### About the Lottery Numbers:

- The randomly selected numbers are organized in numerical order for easy viewing. (Please note this is not the order in which applicants will be processed.)
- Our goal is to contact all the selected applicants within 12 months or less to begin the eligibility process.
- Please remember to notify us in writing whenever your mailing address changes.
- If your number was not drawn, you can re-apply to the next lottery. Exact dates will be posted on our website and lottery hotline (720-564-4627) at least one month in advance.
- The first step in the process will be to complete the preference certification. This will be sent to all randomly selected households by the end of July. Please check your mail and submit the form along with the required documentation by the deadline in the letter.
