Boulder Housing Partners Honors Three Partner Awards

The Boulder Housing Partners (BHP) Partnership Awards program recognizes the efforts of individuals, businesses, corporate partners, and non-profit and governmental agencies for their support of BHP and its mission. The March 2016 award winners in the categories of Non-profit Partners, Business Partners and Volunteer Partners who make a difference are:

Nonprofit Partner: Housing First Team from the Boulder Shelter for the Homeless

BHP is pleased to award the Boulder Shelter for the Homeless Housing First Team with a 2016 Partnership Award. The Housing First Team has supported BHP with collaborative efforts to not only find a housing solution for some of the hardest individuals to house, but to keeping them housed. They are committed to ensuring the success of individuals and our program at 1175 Lee Hill.

Business Partner: Oracle

BHP is pleased to award Oracle with a 2016 Partnership Award. Oracle employees have been providing holiday gifts to the residents of BHP's senior and disability communities for the past ten years. This year, in addition to giving gifts to residents at Canyon Pointe, Walnut Place, Northport, and High Mar, they included gifts to Lee Hill and some family-site residents. Generally these gifts are the only holiday gifts the BHP residents will receive and the residents are overwhelmed. This holiday program is appreciated by both the residents and the staff who witness the joy of our residents getting their wishes fulfilled.

Volunteer Partner: Sue Percifield

BHP is pleased to award Sue Percifield with a 2016 Partnership Award. Sue is a kind, caring and driven volunteer who makes our residents' lives better. She has been an unbelievable source of support to our residents at Walnut Place. During the first phase of Project Renovate she put in over 100 hours in a single month to help a resident with hoarding issues. We have come to rely on Sue for her willingness to gracefully handle any task. We at Boulder Housing Partners are grateful to have her as a volunteer.
