

For Immediate Release: October 12, 2015

## **Boulder Housing Partners Honors Three Partner Awards**

The BHP Partnership Awards program recognizes the efforts of individuals, businesses, corporate partners, and non-profit and governmental agencies for their support of BHP and its mission. The October 2015 award winners in the category of Non-profit Partners and Volunteer Partners who make a difference are:

### **Non-Profit Partner: ReSchool Colorado – Donnell-Kay Foundation**

ReSchool Colorado – Donnell-Kay Foundation has led an innovative and organized family-centered approach to learning that improves educational opportunities among children. Since collaborating with ReSchool Colorado, BHP has implemented programs that aid parents in supporting their children for further engagement in learning activities that enhance their child's social, emotional, academic, and physical growth.

### **Non-Profit Partner: Harvest of Hope Pantry**

Harvest of Hope Pantry is a food bank dedicated in their mission to serving the single poor and poor families in the city of Boulder. This past year Harvest of Hope Pantry provided food to 126 Boulder Housing Partners residents located at 22 of BHP's sites. When residents visit Harvest of Hope Pantry they are welcomed in a friendly manner and enter a space where they are able to shop for food in a grocery store-style setting.

### **Volunteer Partner: Caren Phillips from Intercambio**

Since January 2014, Caren has taught a weekly English class from 6pm until 8pm at the Kalmia Community Center. In her class, residents learn and practice conversations revolving around everyday subjects such as work, school, and errands. We are very grateful for all of the help and support she has provided and thank her for her continued dedication to teach Kalmia residents English.

---

[Boulder Housing Partners](http://www.boulderhousing.org) is the housing authority serving the City of Boulder since 1966. BHP builds, owns, and manages quality affordable housing for low and moderate-income Boulder residents, and helps those residents pursue successful, productive, and dignified lives.
