Your Responsibilities

To remain in good standing as a Housing Choice Voucher participant, you and your household must:

- Provide written, third-party (from the source) verification within 10 business days of any changes in income or benefits that your household receives.
- Provide written notification within 10 business days when anyone in the household turns 18 years old. Supply information about their employment and/or student status.
- Allow the Housing Choice Voucher Department to inspect the unit for housing quality standards (at reasonable times after adequate notice).
- All occupants of the unit must be included on your voucher and approved prior to being added to the lease and to the voucher.
- You must request and receive approval in writing from your Voucher Specialist for your family to be away from the unit for more than 30 days.
- Request written approval from your Voucher Specialist before adding a family member as an occupant of your unit.
- Notify your Voucher Specialist in writing within 10 business days of the birth, adoption, or court-awarded custody of a child.
- Notify your Voucher Specialist in writing within 10 business days if any household member no longer lives in the unit.
- Use the assisted unit as your family's only residence.
- Provide BHP with a copy of any eviction notice as soon as you receive it.
- Complete all lease terms as stated in your lease contract with your landlord, especially the initial year term.
- Provide 30-day written notice to your Voucher Specialist and your landlord if you plan to move at the end of your lease.

- Refrain from committing any serious and/or repeated lease violations.
- Do not allow unauthorized individuals to live in the assisted unit. Any guest staying longer than 14 consecutive days without the prior approval of your Voucher Specialist is considered "unauthorized."
- Refrain from alcohol use which results in disturbances to others, drug-related activities and/or other criminal actions (this applies to all household members and guests).
- Avoid threatening abuse or displaying violent behavior towards any BHP personnel. Threats will be taken seriously, and the police may be contacted.

Acknowledgement of Responsibilities

I understand that if any member of my household or I fail to comply with the preceding obligations, I may risk losing my housing assistance, and the Housing Choice Voucher Department at BHP may refuse to approve a new lease or sign a new housing choice contract on my behalf.

I understand that if I have any questions, it is my responsibility to ask my Housing Choice Voucher Specialist for clarification; and that any assumptions made on my part may cost me my housing assistance.
