS WITH REGARD TO NONCITIZENS

14-II.A. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24 CFR 5.514]

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. These special hearings are referred to in the regulations as informal hearings, but the requirements for such hearings are different from the informal hearings used to deny applicants for reasons other than immigration status.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]

As discussed in Chapters 3 and 13, the notice of denial or termination of assistance for noncitizens must advise the family of any of the following that apply:

- That financial assistance will be denied or terminated, and provide a brief explanation of the reasons for the proposed denial or termination of assistance.

- The family may be eligible for proration of assistance.

- In the case of a tenant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].

- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.

- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.

- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

United States Citizenship and Immigration Services Appeal Process [24 CFR 5.514(e)]

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and proof of mailing.
The PHA will notify the family in writing of the results of the USCIS secondary verification within 10 business days of receiving the results.

The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

The PHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family’s immigration status.

Informal Hearing Procedures for Applicants [24 CFR 5.514(f)]

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, an applicant family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

Informal Hearing Officer

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision.

Evidence

The family must be provided the opportunity to examine and copy at the family’s expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family’s eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

The family will be allowed to copy any documents related to the hearing at a cost of $.10 per page. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.
The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

**Representation and Interpretive Services**

The family is entitled to be represented by an attorney or other designee, at the family’s expense, and to have such person make statements on the family’s behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or the PHA, as may be agreed upon by the two parties. If the family does not arrange for their own interpreter, the PHA is still obligated to provide oral translation services in accordance with its LEP Plan.

**Recording of the Hearing**

The family is entitled to have the hearing recorded by audiotape. The PHA may, but is not required to provide a transcript of the hearing.

**BHP Policy**

The PHA will not provide a transcript of an audio taped informal hearing.

**Hearing Decision**

The PHA must provide the family with a written notice of the final decision, based solely on the facts presented at the hearing, within 10 business days of the date of the informal hearing. The notice must state the basis for the decision.

**Retention of Documents [24 CFR 5.514(h)]**

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

**Informal Hearing Procedures for Residents [24 CFR 5.514(f)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, a resident family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.
The informal hearing procedures for resident families whose tenancy is being terminated based on immigration status is the same as for any grievance under the grievance procedures for resident families found in Part III below.
PART III: GRIEVANCE PROCEDURES FOR PUBLIC HOUSING RESIDENTS

14-III.A. REQUIREMENTS [24 CFR 966.52]

PHAs must have a grievance procedure in place through which residents of public housing are provided an opportunity to grieve any PHA action or failure to act involving the lease or PHA policies which adversely affect their rights, duties, welfare, or status.

The PHA grievance procedure must be included in the lease.

**BHP Policy**

The PHA grievance procedure will be incorporated by reference in the tenant lease.

The PHA must provide at least 30 days notice to tenants and resident organizations setting forth proposed changes in the PHA grievance procedure, and provide an opportunity to present written comments. Comments submitted must be considered by the PHA before adoption of any changes to the grievance procedure by the PHA.

**BHP Policy**

Residents and resident organizations will have 30 calendar days from the date they are notified by the PHA of any proposed changes in the PHA grievance procedure, to submit written comments to the PHA.

The PHA must furnish a copy of the grievance procedure to each tenant and to resident organizations.

14-III.B. DEFINITIONS [24 CFR 966.53; 24 CFR 966.51(a)(2)(i)]

There are several terms used by HUD with regard to public housing grievance procedures, which take on specific meanings different from their common usage. These terms are as follows:

- **Grievance** – any dispute which a tenant may have with respect to PHA action or failure to act in accordance with the individual tenant’s lease or PHA regulations which adversely affect the individual tenant’s rights, duties, welfare or status

- **Complainant** – any tenant whose grievance is presented to the PHA or at the project management office

- **Due Process Determination** – a determination by HUD that law of the jurisdiction requires that the tenant must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit

- **Elements of Due Process** – an eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
  - Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction
  - Right of the tenant to be represented by counsel
  - Opportunity for the tenant to refute the evidence presented by the PHA including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the tenant may have
– A decision on the merits

- **Hearing Officer/Panel** – a person/panel selected in accordance with HUD regulations to hear grievances and render a decision with respect thereto

- **Tenant** – the adult person (or persons) (other than a live-in aide)
  - Who resides in the unit, and who executed the lease with the PHA as lessee of the dwelling unit, or, if no such person now resides in the unit,
  - Who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit

- **Resident Organization** – includes a resident management corporation

**14-III.C. APPLICABILITY [24 CFR 966.51]**

Grievances could potentially address most aspects of a PHA’s operation. However, there are some situations for which the grievance procedure is not applicable.

The grievance procedure is applicable only to individual tenant issues relating to the PHA. It is not applicable to disputes between tenants not involving the PHA. Class grievances are not subject to the grievance procedure and the grievance procedure is not to be used as a forum for initiating or negotiating policy changes of the PHA.

If HUD has issued a due process determination, a PHA may exclude from the PHA grievance procedure any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises of other residents or employees of the PHA

- Any violent or drug-related criminal activity on or off such premises

- Any criminal activity that resulted in felony arrest and/or conviction of a household member

In states without due process determinations, PHAs must grant opportunity for grievance hearings for all lease terminations, regardless of cause, with the following exception: PHAs may use expedited grievance procedures for the first two of the three excluded listed above. These expedited grievance procedures are described in Section 14-III.E. below.

If HUD has issued a due process determination, the PHA may evict through the state/local judicial eviction procedures. In this case, the PHA is not required to provide the opportunity for a hearing under the PHA’s grievance procedure as described above.

**BHP Policy**

The PHA is not located in a due process state, therefore it must grant opportunity for grievance hearings for all lease terminations, regardless of cause.

See Chapter 13 for related policies on the content of termination notices.
14-III.D. INFORMAL SETTLEMENT OF GRIEVANCE [24 CFR 966.54]

HUD regulations state that any grievance must be personally presented, either orally or in writing, to the PHA office or to the office of the housing development in which the complainant resides so that the grievance may be discussed informally and settled without a hearing.

**BHP Policy**

The PHA will accept requests for an informal settlement of a grievance either orally or in writing, to the PHA office within 10 calendar days of the grievable event. Within 10 business days of receipt of the request the PHA will arrange a meeting with the tenant at a mutually agreeable time and confirm such meeting in writing to the tenant.

If a tenant fails to attend the scheduled meeting without prior notice, the PHA will reschedule the appointment only if the tenant can show good cause for failing to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

HUD regulations require that a summary of such discussion will be prepared within a reasonable time and one copy will be given to the tenant and one retained in the PHA’s tenant file.

The summary must specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore, and will specify the procedures by which a hearing may be obtained if the complainant is not satisfied.

**BHP Policy**

The PHA will prepare a summary of the informal settlement within 5 business days; one copy to be given to the tenant and one copy to be retained in the PHA’s tenant file.

For PHAs who have the option to establish an expedited grievance procedure, and who exercise this option, the informal settlement of grievances is not applicable to those grievances for which the expedited grievance procedure applies.

14-III.E. PROCEDURES TO OBTAIN A HEARING [24 CFR 966.55]

**Requests for Hearing and Failure to Request** [24 CFR 966.55(a), (c), and (d)]

All grievances must be presented in accordance with the informal procedures prescribed above as a condition prior to a grievance hearing. However, if the complainant can show good cause for failure to proceed with the informal settlement process to the hearing officer/panel, the hearing officer/panel may waive this provision [24 CFR 966.55(d)].

The complainant must submit the request in writing for a grievance hearing within a reasonable time after receipt of the summary of informal discussion [24 CFR 966.55(a)]. The request must specify the reasons for the grievance and the action or relief sought.

**BHP Policy**

The resident must submit a written request for a grievance hearing to the PHA within 5 business days of the tenant’s receipt of the summary of the informal settlement.
If the complainant does not request a hearing, the PHA’s disposition of the grievance under the informal settlement process will become final. However, failure to request a hearing does not constitute a waiver by the complainant of the right to contest the PHA’s action in disposing of the complaint in an appropriate judicial proceeding [24 CFR 966.55(c)].

**Escrow Deposits [24 CFR 966.55(e)]**

Before a hearing is scheduled in any grievance involving the amount of rent that the PHA claims is due, the family must pay an escrow deposit to the PHA. When a family is required to make an escrow deposit, the amount is the amount of rent the PHA states is due and payable as of the first of the month preceding the month in which the family’s act or failure to act took place. After the first deposit the family must deposit the same amount monthly until the family’s complaint is resolved by decision of the hearing officer/panel.

The PHA must waive the requirement for an escrow deposit where the family has requested a financial hardship exemption from minimum rent requirements or is grieving the effect of welfare benefits reduction in calculation of family income [24 CFR 5.630(b)(3)].

Unless the PHA waives the requirement, the family’s failure to make the escrow deposit will terminate the grievance procedure. A family’s failure to pay the escrow deposit does not waive the family’s right to contest the PHA’s disposition of the grievance in any appropriate judicial proceeding.

**BHP Policy**

The PHA will not waive the escrow requirement for grievances involving rent amounts except where required to do so by regulation.

**Scheduling of Hearings [24 CFR 966.55(f)]**

If the complainant has complied with all requirements for requesting a hearing as described above, a hearing must be scheduled by the hearing officer/panel promptly for a time and place reasonably convenient to both the complainant and the PHA. A written notification specifying the time, place and the procedures governing the hearing must be delivered to the complainant and the appropriate PHA official.

**BHP Policy**

Within 10 business days of receiving a written request for a hearing, the hearing officer will schedule and send written notice of the hearing to both the complainant and the PHA.

The PHA may wish to permit the tenant to request to reschedule a hearing for good cause.

**BHP Policy**

The tenant may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family. Requests to reschedule a hearing must be made orally or in writing prior to the hearing date. At its discretion, the PHA may request documentation of the “good cause” prior to rescheduling the hearing.
Expedited Grievance Procedure [24 CFR 966.55(g)]

The PHA may establish an expedited grievance procedure for any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the PHA, or
- Any drug-related criminal activity on or near such premises

In such expedited grievances, the informal settlement of grievances as discussed in 14-III.D is not applicable.

The PHA may adopt special procedures concerning expedited hearings, including provisions for expedited notice or scheduling, or provisions for expedited decision on the grievance.

**BHP Policy**

The PHA will follow expedited grievance procedures for any grievance concerning a termination of tenancy or eviction that involves any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the PHA, or any drug-related criminal activity on or near such premises. Such procedures will provide for an expedited notice of hearing request, an expedited scheduling of the hearing, and for an expedited decision on the grievance. The tenant will have 3 business days to make their hearing request. The hearing officer will have 3 business days to schedule the hearing, and 3 business days to render a decision. All other aspects of the expedited grievance process shall be the same as for other grievances.

**14-III.F. SELECTION OF HEARING OFFICER/PANEL [24 CFR 966.55(b)]**

The grievance hearing must be conducted by an impartial person or persons appointed by the PHA, other than the person who made or approved the PHA action under review, or a subordinate of such person.

**BHP Policy**

PHA grievance hearings will be conducted by a single hearing officer and not a panel. The list of current hearing officers is on the formal request.

The PHA must determine the methodology for appointment of the hearing officer and it must be stated in the grievance procedure.

**BHP Policy**

The PHA will appoint a person who has been selected in the manner required under the grievance procedure. Efforts will be made to assure that the person selected is neither a friend nor enemy of the complainant, that they do not have a personal stake in the matter under dispute, and will otherwise not appear to lack impartiality.

The PHA must consult with resident organizations before a person is appointed as a hearing officer or hearing panel member. Comments from the resident organizations must be considered before making the appointment.
14-III.G. PROCEDURES GOVERNING THE HEARING [24 CFR 966.56]

Rights of Complainant [24 CFR 966.56(b)]

The complainant will be afforded a fair hearing. This includes:

- The opportunity to examine before the grievance hearing any PHA documents, including records and regulations that are directly relevant to the hearing. The tenant must be allowed to copy any such document at the tenant’s expense. If the PHA does not make the document available for examination upon request by the complainant, the PHA may not rely on such document at the grievance hearing.

  **BHP Policy**
  
  The tenant will be allowed to copy any documents related to the hearing at a cost of $.10 per page. The family must request discovery of PHA documents no later than 12:00 p.m. on the business day prior to the hearing.

- The right to be represented by counsel or other person chosen to represent the resident and to have such person make statements on the tenant’s behalf.

  **BHP Policy**
  
  Hearings may be attended by the following applicable persons:
  
  - A PHA representative(s) and any witnesses for the PHA
  - The tenant and any witnesses for the tenant
  - The tenant’s counsel or other representative
  - Any other person approved by the PHA as a reasonable accommodation for a person with a disability

- The right to a private hearing unless the complainant requests a public hearing.

- The right to present evidence and arguments in support of the tenant’s complaint, to controvert evidence relied on by the PHA or project management, and to confront and cross-examine all witnesses upon whose testimony or information the PHA or project management relies.

- A decision based solely and exclusively upon the facts presented at the hearing.

Decision without Hearing [24 CFR 966.56(c)]

The hearing officer/panel may render a decision without proceeding with the hearing if the hearing officer/panel determines that the issue has been previously decided in another proceeding.

Failure to Appear [24 CFR 966.56(d)]

If the complainant or the PHA fails to appear at a scheduled hearing, the hearing officer/panel may make a determination to postpone the hearing for not to exceed five business days or may make a determination that the party has waived his/her right to a hearing. Both the complainant and the PHA must be notified of the determination by the hearing officer/panel: provided, that a determination that the complainant has waived his/her right to a hearing will not constitute a
waiver of any right the complainant may have to contest the PHA’s disposition of the grievance in an appropriate judicial proceeding.

There may be times when a complainant does not appear due to unforeseen circumstances which are out of their control and are no fault of their own.

**BHP Policy**

If the tenant does not appear at the scheduled time of the hearing, the hearing officer will wait up to 20 minutes. If the tenant appears within 20 minutes of the scheduled time, the hearing will be held. If the tenant does not arrive within 20 minutes of the scheduled time, they will be considered to have failed to appear.

If the tenant fails to appear and was unable to reschedule the hearing in advance, the tenant must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The hearing officer will reschedule the hearing only if the tenant can show good cause for the failure to appear, or it is needed as a reasonable accommodation for a person with disabilities.

“Good cause” is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family.

**General Procedures [24 CFR 966.56(e), (f), and (g)]**

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the PHA must sustain the burden of justifying the PHA action or failure to act against which the complaint is directed [24 CFR 966.56(e)].

The hearing must be conducted informally by the hearing officer/panel. The PHA and the tenant must be given the opportunity to present oral or documentary evidence pertinent to the facts and issues raised by the complaint and to question any witnesses. In general, all evidence is admissible and may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings [24 CFR 966.56(f)].

**BHP Policy**

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, emails, words, pictures, sounds, videotapes or symbols or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

**Real evidence:** A tangible item relating directly to the case.

_Hearsay Evidence_ is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though
evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer’s decision.

If the PHA fails to comply with the discovery requirements (providing the tenant with the opportunity to examine PHA documents prior to the grievance hearing), the hearing officer will refuse to admit such evidence.

Other than the failure of the PHA to comply with discovery requirements, the hearing officer has the authority to overrule any objections to evidence.

The hearing officer/panel must require the PHA, the complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer/panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate [24 CFR 966.56(f)].

The complainant or the PHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript [24 CFR 966.56(g)].

BHP Policy

If the complainant would like the PHA to record the proceedings by audiotape, the request must be made to the PHA by 12:00 p.m. on the business day prior to the hearing.

The PHA will consider that an audio tape recording of the proceedings is a transcript.

Accommodations of Persons with Disabilities [24 CFR 966.56(h)]

The PHA must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

If the tenant is visually impaired, any notice to the tenant which is required in the grievance process must be in an accessible format.

See Chapter 2 for a thorough discussion of the PHA’s responsibilities pertaining to reasonable accommodation.

14-III.H. DECISION OF THE HEARING OFFICER/PANEL [24 CFR 966.57]

The hearing officer/panel must issue a written decision, stating the reasons for the decision, within a reasonable time after the hearing. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the decision must be sent to the tenant and the PHA. The PHA must retain a copy of the decision in the tenant’s folder. A copy of the decision, with all names and identifying references deleted, must also be maintained on file by the PHA and made available for inspection by a prospective complainant, his/her representative, or the hearing officer/panel [24 CFR 966.57(a)].

BHP Policy

In rendering a decision, the hearing officer will consider the following matters:
PHA Notice to the Family: The hearing officer will determine if the reasons for the PHA’s decision are factually stated in the notice.

Discovery: The hearing officer will determine if the family was given the opportunity to examine any relevant documents in accordance with PHA policy.

PHA Evidence to Support the PHA Decision: The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA’s conclusion.

Validity of Grounds for Termination of Tenancy (when applicable): The hearing officer will determine if the termination of tenancy is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 10 business days after the hearing. The report will contain the following information:

**Hearing information:**
- Name of the complainant
- Date, time and place of the hearing
- Name of the hearing officer
- Name of the PHA representative(s)
- Name of family representative (if any)
- Names of witnesses (if any)

**Background:** A brief, impartial statement of the reason for the hearing and the date(s) on which the informal settlement was held, who held it, and a summary of the results of the informal settlement. Also includes the date the complainant requested the grievance hearing.

**Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

**Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. Preponderance of the evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA’s decision.

**Order:** The hearing report will include a statement of whether the PHA’s decision is upheld or overturned. If it is overturned, the hearing officer will
instruct the PHA to change the decision in accordance with the hearing officer’s determination. In the case of termination of tenancy, the hearing officer will instruct the PHA to restore the family’s status.

**Procedures for Further Hearing**

**BHP Policy**

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

**Final Decision [24 CFR 966.57(b)]**

The decision of the hearing officer/panel is binding on the PHA which must take the action, or refrain from taking the action cited in the decision unless the PHA Board of Commissioners determines within a reasonable time, and notifies the complainant that:

- The grievance does not concern PHA action or failure to act in accordance with or involving the complainant’s lease or PHA policies which adversely affect the complainant’s rights, duties, welfare, or status; or

- The decision of the hearing officer/panel is contrary to Federal, state, or local law, HUD regulations or requirements of the annual contributions contract between HUD and the PHA

**BHP Policy**

When the PHA considers the decision of the hearing officer to be invalid due to the reasons stated above, it will present the matter to the PHA Board of Commissioners within 10 business days of the date of the hearing officer’s decision. The Board has 30 calendar days to consider the decision. If the Board decides to reverse the hearing officer’s decision, it must notify the complainant within 10 business days of this decision.

A decision by the hearing officer/panel, or Board of Commissioners in favor of the PHA or which denies the relief requested by the complainant in whole or in part must not constitute a waiver of any rights the complainant may have to a subsequent trial or judicial review in court [24 CFR 966.57(c)].
Chapter 15

PROGRAM INTEGRITY

INTRODUCTION

The PHA is committed to ensuring that funds made available to the PHA are spent in accordance with HUD requirements.

This chapter covers HUD and PHA policies designed to prevent, detect, investigate and resolve instances of program abuse or fraud. It also describes the actions that will be taken in the case of unintentional errors and omissions.

Part I: Preventing, Detecting, and Investigating Errors and Program Abuse. This part presents PHA policies related to preventing, detecting, and investigating errors and program abuse.

Part II: Corrective Measures and Penalties. This part describes the corrective measures the PHA must and may take when errors or program abuses are found.
PART I: PREVENTING, DETECTING, AND INVESTIGATING ERRORS AND PROGRAM ABUSE

15-I.A. PREVENTING ERRORS AND PROGRAM ABUSE
HUD created the Enterprise Income Verification (EIV) system to provide PHAs with a powerful tool for preventing errors and program abuse. PHAs are required to use the EIV system in its entirety in accordance with HUD administrative guidance [24 CFR 5.233]. PHAs are further required to:

- Provide applicants and residents with form HUD-52675, “Debts Owed to PHAs and Terminations”
- Require all adult members of an applicant or participant family to acknowledge receipt of form HUD-52675 by signing a copy of the form for retention in the family file

BHP Policy
The PHA anticipates that the vast majority of families and PHA employees intend to and will comply with program requirements and make reasonable efforts to avoid errors.

To ensure that the PHA’s program is administered effectively and according to the highest ethical and legal standards, the PHA will employ a variety of techniques to ensure that both errors and intentional program abuse are rare.

The PHA will provide each applicant and resident with a copy of “Is Fraud Worth it?” (form HUD-1141-OIG), which explains the types of actions a family must avoid and the penalties for program abuse.

The PHA will provide each applicant and resident with a copy of “What You Should Know about EIV,” a guide to the Enterprise Income Verification (EIV) system published by HUD as an attachment to Notice PIH 2010-19. In addition, the PHA will require the head of each household to acknowledge receipt of the guide by signing a copy for retention in the family file.

The PHA will require mandatory orientation sessions for all prospective residents either prior to or upon execution of the lease. The PHA will discuss program compliance and integrity issues. At the conclusion of all program orientation sessions, the family representative will be required to sign a program briefing certificate to confirm that all rules and pertinent regulations were explained to them.

The PHA will routinely provide resident counseling as part of every reexamination interview in order to clarify any confusion pertaining to program rules and requirements.

PHA staff will be required to review and explain the contents of all HUD- and PHA-required forms prior to requesting family member signatures.

The PHA will place a warning statement about the penalties for fraud (as described in 18 U.S.C. 1001 and 1010) on key PHA forms and form letters that request information from a family member.
The PHA will provide each PHA employee with the necessary training on program rules and the organization’s standards of conduct and ethics.

At every regular reexamination the PHA staff will explain any changes in HUD regulations or PHA policy that affect residents.

For purposes of this chapter the term **error** refers to an unintentional error or omission. **Program abuse or fraud** refers to a single act or pattern of actions that constitute a false statement, omission, or concealment of a substantial fact, made with the intent to deceive or mislead.

### 15-I.B. DETECTING ERRORS AND PROGRAM ABUSE

In addition to taking steps to prevent errors and program abuse, the PHA will use a variety of activities to detect errors and program abuse.

#### Quality Control and Analysis of Data

**BHP Policy**

The PHA will employ a variety of methods to detect errors and program abuse, including:

- The PHA routinely will use EIV and other non-HUD sources of up-front income verification. This includes the Work Number and any other private or public databases available to the PHA.
- At each annual/triennial reexamination, current information provided by the family will be compared to information provided at the last reexamination to identify inconsistencies and incomplete information.
- The PHA will compare family-reported income and expenditures to detect possible unreported income.

#### Independent Audits and HUD Monitoring

OMB Circular A-133 requires all PHAs that expend $500,000 or more in federal awards annually to have an independent audit (IPA). In addition, HUD conducts periodic on-site and automated monitoring of PHA activities and notifies the PHA of errors and potential cases of program abuse.

**BHP Policy**

The PHA will use the results reported in any IPA or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the PHA’s error detection and abuse prevention efforts.

#### Individual Reporting of Possible Errors and Program Abuse

**BHP Policy**

The PHA will encourage staff, residents, and the public to report possible program abuse.
15-I.C. INVESTIGATING ERRORS AND PROGRAM ABUSE

When the PHA Will Investigate

**BHP Policy**

The PHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the PHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.

The PHA will investigate when inconsistent or contradictory information is detected through file reviews and the verification process.

**Consent to Release of Information [24 CFR 960.259]**

The PHA may investigate possible instances of error or abuse using all available PHA and public records. If necessary, the PHA will require families to sign consent forms for the release of additional information.

**Analysis and Findings**

**BHP Policy**

The PHA will base its evaluation on a preponderance of the evidence collected during its investigation.

*Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence that as a whole shows that the fact sought to be proved is more probable than not. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

For each investigation the PHA will determine (1) whether an error or program abuse has occurred, (2) whether any amount of money is owed the PHA, and (3) what corrective measures or penalties will be assessed.

**Consideration of Remedies**

All errors and instances of program abuse must be corrected prospectively. Whether the PHA will enforce other corrective actions and penalties depends upon the nature of the error or program abuse.

**BHP Policy**

In the case of family-caused errors or program abuse, the PHA will take into consideration (1) the seriousness of the offense and the extent of participation or culpability of individual family members, (2) any special circumstances surrounding the case, (3) any mitigating circumstances related to the disability of a family member, (4) the effects of a particular remedy on family members who were not involved in the offense.
Notice and Appeals

BHP Policy

The PHA will inform the relevant party in writing of its findings and remedies within 10 business days of the conclusion of the investigation. The notice will include (1) a description of the error or program abuse, (2) the basis on which the PHA determined the error or program abuses, (3) the remedies to be employed, and (4) the family’s right to appeal the results through an informal hearing or grievance hearing (see Chapter 14).
PART II: CORRECTIVE MEASURES AND PENALTIES

15-II.A. UNDER- OR OVERPAYMENT

An under- or overpayment includes an incorrect tenant rent payment by the family, or an incorrect utility reimbursement to a family.

Corrections

Whether the incorrect rental determination is an overpayment or underpayment, the PHA must promptly correct the tenant rent and any utility reimbursement prospectively.

BHP Policy

Increases in the tenant rent will be implemented on the first of the month following a written 30 day notice.

Any decreases in tenant rent will become effective the first of the month following the discovery of the error.

Reimbursement

Whether the family is required to reimburse the PHA or the PHA is required to reimburse the family depends upon which party is responsible for the incorrect payment and whether the action taken was an error or program abuse. Policies regarding reimbursement are discussed in the three sections that follow.

15-II.B. FAMILY-CAUSED ERRORS AND PROGRAM ABUSE

General administrative requirements for participating in the program are discussed throughout the ACOP. This section deals specifically with errors and program abuse by family members.

An incorrect rent determination caused by a family generally would be the result of incorrect reporting of family composition, income, assets, or expenses, but also would include instances in which the family knowingly allows the PHA to use incorrect information provided by a third party.

Family Reimbursement to PHA

BHP Policy

In the case of family-caused errors or program abuse, the family will be required to repay any amounts of rent underpaid. The PHA may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the amount owed, the PHA will terminate the family’s lease in accordance with the policies in Chapter 13.

PHA Reimbursement to Family

BHP Policy

The PHA will not reimburse the family for any overpayment of rent when the overpayment clearly is caused by the family.
Prohibited Actions

An applicant or resident in the public housing program must not knowingly:

- Make a false statement to the PHA [Title 18 U.S.C. Section 1001].
- Provide incomplete or false information to the PHA [24 CFR 960.259(a)(4)].
- Commit fraud, or make false statements in connection with an application for assistance or with reexamination of income [24 CFR 966.4(l)(2)(iii)(C)].

BHP Policy

Any of the following may be considered evidence of family program abuse:

- Offering bribes or illegal gratuities to the PHA Board of Commissioners, employees, contractors, or other PHA representatives
- Offering payments or other incentives to a third party as an inducement for the third party to make false or misleading statements to the PHA on the family’s behalf
- Use of a false name or the use of falsified, forged, or altered documents
- Intentional misreporting of family information or circumstances (e.g., misreporting of income or family composition)
- Omitted facts that were obviously known by a family member (e.g., not reporting employment income)
- Admission of program abuse by an adult family member

The PHA may determine other actions to be program abuse based upon a preponderance of the evidence, as defined earlier in this chapter.

Penalties for Program Abuse

In the case of program abuse caused by a family the PHA may, at its discretion, impose any of the following remedies.

- The PHA may require the family to repay any amounts owed to the program (see 15-II.B., Family Reimbursement to PHA).
- The PHA may require, as a condition of receiving or continuing assistance, that a culpable family member not reside in the unit. See policies in Chapter 3 (for applicants) and Chapter 13 (for residents).
- The PHA may deny admission or terminate the family’s lease following the policies set forth in Chapter 3 and Chapter 13 respectively.
- The PHA may refer the family for state or federal criminal prosecution as described in section 15-II.D.
15-II.C. PHA-CAUSED ERRORS OR PROGRAM ABUSE

The responsibilities and expectations of PHA staff with respect to normal program administration are discussed throughout the ACOP. This section specifically addresses actions of a PHA staff member that are considered errors or program abuse related to the public housing program. Additional standards of conduct may be provided in the PHA personnel policy.

PHA-caused incorrect rental determinations include (1) failing to correctly apply public housing rules regarding family composition, income, assets, and expenses, and (2) errors in calculation.

Repayment to the PHA

The family is not required to repay an underpayment of rent if the error or program abuse is caused by PHA staff.

PHA Reimbursement to Family

BHP Policy

The PHA will reimburse a family for any family overpayment of rent, regardless of whether the overpayment was the result of staff-caused error or staff program abuse.

Prohibited Activities

BHP Policy

Any of the following will be considered evidence of program abuse by PHA staff:

- Failing to comply with any public housing program requirements for personal gain
- Failing to comply with any public housing program requirements as a result of a conflict of interest relationship with any applicant or resident
- Seeking or accepting anything of material value from applicants, residents, vendors, contractors, or other persons who provide services or materials to the PHA
- Disclosing confidential or proprietary information to outside parties
- Gaining profit as a result of insider knowledge of PHA activities, policies, or practices
- Misappropriating or misusing public housing funds
- Destroying, concealing, removing, or inappropriately using any records related to the public housing program
- Committing any other corrupt or criminal act in connection with any federal housing program
15-II.D. CRIMINAL PROSECUTION

BHP Policy

When the PHA determines that program abuse by a family or PHA staff member has occurred and the amount of underpaid rent meets or exceeds the threshold for prosecution under local or state law, the PHA will refer the matter to the appropriate entity for prosecution. When the amount of underpaid rent meets or exceeds the federal threshold, the case will also be referred to the HUD Office of Inspector General OIG).

Other criminal violations related to the public housing program will be referred to the appropriate local, state, or federal entity.

15-II.E. FRAUD AND PROGRAM ABUSE RECOVERIES

PHAs who enter into a repayment agreement with a family to collect rent owed, initiate litigation against the family to recover rent owed, or begin eviction proceedings against a family may retain 100 percent of program funds that the PHA recovers [Notice PIH 2007-27 (HA)].

If the PHA does none of the above, all amounts that constitute an underpayment of rent must be returned to HUD.

The family must be afforded the opportunity for a hearing through the PHA’s grievance process.
Chapter 16

PROGRAM ADMINISTRATION

INTRODUCTION

This chapter discusses administrative policies and practices that are relevant to the activities covered in this ACOP. The policies are discussed in seven parts as described below:

Part I: Setting Utility Allowances. This part describes how utility allowances are established and revised. Also discussed are the requirements to establish surcharges for excess consumption of PHA-furnished utilities.

Part II: Repayment of Family Debts. This part contains policies for recovery of monies that have been underpaid by families, and describes the circumstances under which the PHA will offer repayment agreements to families. Also discussed are the consequences for failure to make payments in accordance with a repayment agreement.

Part III: Moving to Work Annual Plan and Report. This part describes the Moving to Work Program reporting requirements.

Part IV: Record-Keeping. All aspects of the program involve certain types of record-keeping. This part outlines the privacy rights of applicants and participants and record retention policies the PHA will follow.

Part V: Reporting and Record Keeping for Children with Environmental Intervention Blood Lead Level. This part describes the PHA’s reporting responsibilities related to children with environmental intervention blood lead levels that are living in public housing.

Part VI: the Violence against Women Act of 2005 (VAWA). Notification, Documentation, and Confidentiality. This part contains key terms used in VAWA and describes requirements related to notifying families about their rights and responsibilities under VAWA; requesting documentation from victims of domestic violence, dating violence, and stalking; and maintaining the confidentiality of information obtained from victims.
PART I: SETTING UTILITY ALLOWANCES [24 CFR 965 Subpart E]

16-I.A. OVERVIEW

PHAs must establish allowances for PHA-furnished utilities for all check metered utilities and for resident-purchased utilities for all utilities purchased directly by residents from a utility supplier [24 CFR 965.502(a)].

PHAs must also establish surcharges for excess consumption of PHA-furnished utilities [24 CFR 965.506].

The PHA must maintain a record that documents the basis on which utility allowances and scheduled surcharges are established and revised, and the record must be made available for inspection by residents [24 CFR 965.502(b)].

16-I.B UTILITY ALLOWANCES

The PHA must establish separate allowances for each utility and for each category of dwelling units the PHA determines to be reasonably comparable as to factors affecting utility usage [24 CFR 965.503].

The objective of a PHA in establishing utility allowances for each dwelling unit category and unit size is to approximate a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment [24 CFR 965.505].

Utilities include gas, electricity, fuel for heating, water, sewerage, and solid waste disposal for a dwelling unit. In addition, if the PHA does not furnish a range and refrigerator, the family must be granted a utility allowance for the range and refrigerator they provide [24 CFR 965.505].

Costs for telephone, cable/satellite TV, and internet services are not considered utilities [PH Occ GB, p. 138].

Utility allowance amounts will vary by the rates in effect, size and type of unit, climatic location and sitting of the unit, type of construction, energy efficiency of the dwelling unit, and other factors related to the physical condition of the unit. Utility allowance amounts will also vary by residential demographic characteristics affecting home energy usage [PH Occ GB, p. 138].

Chapter 14 of the *PH Occupancy Guidebook* provides detailed guidance to the PHA about establishing utility allowances.

Air-Conditioning

“If a PHA installs air conditioning, it shall provide, to the maximum extent economically feasible, systems that give residents the option of choosing to use air conditioning in their units. The design of systems that offer each resident the option to choose air conditioning shall include retail meters or check meters, and residents shall pay for the energy used in its operation. For systems that offer residents the option to choose air conditioning but cannot be check metered, residents are to be surcharged in accordance with 965.506. If an air conditioning system does not provide for resident option, residents are not to be charged, and these systems should be avoided whenever possible.” [24 CFR 965.505(e)]
BHP Policy

The PHA has not installed a check metering system and the surcharge is based on a reasonable amount for consumption of using an air-conditioning unit.

Utility Allowance Revisions [24 CFR 965.507]

The PHA must review at least annually the basis on which utility allowances have been established and must revise the allowances if necessary in order to adhere to the standards for establishing utility allowances that are contained in 24 CFR 965.505.

The PHA may revise its allowances for resident-purchased utilities between annual reviews if there is a rate change, and is required to do so if such change, by itself or together with prior rate changes not adjusted for, results in a change of 10 percent or more from the rate on which the allowance was based.

Adjustments to resident payments as a result of such changes must be retroactive to the first day of the month following the month in which the last rate change taken into account became effective.

BHP Policy

Between annual reviews of utility allowances, the PHA will only revise its utility allowances due to a rate change, when required to by the regulation.

16-I.C. SURCHARGES FOR PHA-FURNISHED UTILITIES [24 CFR 965.506]

For dwelling units subject to allowances for PHA-furnished utilities where check meters have been installed, the PHA must establish surcharges for utility consumption in excess of the allowances. Surcharges may be computed on a straight per unit of purchase basis or for stated blocks of excess consumption, and must be based on the PHA’s average utility rate. The basis for calculating the surcharges must be described in the PHA’s schedule of allowances. Changes in the amount of surcharges based directly on changes in the PHA’s average utility rate are not subject to the advance notice requirements discussed under 16-I.D.

For dwelling units served by PHA-furnished utilities where check meters have not been installed, the PHA must establish schedules of surcharges indicating additional dollar amounts residents will be required to pay by reason of estimated utility consumption attributable to resident-owned major appliances or to optional functions of PHA-furnished equipment. The surcharge schedule must state the resident-owned equipment (or functions of PHA-furnished equipment) for which surcharges will be made and the amounts of such charges. Surcharges must be based on the cost to the PHA of the utility consumption estimated to be attributable to reasonable usage of such equipment.

BHP Policy

The PHA does have PHA-furnished utilities.

16-I.D. NOTICE REQUIREMENTS [965.502]

The PHA must give notice to all residents of proposed allowances and scheduled surcharges, and revisions thereof. The notice must be given in the manner provided in the lease and must:
• Be provided at least 60 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.

• Describe the basis for determination of the allowances, scheduled surcharges, or revisions, including a statement of the specific items of equipment and function whose utility consumption requirements were included in determining the amounts of the allowances and schedule of surcharges.

• Notify residents of the place where the PHA’s documentation on which allowances and surcharges are based is available for inspection.

• Provide all residents an opportunity to submit written comments during a period expiring not less than 30 days before the proposed effective date of the allowances, scheduled surcharges, or revisions.

16-I.E. REASONABLE ACCOMMODATION [24 CFR 965.508]

On request from a family that includes a disabled or elderly person, the PHA must approve a utility allowance that is higher than the applicable amount for the dwelling unit if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family [PH Occ GB, p. 172].

Likewise, residents with disabilities may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability [PH Occ GB, p. 172].

See Chapter 2 for policies regarding the request and approval of reasonable accommodations.
PART II: FAMILY DEBTS TO THE PHA

16-II.A. OVERVIEW
This part describes the PHA’s policies for recovery of monies owed to the PHA by families.

**BHP Policy**

When an action or inaction of a resident family results in the underpayment of rent or other amounts, the PHA holds the family liable to pay any differences owed to the PHA.

The PHA will enter into repayment agreements in accordance with the policies contained in this part as a means to recover such amounts owed by the family. When a family refuses to repay monies owed to the PHA, the PHA will utilize other available collection alternatives including, but not limited to, the following:

- Collection agencies
- Small claims court
- Civil law suit
- State income tax set-off program

16-II.B. REPAYMENT POLICY

**Family Debts to the PHA**

**BHP Policy**

Any amount owed to the PHA by a public housing family must be repaid. If the family is unable to repay the debt within 30 days, the PHA will offer to enter into a repayment agreement in accordance with the policies below.

If the family refuses to repay the debt, does not enter into a repayment agreement, or breaches a repayment agreement, the PHA will terminate the family’s tenancy in accordance with the policies in Chapter 13. The PHA will also pursue other modes of collection.

**General Repayment Agreement Guidelines**

**Down Payment Requirement**

**BHP Policy**

Families will not be required to make a down payment on the amount owed prior to entering into a repayment agreement with the PHA.

**Payment Thresholds**

Notice PIH 2010-19 recommends that the total amount that a family must pay each month—the family’s monthly share of rent plus the monthly debt repayment amount—should not exceed 40 percent of the family’s monthly adjusted income, which is considered “affordable.” Moreover, Notice PIH 2010-19 acknowledges that PHAs have the discretion to establish “thresholds and policies” for repayment agreements with families [24 CFR 982.552(c)(1)(vii)].
BHP Policy
The monthly amount of the payback agreement will be based on the family’s income at the time the payback agreement is entered into. The monthly amount will be equal to 10% of the monthly income.

If the family’s income increases or decreases during the term of a repayment agreement, either the PHA or the family may request that the monthly payment amount be adjusted accordingly.

Execution of the Agreement

BHP Policy
Any repayment agreement between the PHA and a family must be signed and dated by the PHA and by the head of household and spouse/co-head (if applicable)

Due Dates

BHP Policy
All payments are due on the first and late after 5:00 p.m. on the 5th day of the month.

Late or Missed Payments

BHP Policy
If a payment is not received 5:00 p.m. on the 5th, and prior approval for the missed payment has not been given by the PHA, the PHA will send the family a demand for the entire balance of the repayment agreement giving the family 14 days to make the payment. If the payment is not received by the due date of the delinquency notice, it will be considered a breach of the agreement and the PHA will terminate tenancy in accordance with the policies in Chapter 13.

If a family receives three delinquency notices for unexcused late payments in a 12 month period, the repayment agreement will be considered in default, and the PHA will terminate tenancy in accordance with the policies in Chapter 13.

No Offer of Repayment Agreement

BHP Policy
The PHA generally will not enter into a repayment agreement with a family if there is already a repayment agreement in place with the family, or if the amount owed by the family exceeds the Federal or State threshold for criminal prosecution.

The PHA will not enter into more than two repayment agreements in one 12-month period.

Repayment Agreements Involving Improper Payments

Notice PIH 2010-19 requires certain provisions to be included in any repayment agreement involving amounts owed by a family because it underreported or failed to report income:
• A reference to the items in the public housing lease that state the family’s obligation to provide true and complete information at every reexamination and the grounds on which the PHA may terminate assistance because of a family’s action or failure to act

• A statement clarifying that each month the family not only must pay to the PHA the monthly payment amount specified in the agreement but must also pay to the owner the family’s monthly share of the rent to owner

• A statement that the terms of the repayment agreement may be renegotiated if the family’s income decreases or increases

• A statement that late or missed payments constitute default of the repayment agreement and may result in termination of tenancy
PART III: MOVING TO WORK PROGRAM REPORTING REQUIREMENTS

16.III.A. OVERVIEW

As an agency participating in the Moving to Work Demonstration Program through HUD, the PHA is required to submit an MTW Annual Plan every year in which the initiatives and strategies are described in detail. Once the Annual Plan has been implemented, the PHA is required to submit a MTW Annual Report to HUD to describe the outcomes of the initiatives and strategies that were implemented. Refer to the MTW Standard Agreement for further information on the reporting requirements.
PART IV: RECORD KEEPING

16-IV.A. OVERVIEW
The PHA must maintain complete and accurate accounts and other records for the program in accordance with HUD requirements, in a manner that permits a speedy and effective audit. All such records must be made available to HUD or the Comptroller General of the United States upon request.

In addition, the PHA must ensure that all applicant and participant files are maintained in a way that protects an individual’s privacy rights.

16-IV.B. RECORD RETENTION
The PHA must keep the last three years of the Form HUD-50058 and supporting documentation during the term of each assisted lease, and for a period of at least three years from the end of participation (EOP) date [24 CFR 908.101].

BHP Policy
During the term of each public housing tenancy, and for at least three years thereafter, the PHA will keep all documents related to a family’s eligibility, tenancy, and termination.

In addition, the PHA will keep the following records for at least four years:

- An application from each ineligible family and notice that the applicant is not eligible
- Lead-based paint records as required by 24 CFR 35, Subpart B
- Documentation supporting the establishment of flat rents and the public housing maximum rent
- Documentation supporting the establishment of utility allowances and surcharges
- Documentation related to PHAS
- Accounts and other records supporting PHA budget and financial statements for the program
- Other records as determined by the PHA or as required by HUD

If a hearing to establish a family’s citizenship status is held, longer retention requirements apply for some types of documents. For specific requirements, see Section 14-II.A.

16-IV.C. RECORDS MANAGEMENT
PHAs must maintain applicant and resident files and information in accordance with the regulatory requirements described below.

BHP Policy
All applicant and resident information will be kept in a secure location and access will be limited to authorized PHA staff.
PHA staff will not discuss personal family information unless there is a business reason to do so. Inappropriate discussion of family information or improper disclosure of family information by staff will result in disciplinary action.

**Privacy Act Requirements [24 CFR 5.212 and Form-9886]**

The collection, maintenance, use, and dissemination of social security numbers (SSN), employer identification numbers (EIN), any information derived from these numbers, and income information of applicants and participants must be conducted, to the extent applicable, in compliance with the Privacy Act of 1974, and all other provisions of Federal, State, and local law.

Applicants and participants, including all adults in the household, are required to sign a consent form, HUD-9886, Authorization for Release of Information. This form incorporates the Federal Privacy Act Statement and describes how the information collected using the form may be used, and under what conditions HUD or the PHA may release the information collected.

**Upfront Income Verification (UIV) Records**

PHAs that access UIV data through HUD’s Enterprise Income Verification (EIV) System are required to adopt and follow specific security procedures to ensure that all EIV data is protected in accordance with Federal laws, regardless of the media on which the data is recorded (e.g. electronic, paper). These requirements are contained in the HUD issued document, *Enterprise Income Verification (EIV) System, Security Procedures for Upfront Income Verification (UIV) Data*.

**BHP Policy**

Prior to utilizing HUD’s EIV system, the PHA will adopt and implement EIV security procedures required by HUD.

**Criminal Records**

The PHA may only disclose the criminal conviction records which the PHA receives from a law enforcement agency to officers or employees of the PHA, or to authorized representatives of the PHA who have a job-related need to have access to the information [24 CFR 5.903(e)].

The PHA must establish and implement a system of records management that ensures that any criminal record received by the PHA from a law enforcement agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation [24 CFR 5.903(g)].

The PHA must establish and implement a system of records management that ensures that any sex offender registration information received by the PHA from a State or local agency is maintained confidentially, not misused or improperly disseminated, and destroyed, once the purpose for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action without institution of a challenge or final disposition of any such litigation. However, a record of the screening, including the type of screening and the date performed must be retained [Notice PIH 2012-28]. This requirement does not apply to information that is public information, or is obtained by a PHA other than under 24 CFR 5.905.
Medical/Disability Records

PHAs are not permitted to inquire about the nature or extent of a person’s disability. The PHA may not inquire about a person’s diagnosis or details of treatment for a disability or medical condition. If the PHA receives a verification document that provides such information, the PHA should not place this information in the tenant file. The PHA should destroy the document.

Domestic Violence, Dating Violence, or Stalking Records

For requirements and PHA policies related to management of documentation obtained from victims of domestic violence, dating violence, or stalking, see section 16-VII.E.
PART V: REPORTING REQUIREMENTS FOR CHILDREN WITH ENVIRONMENTAL INTERVENTION BLOOD LEAD LEVEL

16-V.A. REPORTING REQUIREMENTS [24 CFR 35.1130(e)]

The PHA has certain responsibilities relative to children with environmental intervention blood lead levels that are living in public housing.

The PHA must report the name and address of a child identified as having an environmental intervention blood lead level to the public health department within 5 business days of being so notified by any other medical health care professional. The PHA must also report each known case of a child with an environmental intervention blood lead level to the HUD field office.

BHP Policy

The PHA will provide the public health department written notice of the name and address of any child identified as having an environmental intervention blood lead level.

The PHA will provide written notice of each known case of a child with an environmental intervention blood level to the HUD field office within 5 business days of receiving the information.
PART VI: VIOLENCE AGAINST WOMEN ACT (VAWA): NOTIFICATION, DOCUMENTATION, AND CONFIDENTIALITY

16-VI.A. OVERVIEW
The Violence against Women Act of 2005 (VAWA) provides special protections for victims of domestic violence, dating violence, and stalking who are applying for or receiving assistance under the public housing program. If your state or local laws provide greater protection for such victims, those laws take precedence over VAWA.

In addition to definitions of key terms used in VAWA, this part contains general VAWA requirements and PHA policies in three areas: notification, documentation, and confidentiality. Specific VAWA requirements and PHA policies are located in Chapter 3, “Eligibility” (sections 3-I.C and 3-III.F); Chapter 5, “Occupancy Standards and Unit Offers” (section 5-II.D); Chapter 8, “Leasing and Inspections” (section 8-I.B); Chapter 12, “Transfer Policy” (sections 12-III.C, 12-III.F, and 12-IV.D); and Chapter 13, “Lease Terminations” (sections 13-III.F and 13-IV.D).

16-VI.B. DEFINITIONS [24 CFR 5.2003]
As used in VAWA:

The term bifurcate means, with respect to a public housing or Section 8 lease, to divide a lease as a matter of law such that certain tenants can be evicted or removed while the remaining family members’ lease and occupancy rights are allowed to remain intact.

The term dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

The term domestic violence includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

The term immediate family member means, with respect to a person:
- A spouse, parent, brother or sister, or child of that person, or an individual to whom that person stands in the position or place of a parent; or
- Any other person living in the household of that person and related to that person by blood and marriage.

The term stalking means:
- To follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or
- To place under surveillance with the intent to kill, injure, harass, or intimidate another person; and 
- In the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (1) that person, (2) a member of the immediate family of that person, or (3) the spouse or intimate partner of that person.

16-VI.C. NOTIFICATION [24 CFR 5.2005(a)]

Notification to Public

The PHA adopts the following policy to help ensure that all actual and potential beneficiaries of its public housing program are aware of their rights under VAWA.

BHP Policy

The PHA will post the following information regarding VAWA in its offices and on its Web site. It will also make the information readily available to anyone who requests it.

A summary of the rights and protections provided by VAWA to public housing applicants and residents who are or have been victims of domestic violence, dating violence, or stalking (see sample notice in Exhibit 16-1)

The definitions of domestic violence, dating violence, and stalking provided in VAWA (included in Exhibit 16-1)

An explanation of the documentation that the PHA may require from an individual who claims the protections provided by VAWA (included in Exhibit 16-1)

A copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking

A statement of the PHA’s obligation to keep confidential any information that it receives from a victim unless (a) the PHA has the victim’s written permission to release the information, (b) it needs to use the information in an eviction proceeding, or (c) it is compelled by law to release the information (included in Exhibit 16-1)

The National Domestic Violence Hot Line: 1-800-799-SAFE (7233) or 1-800-787-3224 (TTY) (included in Exhibit 16-1)

Contact information for local victim advocacy groups or service providers

Notification to Applicants and Tenants [24 CFR 5.2005(a)(1)]

PHAs are required to inform public housing tenants of their rights under VAWA, including their right to confidentiality and the limits thereof. Since VAWA provides protections for applicants as well as tenants, PHAs may elect to provide the same information to applicants.
BHP Policy
The PHA will provide all applicants with information about VAWA at the time they request an application for housing assistance. The PHA will also include such information in all notices of denial of assistance (see section 3-III.F).

The PHA will provide all tenants with information about VAWA at the time of admission (see section 8-I.B) and at annual reexamination. The PHA will also include such information in all lease termination notices (see section 13-IV.D).

The VAWA information provided to applicants and tenants will consist of the notice in Exhibit 16-1 and a copy of form HUD-50066, Certification of Domestic Violence, Dating Violence, and Stalking.

The PHA is not limited to providing VAWA information at the times specified in the above policy. If the PHA decides to provide VAWA information to a tenant following an incident of domestic violence, Notice PIH 2006-42 cautions against sending the information by mail, since the abuser may be monitoring the mail. The notice recommends that in such cases the PHA make alternative delivery arrangements that will not put the victim at risk.

BHP Policy
Whenever the PHA has reason to suspect that providing information about VAWA to a public housing tenant might place a victim of domestic violence at risk, it will attempt to deliver the information by hand directly to the victim.

16-VI.D. DOCUMENTATION [24 CFR 5.2007]
A PHA presented with a claim for initial or continued assistance based on status as a victim of domestic violence, dating violence, stalking, or criminal activity related to any of these forms of abuse may—but is not required to—request that the individual making the claim document the abuse. Any request for documentation must be in writing, and the individual must be allowed at least 14 business days after receipt of the request to submit the documentation. The PHA may extend this time period at its discretion. [24 CFR 5.2007(a)]

The individual may satisfy the PHA’s request by providing any one of the following three forms of documentation [24 CFR 5.2007(b)]:

(1) A completed and signed HUD-approved certification form (HUD-50066, Certification of Domestic Violence, Dating Violence, or Stalking), which must include the name of the perpetrator

(2) A federal, state, tribal, territorial, or local police report or court record

(3) Documentation signed by a person who has assisted the victim in addressing domestic violence, dating violence, or stalking, or the effects of such abuse. This person may be an employee, agent, or volunteer of a victim service provider; an attorney; or a medical professional. The person signing the documentation must attest under penalty of perjury to the
person’s belief that the incidents in question are bona fide incidents of abuse. The victim must also sign the documentation.

The PHA may not require third-party documentation (forms 2 and 3) in addition to certification (form 1), except as specified below under “Conflicting Documentation,” nor may it require certification in addition to third-party documentation [VAWA final rule].

**BHP Policy**
Any request for documentation of domestic violence, dating violence, or stalking will specify a deadline of 14 business days following receipt of the request, will describe the three forms of acceptable documentation, will provide explicit instructions on where and to whom the documentation must be submitted, and will state the consequences for failure to submit the documentation or request an extension in writing by the deadline.

The PHA may, in its discretion, extend the deadline for 10 business days. Any extension granted by the PHA will be in writing.

**Conflicting Documentation [24 CFR 5.2007(e)]**
In cases where the PHA receives conflicting certification documents from two or more members of a household, each claiming to be a victim and naming one or more of the other petitioning household members as the perpetrator, the PHA may determine which is the true victim by requiring each to provide acceptable third-party documentation, as described above (forms 2 and 3). The PHA must honor any court orders issues to protect the victim or to address the distribution of property.

**BHP Policy**
If presented with conflicting certification documents (two or more forms HUD-50066) from members of the same household, the PHA will attempt to determine which is the true victim by requiring each of them to provide third-party documentation in accordance with 24 CFR 5.2007(b)(2) or (3) and by following any HUD guidance on how such determinations should be made.

**Discretion to Require No Formal Documentation [24 CFR 5.2007(d)]**
The PHA has the discretion to provide benefits to an individual based solely on the individual’s statement or other corroborating evidence—i.e., without requiring formal documentation of abuse in accordance with 24 CFR 5.2007(b).

**BHP Policy**
If the PHA accepts an individual’s statement or other corroborating evidence of domestic violence, dating violence, or stalking, the PHA will document acceptance of the statement or evidence in the individual’s file.

**Failure to Provide Documentation [24 CFR 5.2007(c)]**
In order to deny relief for protection under VAWA, a PHA must provide the individual requesting relief with a written request for documentation of abuse. If the individual fails to
provide the documentation within 14 business days from the date of receipt, or such longer time as the PHA may allow, the PHA may deny relief for protection under VAWA.

16-VI.E. CONFIDENTIALITY [24 CFR 5.2007(b)(4)]
All information provided to the PHA regarding domestic violence, dating violence, or stalking, including the fact that an individual is a victim of such violence or stalking, must be retained in confidence. This means that the PHA (1) may not enter the information into any shared database, (2) may not allow employees or others to access the information unless they are explicitly authorized to do so and have a need to know the information for purposes of their work, and (3) may not provide the information to any other entity or individual, except to the extent that the disclosure is (a) requested or consented to by the individual in writing, (b) required for use in an eviction proceeding, or (c) otherwise required by applicable law.

BHP Policy
If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, the PHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.
EXHIBIT 16-1: SAMPLE NOTICE TO HOUSING CHOICE VOUCHER APPLICANTS AND TENANTS REGARDING THE VIOLENCE AGAINST WOMEN ACT (VAWA)

This sample notice was adapted from a notice prepared by the National Housing Law Project.

A federal law that went into effect in 2006 protects individuals who are victims of domestic violence, dating violence, and stalking. The name of the law is the Violence against Women Act, or “VAWA.” This notice explains your rights under VAWA.

**Protections for Victims**

If you are eligible for a Section 8 voucher, the housing authority cannot deny you rental assistance solely because you are a victim of domestic violence, dating violence, or stalking.

If you are the victim of domestic violence, dating violence, or stalking, you cannot be terminated from the Section 8 program or evicted based on acts or threats of violence committed against you. Also, criminal acts directly related to the domestic violence, dating violence, or stalking that are caused by a member of your household or a guest can’t be the reason for evicting you or terminating your rental assistance if you were the victim of the abuse.

**Reasons You Can Be Evicted**

You can be evicted and your rental assistance can be terminated if the housing authority or your landlord can show there is an *actual* and *imminent* (immediate) threat to other tenants or employees at the property if you remain in your housing. Also, you can be evicted and your rental assistance can be terminated for serious or repeated lease violations that are not related to the domestic violence, dating violence, or stalking committed against you. The housing authority and your landlord cannot hold you to a more demanding set of rules than it applies to tenants who are not victims.

**Removing the Abuser from the Household**

Your landlord may split the lease to evict a tenant who has committed criminal acts of violence against family members or others, while allowing the victim and other household members to stay in the assisted unit. Also, the housing authority can terminate the abuser’s Section 8 rental assistance while allowing you to continue to receive assistance. If the landlord or housing authority chooses to remove the abuser, it may not take away the remaining tenants’ rights to the unit or otherwise punish the remaining tenants. In removing the abuser from the household, your landlord must follow federal, state, and local eviction procedures.
Proving that You Are a Victim of Domestic Violence, Dating Violence, or Stalking

The housing authority and your landlord can ask you to prove or “certify” that you are a victim of domestic violence, dating violence, or stalking. It must give you at least 14 business days (i.e. Saturdays, Sundays, and holidays do not count) to provide this proof. The housing authority and your landlord are free to extend the deadline. There are three ways you can prove that you are a victim:

- Complete the certification form given to you by the housing authority or your landlord. The form will ask for your name, the name of your abuser, the abuser’s relationship to you, the date, time, and location of the incident of violence, and a description of the violence.

- Provide a statement from a victim service provider, attorney, or medical professional who has helped you address incidents of domestic violence, dating violence, or stalking. The professional must state that he or she believes that the incidents of abuse are real. Both you and the professional must sign the statement, and both of you must state that you are signing “under penalty of perjury.”

- Provide a police or court record, such as a protective order.

If you fail to provide one of these documents within the required time, the landlord may evict you, and the housing authority may terminate your rental assistance.

Confidentiality

The housing authority and your landlord must keep confidential any information you provide about the violence against you, unless:

- You give written permission to the housing authority or your landlord to release the information. The housing authority needs to use the information in an eviction proceeding, such as to evict your abuser. A law requires the housing authority or your landlord to release the information.

If release of the information would put your safety at risk, you should inform the housing authority and your landlord.

VAWA and Other Laws

VAWA does not limit the housing authority’s or your landlord’s duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

VAWA does not replace any federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, or stalking.
