In Boulder County, many Landlords and Property Management Companies work with BHP's Housing Choice Voucher Program and lease to residents that are receiving housing assistance through the Housing Choice Voucher (Section 8) Program. Because there are many private landlords in the community, it is impossible to create a comprehensive list of all the landlords that work with the program. We suggest you check on the internet and call Property Managers to inquire about vacancies. Although Boulder Housing Partners has affordable rental units, participants are encouraged to look in the private market for a suitable unit and are not required to rent from Boulder Housing Partners.

Please note: Ask the property manager if the building you are interested in will accept a Housing Choice Voucher before filling out an application.
