March 23, 2020

Dear Residents of [Canyon Pointe, Lee Hill, High Mar, Northport, Walnut Place],

We hope you and your families are staying healthy and well. Boulder County Public Health has provided BHP with additional guidance to help prevent the threat of COVID-19 at communities serving those with higher risk for severe illness. This recent guidance is an increase in the precautionary measures we have already put in place at your BHP community.

With health and safety of BHP community members being of primary importance, Boulder Housing Partners is following this new guidance to increase restricted access effective March 23, 2020.

Increased Restrictions on All Non-Essential Visitors

Until further notice, we will be further restricting all non-essential visitors to your community. Non-essential visitors include:

- Visitors, including guests
- Non-essential service providers or vendors
- Volunteers
- All non-residents of this property

Approved essential visitors include:

- BHP staff with prior approval
- Family and friends who are visiting for critical or time-sensitive reasons
- Contractors with permission of BHP
- Government employees in their official capacity (i.e., U.S. Postal Service, CDC or public health staff)
- Providers (i.e., ACMI, TruPace, Meals on Wheels, Dispatch Health) that provide food, medical, or health-related services to residents
- Commercial deliveries. (Please call Maintenance (720-564-4620) if you need access to the building.)

Health and safety of community members is of paramount importance. To ensure outside visitors follow these guidelines, we have posted notices on building entrances. If you have any questions on these limitations, please feel free to reach out to your community manager.

Sincerely,

Daniel Nunez

Director of Property Management
